RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS RELEASE OF SECURITY INTEREST IN TRADEMARKS ("Release") is made as of this 30th day of April, 2014, by THE NATIONAL BANK OF CANADA, as agent ("Agent"), in favor of SHRED-IT INTERNATIONAL INC. (f/k/a SHRED-IT CANADA CORPORATION INC.), an Ontario corporation (the "Company").

WHEREAS, the Company previously executed that certain Short-Form Trademark Security Agreement dated November 12, 2010 in favor of Agent (the "Short-Form Trademark Security Agreement"), which was recorded with the United States Patent and Trademark Office on November 12, 2010 at reel number 4413 and frame number 0754; and capitalized terms used but not defined herein shall have the meanings given to them in the Short-Form Trademark Security Agreement.

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and adequacy of which are hereby acknowledged, Agent, on behalf of itself and the Secured Parties, hereby unconditionally and expressly releases, terminates, and extinguishes their liens on and security interests in all of the Company's right, title and interest in, to and under the Trademark Collateral, which includes:

(i) all the trademarks and service marks, whether now owned or at any time hereafter acquired, of the Company that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including (a) the trademarks and service marks listed on the attached Schedule A, and all registrations and pending applications associated therewith, and (b) all of the goodwill of the business connected with the use of, and symbolized by each such trademark, service mark, trademark registration, service mark registration, trademark application, and service mark application;

(ii) all trademark license agreements, whether written or oral, providing for the grant by or to Company of any right to use any trademark or service mark, including any of the trademark license agreements listed on the attached Schedule A; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Company against third parties for damages by reason of past, present or future unfair competition with, violation of intellectual property rights in connection with, injury to, or infringement or dilution of any trademark, service mark, trademark registration, service mark registration, trademark application or service mark application, including, without limitation, the trademarks, service marks, trademark registrations, service mark registrations, trademark applications and service mark applications listed in the attached Schedule A or by reason of injury to the goodwill associated within any such trademark, service mark, trademark registration, service mark registration, trademark application or service mark application, in each case together with the right to sue for and collect said damages.

Agent consents and agrees to execute and deliver, at the request and cost of Company, such further instruments, documents and release forms as Company may reasonably request to more effectively, release, terminate and extinguish any such liens and security interests upon such Trademark Collateral.
