**ASSIGNMENT AND ASSUMPTION AGREEMENT  
(INTANGIBLE PROPERTY)**

This Assignment and Assumption Agreement (this "Assignment") is made by and between i1 Biometrics Inc., a Delaware corporation ("Seller"), and i1 Sensortech, Inc., a Washington corporation ("Buyer"), in connection with the closing of the transactions contemplated by that certain Asset Purchase Agreement dated as of April 9, 2014, between Buyer and Seller (the "Agreement," with capitalized terms used but not defined herein having the meanings given to them in the Agreement).

In consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Buyer and Seller hereby agree as follows:

1. Upon the terms and subject to the conditions of the Agreement, Seller hereby assigns, transfers and conveys to Buyer all of Seller's rights, title and interest in and to the intangible assets and other assets of Seller, including but not limited to the intangible property set forth on Exhibit A hereto (the "Intangible and Other Assets"), free and clear of all encumbrances, together with such other rights, causes of action and remedies as may arise by operation of law, in law or equity, in connection with any of such Intangible and Other Assets.

2. Buyer hereby accepts the assignment in Section 1 hereof and, from and after the date hereof, will assume, perform, and discharge all liabilities and obligations of Seller relating to such Intangible and Other Assets.

3. This Assignment shall be governed by and construed in accordance with the laws of the State of Washington without giving effect to the conflict of laws principles thereof.

4. None of the provisions of this Assignment may be waived, changed or altered except in a signed writing by the party against whom enforcement of the same is sought.

5. Notwithstanding anything to the contrary, nothing herein is intended to, nor shall it, extend, amplify or otherwise alter the representations, warranties, covenants and obligations of the parties contained in the Agreement or the survival thereof. In the event of a conflict between the terms and conditions of this Assignment and the terms and conditions of the Agreement, the terms and conditions of the Agreement shall govern, supersede and prevail.

6. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by facsimile transmission or scanned copy and email shall constitute effective execution and delivery of this Assignment.
