All interested persons and entities have been afforded a full, fair and reasonable opportunity to (i) conduct due diligence investigations, (ii) submit bids and to submit higher or otherwise better bids to purchase the Acquired Assets, and (iii) object or be heard with respect to the Motion and the relief granted by this Order. E. The Buyer is the Successful Bidder (as defined in the Bidding Procedures) for the Acquired Assets in accordance with the Bidding Procedures Order and the consideration provided by the Buyer under the Agreement constitutes the highest or otherwise best offer and provides fair and reasonable consideration to the Debtors for the sale of all the Acquired Assets and the assumption of all Assumed Liabilities. The Buyer has complied in all respects with the Bidding Procedures Order and any other applicable order of this Court in negotiating and entering into the Agreement, and the sale and the Agreement likewise comply with the Bidding Procedures Order and any other applicable order of this Court.

Notice

F. As evidenced by the affidavits of service and publication previously filed with the Court, proper, timely, adequate, and sufficient notice of the Motion, the Auction, the Sale Approval Hearing, the sale of the Acquired Assets (the "Sale"), and the assumption and assignment of the Designated Assumed Contracts has been provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, and

9014, all applicable Local Rules, and in compliance with the Bidding Procedures Order. Such notice was good, sufficient, and appropriate under the particular circumstances, and no other or further notice of the Motion, the Auction, the Sale Approval Hearing, the Sale, the assumption and assignment of the Designated Assumed Contracts, or entry of this Order is required.

G. Actual written notice of the Motion, the Auction, the Sale Approval Hearing, the Sale, and the potential assumption and assignment of the Contracts (as defined below), and a fair and reasonable opportunity to object or otherwise be heard with respect to the Motion, the Sale and the relief granted by this Order has been afforded to all interested parties, including, without limitation, (i) the Office of the United States Trustee for the District of Delaware (the "United States Trustee"), (ii) counsel for the Official Committee of Unsecured Creditors (the "Creditors' Committee"), (iii) all known creditors of the Debtors, (iv) any entity known or reasonably believed to have asserted an interest in or lien, charge, encumbrance or other interest against any of the Acquired Assets, (v) all counterparties to the Contracts, (vi) any entity that has expressed a *bona fide* interest in acquiring the Acquired Assets in the six (6) months preceding the date of the Motion, (vii) all taxing authorities having jurisdiction over any of the Acquired Assets, including the Internal Revenue Service, (viii) the Securities and Exchange Commission, (ix) the United States Environmental Protection Agency, (x) any applicable state environmental agency, (xi) the United States Department of Justice, (xii) the United States Attorney's office, (xiii) the Attorneys General in any State or Commonwealth where the Acquired Assets are located, and (xiv) all parties that have requested notice pursuant to Bankruptcy Rule 2002.

H. The Debtors published notice of the Sale, the deadline to submit bids for the Acquired Assets, the time and place of the Auction, the time and place of the Sale Approval Hearing, and the time for filing an objection to the Sale or the Motion, in *USA Today* on

November 7, 2012, and in *The New York Times* on November 7, 2012. Such publication notice was good, sufficient, and proper notice to any interested parties whose identities are unknown to the Debtors.

I. On November 16, 2012, the Debtors served individualized notices (the "Cure Notices") of the potential assumption and assignment of the executory contracts and unexpired leases of the Debtors capable of being assumed by the Debtors and assigned to the Buyer, as set forth on the Initial Annex B (collectively, the "Contracts"), on the counterparties to such Contracts, which notice included (i) the Contracts that could potentially be assumed and assigned, (ii) the name of the counterparties to such Contracts, (iii) the amount, if any, determined by the Debtors to be necessary to be paid as of the date of the Cure Notices upon the assumption of the Contracts, to the extent such Contracts become Designated Assumed Contracts (the "Cure Amounts"), and (iv) the deadline by which any counterparty to any of the Contracts must object to the possible assumption by the Debtors and assignment to the Buyer of the Contracts, to the extent such Contracts become Designated Assumed Contracts. The service of such Cure Notices was good, sufficient, and appropriate under the particular circumstances and no other or further notice of the assumption and assignment of the Contracts, to the extent such Contracts become Designated Assumed Contracts, or the applicable Cure Amounts is required. Each counterparty to the Contracts has had an opportunity to object to the assumption by the Debtors and the assignment to the Buyer of the Contracts, to the extent such Contracts become Designated Assumed Contracts, and to the applicable Cure Amounts set forth in the Cure Notices.

J. On November 19, 2012, the Debtors filed under seal the Initial Annex B with the Court, and served the following parties with a copy: (i) counsel to the Buyer, (ii) the United States Trustee, (iii) counsel to the Creditors' Committee, (iv) counsel to the Required

Prepetition Lenders, and (v) counsel to the DIP Agent. On December 5, 2012, the Debtors filed under seal an amendment to the Initial Annex B.

K. On November 26, 2012 [D.I. 333], the Debtors served notice of the selection of the Buyer as the Successful Bidder for the Acquired Assets and cancellation of the Auction on (i) the United States Trustee, (ii) counsel for the Creditors' Committee, (iii) all known creditors of the Debtors, (iv) any entity known or reasonably believed to have asserted an interest in or lien, charge, or encumbrance against any of the Acquired Assets, (v) all counterparties to the Contracts, (vi) any entity that has expressed a *bona fide* interest in acquiring the Acquired Assets in the six (6) months preceding the date of the Motion, (vii) all taxing authorities having jurisdiction over any of the Acquired Assets, including the Internal Revenue Service, (viii) the Securities and Exchange Commission, (ix) the United States Environmental Protection Agency, (x) any applicable state environmental agency, (xi) the United States Department of Justice, (xii) the United States Attorney's office, (xiii) the Attorneys General in any State or Commonwealth where the Acquired Assets are located, (xiv) all parties that have requested notice pursuant to Bankruptcy Rule 2002, and (xv) all Qualified Bidders (as defined in the Bidding Procedures).

