## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT ("IP Assignment") is made and delivered as of this 17th day of April, 2014 (the "Effective Date"), by and among Grignard Company, LLC, a New Jersey limited liability company (the "Seller") and Environmental Operating Solutions, Inc., a Delaware corporation (the "Buyer").

### RECITALS

A. Buyer and Seller are parties to that certain Asset Purchase Agreement dated April 17, 2014 (the "Purchase Agreement"). Under the terms of the Purchase Agreement, Seller has conveyed, transferred and assigned to Buyer, among other assets, certain intellectual property of Seller, and has agreed to execute and deliver this IP Assignment, for recording with governmental authorities including, but not limited to, the US Patent and Trademark Office.

B. Capitalized terms used and not defined herein shall have the meanings ascribed to such terms in the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. In consideration for the execution of the Purchase Agreement, the payment of the consideration stipulated in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Seller hereby irrevocably conveys, transfers and assigns to Buyer, and Buyer hereby accepts, all of Seller's right, title and interest in and to the following (the "Assigned IP") throughout the United States, its territories and all foreign countries: the trademark (the "Mark") and the trademark registration (the "Registration") set forth in Schedule 1 hereto, together with the goodwill of the business connected with the use of and symbolized thereby, including all rights of action and recovery for past infringement thereof, and all issuances, extensions and renewals thereof for the full term and all subsequent terms of the Registration as fully and entirely as the same would have been held and enjoyed by Seller had this IP Assignment not been made. Seller represents and warrants to Buyer, that the assignment is free and clear of any liens, encumbrances or any licenses or agreements that would restrict Buyer's ownership or use of the Mark and Registration. Seller will not oppose, attempt to oppose, cancel, attempt to cancel, object to or otherwise interfere with Buyer's use of the Mark and Registration. Seller represents and warrants that it will not use, seek to register, register or authorize others to use, seek to register or register the Mark or Registration or any other mark confusingly similar with the Mark. Seller represents and warrants that, to the best of Seller's knowledge, there is no claim or potential claim of any third party with respect to any ownership interest, claim of infringement, likelihood of confusion or unfair competition relating to the Mark or Registration.

2. Recordation and Further Actions. Seller authorizes the Commissioner for Trademarks and any other governmental officials to record and register this IP Assignment upon request by Buyer. Seller shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, to ensure that the Assigned IP is properly assigned to Buyer, or any assignee or successor thereto.

3. Terms of the Asset Purchase Agreement. The terms of the Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities relating to the Assigned IP are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

5. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

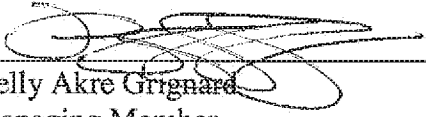

6. Governing Law. This IP Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of New Jersey, without giving effect to any choice or conflict of law provision or rule (whether of the State of New Jersey or any other jurisdiction).
