TRADEMARK ASSIGNMENT

This Trademark Assignment (this “**Assignment**”), dated as of May 20, 2014 (the “**Effective Date**”), is entered into by and between ION Geophysical Corporation, a corporation organized and existing under the Laws of the State of Delaware (the “**Assignor**”), and SEAMAP PTE LTD., a Singapore corporation (the “**Assignee**”). The Assignor and the Assignee are referred to individually in this Assignment as a “**Party**” and collectively as the “**Parties**.”

WHEREAS, pursuant to that certain Asset Purchase Agreement dated May 20, 2014, by and between the Assignor and the Assignee (as amended, the “**Asset Purchase Agreement**”), the Assignor has agreed to assign to the Assignee all of the Assignor’s right, title and interest in and to the trademark and/or service mark applications and registrations set forth on the attached Schedule 1, and all goodwill associated therewith (collectively, the “**Assigned Trademarks**”), and the Assignee desires to receive such Assigned Trademarks from the Assignor; and

WHEREAS, capitalized terms not otherwise defined herein shall have the meaning set forth in the Asset Purchase Agreement.

NOW, THEREFORE, in consideration of the recitals set forth above and the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment of Assigned Trademarks. As of the Effective Date, the Assignor hereby, absolutely and unconditionally, conveys, sells, assigns, transfers, grants and sets over unto Assignee, all of Assignor’s worldwide rights, title, interest and benefit in and to the Assigned Trademarks, including without limitation (a) all rights of any kind whatsoever of the Assignor accruing under any of the Assigned Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world; (b) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any of the foregoing; (c) all rights, claims and causes of action, both at law and in equity, whether accruing before, on or after the Effective Date, including all rights to sue, settle any claim, and collect all damages for any past, present, or future infringement, dilution, violation, misuse, breach or default, or misappropriation of the Assigned Trademarks; (d) the right to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages; and the same to be held and enjoyed by the Assignee, its successors and assigns forever, and the Assignee does hereby accept such sale, assignment, transfer, grant, conveyance and set over.

2. Recordation and Further Actions. In furtherance of the assignment of the Assigned Trademarks set forth above, the Assignor hereby authorizes and requests the U.S. Patent and Trademark Office or any foreign equivalent thereto, and any other applicable governmental officials to record and register this Assignment upon request by the Assignee. The Assignor shall take such steps and actions following the Effective Date, including the execution of any documents or other similar items, to ensure that the Assigned Trademarks are properly and fully assigned to the Assignee.

3. **Binding Effect.** This Assignment will be binding upon, and will inure to the benefit of, the Parties and their respective successors, permitted assigns and legal representatives.

4. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of Texas, without reference to that state's rules regarding choice of law.

5. **Counterparts.** This Assignment may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same instrument. Facsimile or scanned and emailed transmission of any signed original document or retransmission of any signed facsimile or scanned and emailed transmission will be deemed the same as delivery of an original. At the request of any Party, the other Party will confirm facsimile or scanned and emailed transmission by signing a duplicate original document.