Highest or Otherwise Best Offer

L. The offer of Buyer, upon the terms and conditions set forth in the Agreement, including the form and total consideration to be realized by the Debtors pursuant to the Agreement (i) is the highest and/or best offer received by the Debtors, (ii) is fair and reasonable, (iii) is in the best interests of the Debtors' creditors and estates, and (iv) constitutes fair value, fair, full and adequate consideration, reasonably equivalent value and reasonable market value for the Acquired Assets.

Corporate Authority

M. The Debtors have full corporate power and authority to execute and deliver the Agreement and all other documents contemplated thereby, including, without limitation, the Transition Services Agreement, and the Sale has been duly and validly authorized by all necessary corporate action of each of the Debtors, and upon entry of this Order the Debtors shall have full corporate power and authority to consummate the transactions contemplated by the Agreement. Except as otherwise set forth in the Agreement, no further consents or approvals are required for the Debtors to consummate the transactions contemplated by the Agreement.

Good Faith Purchaser

N. The Buyer is purchasing the Acquired Assets in good faith, and is a "good faith purchaser" within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to the full protection of that provision and any other applicable or similar bankruptcy and non-bankruptcy law. The Buyer has at all times acted in good faith and will continue to act in good faith within the meaning of section 363(m) of the Bankruptcy Code in closing the Sale. Neither the Buyer nor any of Buyer's affiliates is an "insider" of any of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code.

Arm's-Length Sale

O. The Agreement was negotiated, proposed, and entered into by the Debtors and the Buyer without collusion, in good faith, and from arm's-length bargaining positions. Neither the Debtors nor the Buyer have engaged in any conduct that would cause or permit the avoidance of the Sale or the Agreement or the imposition of costs or damages under section 363(n) of the Bankruptcy Code.

Business Justification

P. The Debtors have demonstrated good, sufficient and sound business reasons and compelling circumstances to enter into the Agreement, sell the Acquired Assets, and assume and assign the Designated Assumed Contracts under sections 363 and 365 of the Bankruptcy Code, and such actions are appropriate and reasonable exercises of the Debtors' business judgment and in the best interests of the Debtors, their estates and creditors, and all other parties in interest. Such business reasons include, but are not limited to, the facts that (i) there is substantial risk of deterioration of the value of the Acquired Assets if the Sale is not consummated quickly, (ii) the Agreement constitutes the highest and/or best offer for the Acquired Assets, (iii) no other person or entity or group of persons or entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer, and (iv) the Sale pursuant to the terms of the Agreement presents the best opportunity to realize the value of the Debtors and avoid decline and devaluation of the Debtors' businesses. The Debtors' determination that the Agreement constitutes the highest and/or best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

Q. The terms and conditions of the Agreement, including the consideration to be realized by the Debtors pursuant to the Agreement, are fair and reasonable, and the transactions contemplated by the Agreement are in the best interests of the Debtors, their estates and creditors, and all other parties in interest. Approval of the Motion, the Agreement, the Sale, the assumption and assignment of the Designated Assumed Contracts, and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

No Fraudulent Transfer

R. The consideration provided by the Buyer for the Acquired Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest and/or best offer for the Acquired Assets, (iii) will provide a greater recovery for the Debtors' estates and creditors than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, any other laws of the United States, and the laws of any state, territory, possession, and the District of Columbia.

S. The Buyer is not a mere continuation of the Debtors or their estates, there is no continuity or common identity between the Buyer and any of the Debtors, and there is no continuity of enterprise between the Buyer and any of the Debtors. The Buyer is not holding itself out to the public as a continuation of any of the Debtors. The Buyer is not a successor to any of the Debtors or their estates and the Sale does not amount to a consolidation, merger, or *de facto* merger of the Buyer with or into any of the Debtors. Neither entry into the Agreement nor the Sale of the Acquired Assets to the Buyer is being undertaken for the purpose of escaping liability for any of the Debtors' debts or hindering, delaying, or defrauding the Debtors' present or future creditors under the Bankruptcy Code, any other laws of the United States, or the laws of any state, territory, possession, or District of Columbia.

DIP Payoff Amount

T. As set forth in that certain *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Secured Super-Priority Financing Pursuant to 11 U.S.C. §§ 361, 362, 363(c), 363(e), 364(d)(1) and 364(e) and (B) Utilize Cash Collateral of Certain Prepetition Secured Parties, (II) Authorizing the Repayment in Full of Amounts Owed Under the Prepetition Senior Secured Revolving Credit Facility, (III) Granting Priming Liens, Priority Liens and Superpriority Claims to the DIP Lenders, (IV) Granting Adequate Protection to Certain*

Prepetition Senior Secured Parties, (V) Scheduling a Final Hearing pursuant to Bankruptcy Rules 4001(b) and (c), and (VI) Granting Related Relief [D.I. 203] (the “Final DIP Order”) and that certain Senior Secured Priming and Superpriority Debtor-In-Possession Credit Agreement, by and among, inter alia, the Debtors, General Electric Capital Corporation (“GE Capital”) as administrative agent and collateral agent (in such capacities, the “DIP Agent”) and the lenders party thereto (including GE Capital, collectively, the “DIP Lenders”), in substantially the form attached as Exhibit A to the Final DIP Order (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “DIP Credit Agreement”), and any related documents required to be delivered by or in connection with the DIP Credit Agreement (collectively, the “DIP Credit Documents”), the DIP Agent and the DIP Lenders are secured creditors of the Debtors, holding valid liens, claims, interests and encumbrances in, on and against the Debtors, their estates and property of the estates, arising in connection with the DIP Credit Documents, and under which the DIP Agent and the DIP Lenders hold a claim, not subject to subordination and otherwise unavoidable in these chapter 11 cases and any subsequent chapter 7 cases, against the Debtors for principal, accrued interest, reimbursable fees and expenses and rights with respect to the cash collateralization of issued and outstanding letters of credit (each of the foregoing, as of the Closing Date) plus interest, fees and reimbursable expenses accrued after the Closing Date and while the obligations under the DIP Credit Documents remain outstanding (collectively, the “DIP Payoff Amount”).

