## NUNC PRO TUNC TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this "Trademark Security Agreement") is entered into *nunc pro tunc*, as of December 13, 2012, between ENDRES PROCESSING, LLC, a Delaware limited liability company ("Grantor"), and JPMORGAN CHASE BANK, NATIONAL ASSOCIATION, in its capacity as Administrative Agent (the "Administrative Agent") for the Secured Parties as defined in the Credit Agreement referred to below.

### WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated December 13, 2012 (as amended, restated, supplemented, extended, renewed or otherwise modified from time to time, the "Credit Agreement"), by and among ReConserve, Inc., a California corporation (the "Borrower"), the other Persons party thereto that are designated as a "Loan Party", financial institutions party thereto as a "Lender" (each a "Lender", and collectively, the "Lenders") and Administrative Agent, Lenders have agreed to make Loans to, and incur obligations with respect to the issuance of Letters of Credit for the benefit of, Borrower;

WHEREAS, in order to induce Administrative Agent and Lenders to enter into the Credit Agreement and other Loan Documents and to induce Lenders to make the Loans and to incur obligations with respect to the issuance of Letters of Credit as provided for in the Credit Agreement, Grantor executed and delivered to Administrative Agent, for the benefit of the Secured Parties, that certain Pledge and Security Agreement dated December 13, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantor executed and delivered to Administrative Agent, for the benefit of the Secured Parties, that certain Patent Security Agreement dated December 13, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Patent Security Agreement"); and

WHEREAS, the Patent Security Agreement inadvertently identified the trademark identified in Schedule I hereto ("Trademark") as a patent instead of a trademark, and the parties now desire to enter into this *Nunc Pro Tunc* Trademark Security Agreement, effective December 13, 2012, to correct that inadvertence;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used herein (including in the preamble and recitals hereto) but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Administrative Agent, for the benefit of the Secured Parties, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantor to Administrative Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks or service marks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give notice in writing to Administrative Agent promptly (and in any event within five (5) Business Days following its quarterly reporting requirements under the Credit Agreement) with respect to any such new trademarks for which Grantor files an application for registration with the United States Patent and Trademark Office. Without limiting Grantor's obligations under this Section 5, Grantor hereby authorizes Administrative Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Security Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by telecopy or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein to any Person shall be construed to include such Person's successors and assigns.

8. TERMINATION. This Trademark Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until (i) the Credit Agreement has terminated pursuant to its express terms and (ii) all of the Secured Obligations have been indefeasibly paid and performed in full in cash (or with respect to any outstanding Letters of Credit, a cash deposit has been delivered to the Administrative Agent as required by the Credit Agreement) and no commitments of the Administrative Agent or the Lenders which would give rise to any Secured Obligations are outstanding.
