ASSIGNMENT

Nunc Pro Tunc

THIS *NUNC PRO TUNC* ASSIGNMENT, by Millennium Laboratories, Inc., having a principal place of business at 16981 Via Tazon, San Diego, California 92127, United States of America (hereinafter referred to as "the Assignor"), respectively, witnesseth:

WHEREAS, the Assignor owns certain new and useful improvements in the following Patents, Trademarks and Copyrights listed in Exhibits A, B and C (the "Intellectual Property"), respectively.

WHEREAS, Millennium Laboratories, LLC, having a principal place of business at 16981 Via Tazon, San Diego, California 92127, United States (hereinafter referred to as the "Assignee), desires to acquire the entire right, title, and interest in and to said Intellectual Property, the right to file applications on said Intellectual Property and the entire right, title and interest in and to any applications for the Intellectual Property of the United States or other countries claiming priority to said Intellectual Property, and in and to any Letters Patent or Patents, Trademarks and Copyrights, United States or foreign, to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents do sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and to the above-mentioned Intellectual Property, the right to file applications on said Intellectual Property and the entire right, title and interest in and to any applications for Letters Patent, Trademarks or Copyright of the United States or other countries claiming priority to said applications, and any and all Letters Patent or Patents, Trademarks and Copyrights of the United States of America and all foreign countries that may be granted therefore and thereon, and in and to any and all applications claiming priority to said Intellectual Property, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives, and assigns, to the full end of the term or terms for which the Intellectual Property may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, Assignor does hereby sell, assign, and transfer to Assignee, its successors and assigns, its entire right, title and interest in and to the copyrights in any of the works indicated in Exhibit C and any registrations and copyright applications relating thereto and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the works, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing throughout the world;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to the Intellectual Property, above-mentioned, and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said Intellectual Property, or any proceeding in connection with the Intellectual Property in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said Intellectual Property, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or

required to be done for the procurement, maintenance, enforcement, and defense of the Intellectual Property, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;