Free and Clear

U. Except as otherwise expressly provided in the Agreement or this Order, the Acquired Assets shall be sold free and clear of all interests, obligations, rights, encumbrances, pledges, liens (including, without limitation, mechanics’, materialmens’, and other consensual and non-consensual liens and statutory liens), mortgages, deeds of trust,

security interests, claims (including, any "claim" as defined in section 101(5) of the Bankruptcy Code), liabilities, debt obligations, losses, penalties, leases, charges, offsets, contracts, options, rights of first refusal, rights of first offer, rights of first sale, rights of notice, easements, servitudes, proxies, voting trusts or agreements, transfer restrictions under any agreement, conditional sale or other title retention agreements, judgments, hypothecations, demands, licenses, sublicenses, assignments, indentures, loan agreements, instruments, debts, rights of recovery, guaranties, contractual commitments, restrictions, recoupment, labor and employment rights and claims, employee benefit agreements and obligations, collective bargaining agreements and obligations, pension rights and claims, claims based on reimbursement, contribution, indemnity, exoneration, products liability, tortious conduct, property damage, personal injury, alter-ego or taxes, claims based on pension plan contributions and related liabilities, environmental liabilities or obligations (including, without limitation, toxic tort claims), options to purchase, regulatory violations, decrees of any court or foreign or domestic governmental entity, charges of any kind or nature, debts arising in any way in connection with any agreements, acts, or failures to act, reclamation claims, obligation claims and Excluded Liabilities, in each case, of whatever kind, nature, or description in, against or with respect to any of the Acquired Assets, the Debtors, or the Business having arisen, existed, or accrued prior to and through the Closing Date, whether direct or indirect, absolute or contingent, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, material or non-material, disputed or undisputed, known or unknown, matured or unmatured, liquidated or unliquidated, arising or imposed by agreement, understanding, law, equity, statute, or otherwise, and whether arising prior to, on or after the Petition Date, including claims or liabilities otherwise arising under doctrines of successor liability, *de facto* merger or substantial continuity or liabilities or obligations arising under any

Law or Decree (other than Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities, collectively, "Interests").

V. The Buyer is not a continuation of the Debtors or their respective estates and there is no continuity between the Buyer and the Debtors. The Buyer is not holding itself out to the public as a continuation of the Debtors or their respective estates and the Sale does not amount to a consolidation, merger or de facto merger of the Buyer and the Debtors.

W. The transfer of the Acquired Assets to the Buyer free and clear of all Interests will not result in any undue burden or prejudice to any holders of any Interests as such Interests shall attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors, including any amounts ultimately distributed to the Debtors from the Working Capital Escrow Deposit and Transfer Tax Escrow (each as defined and provided for in the Agreement, collectively, the "Escrowed Funds") but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement, in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets and subject to any claims and defenses the Debtors, their estates, or other parties may possess with respect to such Interests. For the avoidance of doubt, nothing contained in the Agreement, including, without limitation, Section 6(f)(v), regarding the allocation of the Initial Purchase Price, shall prejudice any party's right to submit valuation evidence in support of its claim against the Debtors' estates.

X. The Debtors may sell the Acquired Assets free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. All holders of Interests who did not object or who withdrew their objections to the Sale or the Motion are deemed to have consented to the Sale and the relief requested in the Motion pursuant to section 363(f)(2) of the Bankruptcy Code. All

other holders of Interests, including those who maintained and did not withdraw objections to the Sale or the Motion, if any, fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code, including, without limitation, section 363(f)(5) of the Bankruptcy Code because such holders could be compelled in a legal or equitable proceeding to accept a money satisfaction on account of such Interests, and are adequately protected by having their Interests, if any, attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors (including any amounts ultimately distributed to the Debtors from the Escrowed Funds but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement), in which such holders allege Interests, in the same order of priority, with the same validity, force and effect that such holders had prior to the Sale, subject to any claims and defenses the Debtors, their estates, or other parties may possess with respect to such Interests. For the avoidance of doubt, nothing contained in the Agreement, including, without limitation, Section 6(f)(v), regarding the allocation of the Initial Purchase Price, shall prejudice any party's right to submit valuation evidence in support of its claim against the Debtors' estates.

Y. The Buyer would not have entered into the Agreement and will not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates, creditors, and other parties in interest, if the Sale and the assumption and assignment of the Designated Assumed Contracts were not free and clear of all Interests, or if the Buyer, its affiliates, or their respective officers, directors or shareholders, or the Acquired Assets, would, or in the future could, be liable for any such Interests, or would have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or equity, or by payment, setoff, or otherwise, directly or indirectly, any Interests, including rights or claims based on any successor or transferee liability.

Z. Not selling the Acquired Assets free and clear of all Interests would adversely impact the Debtors' efforts to maximize the value of their estates, and the Sale of the Acquired Assets other than one free and clear of all Interests would be of substantially less benefit to the Debtors' estates.

Validity of Transfer

AA. The consummation of the Agreement and the Sale is legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b) and 365(f), and all of the applicable requirements of such sections have been complied with in respect of the transactions contemplated under the Agreement.

