INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of April 18, 2014, by and between GOGRID INVESTORS LLC (“**GGI**”) and GoGrid, LLC, a Delaware limited liability company (individually and collectively, “**Grantor**”), with reference to the following facts:

A. GGI and Grantor, as Borrower, are parties to that certain Loan and Security Agreement of even date with this Agreement (as amended, supplemented or otherwise modified from time to time, the “**Loan Agreement**”). (Capitalized terms used herein have the meaning assigned in the Loan Agreement.)

B. Pursuant to the Loan Agreement, Grantor has granted to GGI a security interest in all of the Collateral. The Collateral includes, without limitation, all of Grantor’s Intellectual Property used or held for use in Grantor’s business as currently conducted (including without limitation the Intellectual Property described herein).

Grantor agrees as follows:

1. To secure performance of all of its “**Obligations**” as defined in the Loan Agreement, Grantor grants to GGI a security interest in all of Grantor’s right, title and interest in Intellectual Property owned by Grantor, including without limitation (i) the registered trademarks and service marks or applications to register trademarks and service marks listed or required to be listed from time to time on Schedule A hereto, and all unregistered trademarks and service marks, and the entire goodwill of the business of Borrower connected with and symbolized by such trademarks (excluding any application for a trademark that would otherwise be deemed invalidated, cancelled or abandoned due to the grant of a lien thereon unless and until such time as the grant of such lien will not affect the validity of such trademark), and (ii) the patents and patent applications listed or required to be listed from time to time on Schedule B hereto and all like protections including, without limitation, all improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, (iii) all registered copyrights and mask works and applications to register copyrights or mask works listed or required to be listed from time to time on Schedule C hereto, and all extensions and renewals thereof, (iv) all domain names used in connection with its business and that of its Subsidiaries (“**Domain Names**”) listed or required to be listed from time to time on Schedule D hereto, all extensions and renewals thereof, and all rights of Grantor associated with or otherwise inuring to the benefit of Grantor in connection with such Domain Names (“**Domain Rights**”), and (v) all rights to recover for past or future infringement of any of the foregoing, and (vi) all rights and interests in and to any and all present and future license agreements with respect to any of the foregoing (excluding any rights or interests in any license agreement, if under the terms of such license agreement, or applicable Law with respect thereto, the valid grant of a Lien therein or in such assets to GGI is prohibited and such prohibition has not been or is not waived or the consent of the other party to such license agreement has not been or is not otherwise obtained), and (vii) all present and future accounts, accounts receivable and other rights to payment arising from, in connection with or relating to any of the foregoing.

2. Grantor represents and warrants that (i) listed on Schedule A hereto are all trademark registrations and pending applications owned by Grantor, (ii) listed on Schedule B are

all patents and patent applications owned by Grantor, (iii) listed on Schedule C are all registered copyrights and mask works, and applications to register copyrights and mask works owned by Grantor which are registered or filed with the United States Copyright Office, and (iv) listed on Schedule D are all Domain Names in which Grantor has any legal, contractual or equitable right.

3. Grantor shall: (a) protect, defend and maintain the validity and enforceability of Intellectual Property it owns, other than Intellectual property of immaterial business and monetary value that Grantor's executive management has made a determination not to maintain; (b) promptly advise GGI in writing of material infringements of owned Intellectual Property rights; and (c) not allow any owned Intellectual Property material to Grantor's business to be abandoned, forfeited or dedicated to the public without GGI's written consent. If, before the Obligations have been paid and/or performed in full, Grantor (i) acquires, registers or applies for registration of any trademark, service mark or trade name, (ii) applies for registration of any patent or obtains any patent or patent application; (iii) creates or acquires any published or material unpublished works of authorship material to the business that is or is to be registered with the U.S. Copyright Office or any non-U.S. equivalent or other Governmental Body; or (iv) registers or acquires any domain name or domain name rights, then the provisions of Section 1 shall automatically apply thereto, and Grantor shall provide GGI written notice thereof concurrently with delivery of Borrower's monthly compliance certificate. Grantor shall further provide GGI with all information and details relating to the foregoing and shall take such further actions as GGI may reasonably request from time to time to perfect or continue the perfection of GGI's interest in such Intellectual Property.

4. This Agreement is being executed and delivered pursuant to the Loan Agreement; nothing herein limits any of the terms or provisions of the Loan Agreement, and GGI's rights hereunder and under the Loan Agreement are cumulative. This Agreement, the Loan Agreement and the other Loan Documents set forth in full all of the representations and agreements of the parties with respect to the subject matter hereof and supersede all prior discussions, oral representations, oral agreements and oral understandings between the parties. This Agreement may not be modified or amended, nor may any rights hereunder be waived, except in a writing signed by the parties hereto; provided, however, and notwithstanding the foregoing, GGI may amend the Schedules hereto from time to time when it becomes aware of new Intellectual Property subject to this Agreement. In the event of any litigation between the parties based upon, arising out of, or in any way relating to this Agreement, the prevailing party shall be entitled to recover all of its costs and expenses (including without limitation attorneys' fees) from the non-prevailing party. This Agreement and all acts, transactions, disputes and controversies arising hereunder or relating hereto, and all rights and obligations of GGI and Grantor shall be governed by, and construed in accordance with the internal laws (and not the conflict of laws rules) of the State of California.

5. Grantor agrees that simultaneously with the execution of this Agreement, and thereafter upon any amendment of Schedule A, Schedule B, Schedule C or Schedule D, the appropriate entities constituting Grantor shall execute notices in the forms appended hereto (each, a "Notice"), as appropriate, with respect to all of the pledged Intellectual Property, now owned or hereafter acquired, and shall deliver each Notice to GGI for the purpose of recordation at the U.S. Patent and Trademark Office or the U.S. Copyright Office, or otherwise, as appropriate. Whether or not Grantor executes such a Notice reflecting new Intellectual Property,

Grantor hereby irrevocably appoints GGI as its lawful attorney-in-fact without any further authorization to file such notices, liens or other instruments as may be customary from time to time for GGI to perfect security interests in Intellectual Property owned by Grantor. With respect to the power of attorney granted in the attached Domain Rights Collateral Agreement and Notice, so long as no Event of Default has occurred and is continuing under the Loan Documents, GGI shall not take any action referenced therein in the name of Grantor.