BB. The Acquired Assets constitute property of the Debtors' estates and good and indefeasible title to the Acquired Assets is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code, and no other person has any ownership right or ownership interest therein or title thereto.

CC. Pursuant to the terms of the Agreement, the Buyer is not acquiring any of the Excluded Assets.

DD. The transfer of the Acquired Assets to the Buyer under the Agreement will be a legal, valid and effective transfer of all of the legal, equitable and beneficial right, title and interest in and to the Acquired Assets free and clear of all Interests. The Debtors may sell their interests in the Acquired Assets free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f) has been satisfied. The transfer of the Acquired Assets to the Buyer will vest the Buyer with good and marketable title to the Acquired Assets.

Designated Assumed Contracts

EE. The assumption and assignment of the Designated Assumed Contracts (as such Designated Assumed Contracts may be amended, supplemented or otherwise modified prior to assumption and assignment without further order of the Court and with the consent of the Debtors, the contract counterparty and the Buyer) free and clear of Interests pursuant to the terms of this Order is integral to the Agreement and is in the best interests of the Debtors, their estates and creditors, and all other parties in interest, and represents a reasonable exercise of the Debtors' sound and prudent business judgment.

FF. Pursuant to the terms of the Agreement, on or before the Closing Date, the Debtors shall have: (i) cured or provided adequate assurance of cure of, any monetary default existing as of and including the Closing Date under any of the Designated Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code, and (ii) provided compensation, or adequate assurance of compensation, to any party for actual pecuniary loss to such party resulting from a monetary default existing as of and including the Closing Date under any of the Designated Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code.

GG. The Buyer has demonstrated adequate assurance of its future performance under the Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. Pursuant to section 365(f) of the Bankruptcy Code, the Designated Assumed Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Buyer notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

Compelling Circumstances for an Immediate Sale

HH. To maximize the value of the Acquired Assets, preserve the viability of the business to which the Acquired Assets relate, and avoid deterioration, erosion of value, and uncertainty with respect to the future operation of the Acquired Assets, it is essential that the Sale of the Acquired Assets occur within the time constraints set forth in the Motion, the Bidding Procedures Order, and the Agreement. Time is of the essence in consummating the Sale. Accordingly, there is cause to waive the stay contemplated by Bankruptcy Rules 6004 and 6006.

II. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the approval and consummation of the Sale prior to, and outside of, a chapter 11 plan. The Sale pursuant to the Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating chapter 11 plan for the Debtors, and therefore, does not constitute a *sub rosa* plan.

JJ. Given all of the circumstances of these cases and the adequacy and fair value of the Purchase Price under the Agreement, the Sale of the Acquired Assets to the Buyer constitutes a reasonable and sound exercise of the Debtors' business judgment.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

General Provisions

1. The Motion is granted and approved as provided in this Order. The Motion complies with all provisions of Local Rule 6004-1 other than those previously waived by the Court.

2. All objections and responses, if any, to the Sale or the Motion that have not been withdrawn, waived, settled, or continued by agreement of the parties, and all reservations of rights included in such objections and responses, are overruled on the merits and

denied with prejudice. All persons and entities given notice of the Motion that failed to timely object thereto, including, without limitation, all non-debtor parties to any Contracts, are deemed to have consented to the relief sought therein.

3. This Court's findings of fact and conclusions of law set forth in the Bidding Procedures Order are incorporated in this Order by reference.

Approval of the Agreement

4. The Agreement and all other ancillary documents, including, without limitation, the Transition Services Agreement, and all of the terms and conditions of the Agreement and such other ancillary documents, including, without limitation, the Transition Services Agreement, are approved in all respects.

5. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors are authorized and directed (i) to take any and all actions necessary or appropriate to execute and deliver, perform under, consummate, implement, and effectuate the Agreement together with any and all instruments and documents, including, without limitation, the Transition Services Agreement, that may be reasonably necessary or desirable to implement and effectuate the terms of the Agreement, this Order, and the Sale, and to take all further actions as may be reasonably requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer, or reducing to possession, the Acquired Assets, free and clear of all Interests, and the Assumed Liabilities, (ii) to assume and assign the Contracts designated as Designated Assumed Contracts on the Final Annex B to the Buyer on the Closing Date pursuant to the terms of the Agreement, and (iii) to take any and all actions as may be necessary or appropriate to the performance of the Debtors' obligations as contemplated by the Agreement, without any further corporate action or order of this Court. For the avoidance of doubt, nothing in this Order authorizes, or shall be deemed to authorize, the Debtors to use the Escrowed Funds

prior to the time (if any) that the Escrowed Funds are disbursed in accordance with the terms of the Agreement, and then only to the extent actually received by the Debtors.

Transfer of the Acquired Assets

6. Except as otherwise expressly provided in the Agreement or this Order, pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, the Debtors are authorized and directed to transfer the Acquired Assets to the Buyer on the Closing Date pursuant to the terms and conditions of the Agreement and this Order free and clear of all Interests, with all such Interests to attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors (including any amounts ultimately distributed to the Debtors from the Escrowed Funds but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement), in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets and subject to any claims and defenses the Debtors, their estates or other parties may possess with respect to such Interests.

7. The transfer of the Acquired Assets to the Buyer will be, as of the Closing Date, a legal, valid, binding and effective transfer of the Acquired Assets, and, except as otherwise expressly provided in the Agreement or this Order, shall vest the Buyer with all right, title, and interest of the Debtors in and to the Acquired Assets free and clear of all Interests accruing, arising, or relating to such Acquired Assets any time prior to and through the Closing Date. Except as otherwise expressly provided in the Agreement or this Order, the Buyer shall not assume or become liable for any Interests relating to the Acquired Assets, provided, however, that the Buyer shall not be relieved of liability with respect to Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities.

8. To the fullest extent permitted under applicable law, the Buyer shall be authorized, as of the Closing Date, to operate under any license, Permit, registration and governmental authorization or approval of the Debtors with respect to the Acquired Assets or the Business, and all such licenses, Permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date, provided however, that nothing in the Agreement or this Order shall authorize the transfer of a permit or license without governmental approval where applicable nonbankruptcy law requires governmental approval of such transfer; provided further, that the foregoing is not intended to modify the protections provided by section 525 of the Bankruptcy Code to the extent applicable.

9. Except as expressly permitted or otherwise specifically provided by the Agreement or this Order, all persons and entities (including, but not limited to, all debt security holders, equity security holders, affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants, and other creditors) and their respective successors and assigns holding Interests in all or any portion of the Acquired Assets arising under or out of, in connection with, or in any way relating to the Debtors, the Acquired Assets, the operation of the Business prior to and including the Closing Date or the transfer of the Acquired Assets to the Buyer, are hereby forever barred, estopped, and permanently enjoined from asserting such Interests against the Buyer, its successors and assigns, and their property, including, without limitation, the Acquired Assets. Following the Closing, no holder of any Interest shall interfere with Buyer's title to or use and enjoyment of the Acquired Assets based on or related to any such Interest, or based on any action the Debtors may take in their Chapter 11 Cases.

10. On the Closing Date, each holder of an Interest is authorized and directed to execute such documents and take all other actions as may be necessary to release such Interest, if any, as provided for in this Order, as such Interests may have been recorded or may otherwise exist.

11. Upon consummation of the transactions contemplated in the Agreement, the Buyer shall be authorized to file termination statements or lien terminations in any required jurisdiction to remove any record, notice filing, or financing statement recorded to attach, perfect, or otherwise notice any lien or encumbrance that is extinguished or otherwise released pursuant to this Order under section 363 and the related provisions of the Bankruptcy Code.

12. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Acquired Assets to the Buyer in accordance with the terms of the Agreement and this Order.

13. All persons and entities that are in possession of some or all of the Acquired Assets on the Closing Date are directed to surrender possession of such Acquired Assets to the Buyer on the Closing Date.

14. A certified copy of this Order may be filed with any appropriate clerk and/or recorded with any appropriate recorder to act to cancel any of the Interests of record in the Acquired Assets and to resolve any title issues with respect to the Acquired Assets.

15. If any person or entity which has filed statements or other documents or agreements evidencing Interests with respect to all or any portion of the Acquired Assets shall not have delivered to the Debtors prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary or desirable to the Buyer for the

purpose of documenting the release of all Interests that the person or entity has or may assert with respect to all or any portion of the Acquired Assets, the Debtors and the Buyer are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of such person or entity with respect to the Acquired Assets.

16. This Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease, and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

17. This Order shall be effective as a determination that, as of the Closing, (i) no Interests (other than Assumed Liabilities) will be capable of being asserted against the Buyer or any of its respective assets (including the Acquired Assets), (ii) the Acquired Assets shall have been transferred to the Buyer free and clear of all Interests and (iii) the conveyances described herein have been effected.

Assumption and Assignment of Designated Assumed Contracts

18. Unless otherwise agreed to with the applicable Contract counterparty, each of the Contracts identified on the Cure Notices and the Initial Annex B to the Agreement, an amended copy of which has been filed with the Court under seal [D.I. 416], constitutes an executory contract or unexpired lease under section 365 of the Bankruptcy Code that is capable

of being assumed by the Debtors and assigned to the Buyer at the Closing, and all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of the Designated Assumed Contracts have been satisfied.

19. At any time prior to the date that is five (5) days prior to the Closing Date, the Buyer may, by written notice to the Debtors, remove from the Initial Annex B any Contract that the Buyer elects not to have assumed by the Debtors and assigned to the Buyer at the Closing, and such Contract shall thereafter be deemed an Excluded Asset. The Initial Annex B, as so amended and modified prior to the date that is five (5) days prior to the Closing Date so as to constitute the final list of Designated Assumed Contracts (defined as the "Final Annex B" in the Agreement), shall be filed with the Bankruptcy Court under seal no later than four (4) days prior to the Closing Date, with a separate notice served on the counterparties to each of the Designated Assumed Contracts so designated on the Final Annex B, advising such counterparty of the assumption and assignment of its Contract effective upon the Closing Date.

20. Except as otherwise expressly provided in the Agreement or this Order, upon the Closing Date, pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, the Debtors are authorized and directed to (i) assume each of the Designated Assumed Contracts, as designated on the Final Annex B, and assign the Designated Assumed Contracts to the Buyer free and clear of all Interests, and (ii) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign the Designated Assumed Contracts to the Buyer.

21. Unless otherwise agreed to with the applicable Contract counterparty or upon further order of the Court, the Cure Amounts set forth on the Initial Annex B, together with any additional amounts as may be due and owing under the applicable Designated Assumed Contracts from and after the date of the Cure Notices and through the Closing Date (the

“Additional Cure Amounts”), are the sole amounts necessary to be paid upon the assumption of the Designated Assumed Contracts under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code and the payment of the applicable Cure Amounts and Additional Cure Amounts by the Debtors shall, subject to the terms of the Agreement, (i) effect a cure of all defaults existing under the Designated Assumed Contracts as of and including the Closing Date, and (ii) compensate the counterparties to the Designated Assumed Contracts for any actual pecuniary loss resulting from all defaults existing under the Designated Assumed Contracts as of and including the Closing Date. Upon the payment of the Cure Amounts and the Additional Cure Amounts, if any, the Designated Assumed Contracts will remain in full force and effect, and no default shall exist under the Designated Assumed Contracts nor shall there exist any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default. The Cure Amounts shall not be subject to further dispute or audit, including any based on performance prior to the Closing Date, irrespective of whether such Designated Assumed Contract contains an audit clause. After the payment of the Cure Amounts and the Additional Cure Amounts by the Debtors, neither the Debtors nor the Buyer shall have any further liabilities to the counterparties to the Designated Assumed Contracts other than the Buyer’s obligations under the Designated Assumed Contracts that accrue and become due and payable on or after the Closing Date. The Court shall hold a hearing on January 23, 2013 at 10:00 a.m. (EST) to consider any unresolved objections to Cure Amounts, or such other date as agreed between the Debtors and the applicable counterparty.

22. Any provisions in any Designated Assumed Contract that prohibit or condition the assignment of such Designated Assumed Contract or allow the counterparty to such Designated Assumed Contract to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon the assignment of such Designated

Assumed Contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to Buyer of the Designated Assumed Contracts have been satisfied.

23. Upon the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy Code, (i) the Buyer shall be fully and irrevocably vested with all right, title, and interest of the Debtors under the Designated Assumed Contracts, (ii) the Buyer shall be deemed to be substituted for the Debtors as a party to the applicable Designated Assumed Contracts, and (iii) the Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Designated Assumed Contracts.

24. The Buyer has provided adequate assurance of future performance under the Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code.

25. There shall be no rent accelerations, assignment fees, increases, or any other fees charged to the Buyer or the Debtors as a result of the assumption and assignment of the Designated Assumed Contracts. The validity of the assumption and assignment of the Designated Assumed Contracts to the Buyer shall not be affected by any dispute between any of the Debtors or their affiliates and any counterparty to any Designated Assumed Contract regarding the payment of any amount, including any Cure Amount or Additional Cure Amount under the Bankruptcy Code. Upon assignment to the Buyer, the Designated Assumed Contracts shall be valid and binding, in full force and effect, and enforceable by the Buyer in accordance with their respective terms.

26. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, all counterparties to the Designated Assumed Contracts are hereby forever barred and permanently

enjoined from (i) raising or asserting against the Debtors or the Buyer any assignment fee, default, acceleration, breach, claim, pecuniary loss, or condition to assignment arising under or related to the Designated Assumed Contracts existing as of and including the Closing Date or arising by reason of the closing of the Sale, including any breach related to or arising out of change-of-control provisions in such Designated Assumed Contracts, or any purported written or oral modification to the Designated Assumed Contracts, and (ii) asserting against Buyer (or its property, including the Acquired Assets) any claim, counterclaim, defense, breach, condition or setoff asserted or capable of being asserted against the Debtors existing as of the Closing Date or arising by reason of the Closing.

27. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Designated Assumed Contract shall not be a waiver of such terms or conditions, or of the Buyer's rights to enforce every term and condition of the Designated Assumed Contracts.

28. Any party that may have had the right to consent to the assignment of a Designated Assumed Contract is deemed to have consented to such assignment for purposes of section 365(e)(2)(A)(ii) of the Bankruptcy Code and otherwise if such party failed to object to the assumption and assignment of such Designated Assumed Contract.

29. Notwithstanding anything to the contrary in this Order, no Designated Assumed Contracts shall be assumed and assigned to Buyer until the Closing.

No Successor or Transferee Liability

30. Except as otherwise expressly provided in the Agreement or this Order, the Buyer shall not have any liability or other obligation of the Debtors arising under or related to any of the Acquired Assets or the Business except with respect to Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities. Without limiting the generality of the

foregoing, and except as otherwise specifically provided in the Agreement or this Order, the Buyer shall not be liable for any Interests, claims or liabilities against the Debtors or any of its predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, any theory of antitrust, environmental (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), products liability, successor or transferee liability, labor law, *de facto* merger or substantial continuity, whether known or unknown as of and including the Closing Date, now existing or hereafter arising, whether asserted or unasserted, fixed or contingent, liquidated or unliquidated with respect to the Debtors or any obligations of the Debtors arising prior to and including the Closing Date, including, but not limited to, liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of the Business or any of the Acquired Assets prior to and including the Closing Date. For the avoidance of doubt, except to the extent expressly included in the Assumed Liabilities, the Buyer shall have no liability or obligation under any Multiemployer Plan (as defined in the Agreement), any Employee Benefit Plan (other than any Assumed Benefit Plan but only to the extent expressly provided in the Agreement), the WARN Act (as defined in the Agreement), the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA"), COBRA (as defined in the Agreement), the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964 (as amended), the Age Discrimination and Employment Act of 1967 (as amended), the Federal Rehabilitation Act of 1973 (as amended), the NLRA (or other collective bargaining laws) or any foreign, federal, state or local law or regulation of similar import or otherwise by virtue of Buyer's purchase of the Acquired Assets or assumption of the Assumed Liabilities by Buyer. Further for the avoidance of doubt, (i) Buyer is not assuming, and shall have no liability for, arising under or relating to COBRA with respect to any Employee Benefit

Plan and any and all such liability shall be an Excluded Liability and (ii) Buyer is not assuming, and shall have no liability for, arising under or relating to any Multiemployer Plan for any liability relating to a "complete withdrawal" or "partial withdrawal" (as respectively defined in Sections 4203 and 4205 of ERISA), or other pension plan (within the meaning of Section 3(2) of ERISA) that is subject to Title IV of ERISA or Section 412 or 430 of the Code and any and all such Liability shall be an Excluded Liability. The Buyer has given substantial consideration under the Agreement for the benefit of the holders of any Interest. The consideration given by the Buyer shall constitute valid and valuable consideration for the releases of any potential claims of successor liability of the Buyer, which releases shall be deemed to have been given in favor of the Buyer by all holders of Interests.

31. Upon the Closing Date and except as otherwise expressly provided in the Agreement and this Order, all persons and entities are hereby forever prohibited and permanently enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Buyer, its successors and assigns, or the Acquired Assets, with respect to any (i) Interest arising under, out of, in connection with or in any way relating to the Debtors, the Buyer, the Acquired Assets, the Business or the operation of the Acquired Assets or the Business prior to and including the Closing Date or (ii) successor or transferee liability, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding against the Buyer, its successors or assigns, assets, or properties, (b) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order against the Buyer, its successors or assigns, assets or properties, (c) creating, perfecting, or enforcing any Interest against the Buyer, its successors or assigns, assets, or properties, (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Buyer or its successors or

assigns, or (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect of this Order and such other orders.

Good Faith of Buyer

32. The transactions contemplated by the Agreement are undertaken by the Buyer and the Debtors without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided in this Order to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Designated Assumed Contracts), unless such authorization and consummation of such Sale are duly stayed pending such appeal.

33. Neither the Debtors nor the Buyer have engaged in any action or inaction that would cause or permit the Sale to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code. The consideration provided by the Buyer for the Acquired Assets under the Agreement is fair and reasonable and the sale may not be avoided under section 363(n) of the Bankruptcy Code.

Related Relief

34. Upon the Closing Date, the Debtors are authorized and directed to pay, or cause to be paid, to the DIP Agent and the DIP Lenders the DIP Payoff Amount by wire transfer of immediately available funds to the bank account designated by the DIP Agent in full and final satisfaction of the Debtors' obligations under the DIP Documents (other than those obligations which by their terms survive termination thereof). For the avoidance of doubt, the Escrowed Funds shall not be available to pay off the DIP Payoff Amount, or for any other use by the Debtors, prior to the time (if any) that the Escrowed Funds, are disbursed in accordance with the terms of the Agreement, and then only to the extent actually received by the Debtors.

35. Upon the Closing Date, the Debtors are authorized and directed to pay, or cause to be paid, in the ordinary course of business, all claims arising from the sale of goods in the ordinary course of business on or after the Petition Date (to the extent not previously paid or satisfied) from the proceeds of the Sale, other than those proceeds necessary to satisfy the DIP Payoff Amount and fund the Escrowed Funds.

36. To the extent any of the Debtors' assets located in the state of Texas securing prepetition ad valorem taxes due and owing to the Carrollton-Farmers Branch Independent School District, Dallas County, and Harris County (the "Texas Tax Authorities") are sold to the Buyer, upon the Closing Date, other than those proceeds necessary to satisfy the DIP Payoff Amount and fund the Escrowed Funds, proceeds of the Sale in the amount of \$175,000 shall be set aside by the Debtors in a segregated account as adequate protection for the asserted secured claims of the Texas Tax Authorities (the "Texas Segregated Proceeds"). The liens of the Texas Tax Authorities shall attach to the Texas Segregated Proceeds to the same extent, priority, and validity as the liens they now hold against the property of the Debtors. The Texas Segregated Proceeds shall constitute adequate protection, and shall not constitute allowance of the asserted claims of the Texas Tax Authorities, nor a cap on the amounts they may be entitled to receive on account of the asserted claims. Furthermore, the asserted claims and liens of the Texas Tax Authorities shall remain subject to any objections any party would otherwise be entitled to raise or assert as to the priority, validity or extent of such liens. These funds may be distributed upon agreement between the Texas Tax Authorities and the Debtors, subject to further order of the Court, duly noticed to the Texas Tax Authorities. For the avoidance of doubt, to the extent the Closing occurs on or after January 1, 2013, all 2013 tax liens of the Texas Tax Authorities shall be Permitted Liens (as defined in the relevant credit

documents) and shall specifically be retained and attach to the proceeds, other than the proceeds necessary to satisfy the DIP Payoff Amount and fund the Escrowed Funds.

37. Nothing in this Order limits or impairs Goss International America, Inc.'s ("Goss") right to assert a claim or lien with respect to the proceeds of the equipment subject to that certain Purchase and Security Agreement dated April 22, 2010 between the Debtors and Goss. To the extent that any claims or liens asserted by Goss are valid and enforceable, Goss' rights to the proceeds of the Sale are reserved, other than those proceeds necessary to satisfy the DIP Payoff Amount and fund the Escrowed Funds. Any asserted claims and liens of Goss shall remain subject to any objections any party would otherwise be entitled to raise or assert as to the priority, validity or extent of such liens, and this language shall not constitute allowance of the asserted claims or liens of Goss.

38. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in (i) these Chapter 11 Cases, (ii) any subsequent chapter 7 case into which any such Chapter 11 Case may be converted, or (iii) any related proceeding subsequent to entry of this Order, shall conflict with or derogate from the provisions of the Agreement or the terms of this Order.

39. Notwithstanding the possible applicability of Bankruptcy Rules 6004, 6006, 7062, 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry. The Debtors are not subject to any stay in the implementation, enforcement, or realization of the relief granted in this Order, and may, subject to the terms and conditions of the Agreement, and in their discretion and without further delay, close the transactions contemplated under the Agreement and take any action and perform any act authorized under this Order.

40. Buyer shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies under the Agreement or any other sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence, provided however that this Court shall retain exclusive jurisdiction over any and all disputes with respect thereto.

41. Nothing in this Order or the Agreement releases, nullifies, precludes, or enjoins the enforcement of any liability to a governmental unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of Closing.

42. Nothing in this Order or the Agreement releases, nullifies, precludes or enjoins the enforcement of any liability to a governmental unit under police and regulatory statutes or regulations that any entity would be subject to as the lessee of property after the date of entry of this Order.

43. Subject to Paragraph 41 of this Order, nothing in this Order or in the Agreement nullifies, impairs or limits any rights, remedies and entitlements under or relating to: (i) the Remediation Agreement between the New Jersey Department of Environmental Protection (the "NJDEP") and Webcraft, LLC ("Webcraft"), signed on September 28, 2007, in ISRA Case No. E20070128 ("Remediation Agreement"), for remediation of environmental contamination at the real property located at 1980 US Highway 1 in New Brunswick, New Jersey (the "Property") and owned by 1980 US Hwy 1, LLC ("1980 US"), and any letter of credit provided to NJDEP in connection with the remediation of such environmental contamination; and (ii) the Post-Closing Agreement between 1980 US and Webcraft, dated September 28, 2007, any guaranty of performance by Vertis, Inc. under that agreement, and any letter of credit

provided to 1980 US in connection with the remediation of such environmental contamination, or imposes any obligations on the Buyer under or in respect of such agreements.

44. Nothing in this Order or in the Agreement diminishes, limits or precludes or impairs any liabilities, duties or obligations of any of the Debtors, or any bankruptcy trustee(s) that may be appointed for any or all such Debtor(s), to comply with any police and regulatory statutes or regulations, including without limitation Environmental Laws (as defined in the Agreement), as debtor(s), debtor(s) in possession and/or trustee(s), as the case may be, under the Bankruptcy Code.

45. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale.

46. Except as otherwise expressly provided in the Agreement, there are no brokers involved in consummating the Sale and no brokers' commissions are due. Buyer is not and will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transaction contemplated by the Agreement based upon any arrangement made by or on behalf of the Debtors.

47. Any and all claims of the Buyer against the Debtors or their estates arising under the Transition Services Agreement, including, without limitation, for any and all amounts due or that become due to the Buyer for services rendered on or after the date of this Order and for claims, obligations or damages owed to the Buyer pursuant to the Transition Services Agreement, including any claims for breach of the Transition Services Agreement, shall be afforded administrative expense status pursuant to section 503(b)(1) of the Bankruptcy Code, without the need for the Buyer to file any claim or application with, or obtain any order from, this Court, provided that the Debtors' rights to dispute any such claims are reserved, and the Court shall retain jurisdiction to adjudicate any disputes relating to such claims.

48. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred, assigned or conveyed to Buyer on account of the filing or pendency of these Chapter 11 Cases or the consummation of the Sale.

49. The Buyer shall have no obligation to proceed with Closing unless and until all conditions precedent to its obligations to do so, as set forth in the Agreement, have been met, satisfied or waived in accordance with the terms of the Agreement.

50. The failure specifically to include any particular provision of the Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Agreement be authorized and approved in its entirety.

51. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof, without further order of this Court; provided, that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates; provided further, that in no event shall such modification, amendment, or supplement (except with respect to modifications, amendments or supplements to the Agreement that are required or expressly permitted pursuant to the terms and conditions thereof) be adverse to the lenders under the Term Loan or the ABL unless consented to by the respective administrative agent.

52. The terms and provisions of the Agreement and this Order shall be binding in all respects upon the Debtors, their respective affiliates, estates and creditors, all holders of equity interests in any of the Debtors, all holders of any Interest, all counterparties to any Designated Assumed Contract, all interested parties in the Chapter 11 Cases and their respective successors and assigns, the Buyer and its successors and assigns, and any trustees, if any, subsequently appointed in any of the Debtors' Chapter 11 Cases or upon a conversion to

chapter 7 under the Bankruptcy Code of any of the Debtors' cases. This Order and the Agreement shall inure to the benefit of the Debtors, their estates and creditors, the Buyer, and their respective successors and assigns.

53. This Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Agreement, all amendments to this Order and the Agreement, any waivers and consents under this Order and the Agreement, and each of the agreements executed in connection with this Order and the Agreement to which the Debtors are a party or which has been assigned by the Debtors to the Buyer, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Agreement, the Sale, or this Order. This Court retains jurisdiction to compel delivery of the Acquired Assets, to protect the Buyer and its assets, including the Acquired Assets, against any Interests and successor and transferee liability and to enter orders, as appropriate, pursuant to sections 105, 363 or 365 (or other applicable provisions) of the Bankruptcy Code necessary to transfer the Acquired Assets and the Designated Assumed Contracts to Buyer.

54. Each and every federal, state, and local governmental agency or department is directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement and this Order.

55. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

56. To the extent that this Order is inconsistent with any prior order or pleading with respect to the Motion in these Chapter 11 Cases, the terms of this Order shall govern.

57. To the extent there are any inconsistencies between the terms of this Order and the Agreement (including all ancillary documents executed in connection this Order and the Agreement), the terms of this Order shall govern.

58. The provisions of this Order are nonseverable and mutually dependent.

(s) Disclosure. Except for the express representations and warranties contained in this Section 3, neither Parent nor any other Person makes (and Buyer is not relying upon) any other express or implied representation or warranty with respect to Sellers, the Business, the Acquired Assets (including the value, condition or use of any Acquired Asset), the Assumed Liabilities or the transactions contemplated by this Agreement, in the Related Agreements (except for any express representations and warranties contained in any such Related Agreements) or in any other agreement, document or instrument to be delivered in connection herewith or therewith, and Parent disclaims any other representations or warranties, whether made by Parent, any Affiliate of Parent or any of their respective officers, directors, employees, agents or Representatives. (c) Noncontravention. Subject to receipt of any consents required by the HSR Act and the expiration or earlier termination of all waiting periods thereunder, neither the execution and delivery of this Agreement or the Related Agreements, nor the consummation of the transactions contemplated in this Agreement or the Related Agreements will (i) conflict with or result in a breach of the certificate of incorporation or bylaws or other organizational documents of Buyer or Guarantor, (ii) violate any Law or Decree to which Buyer or Guarantor is, or its respective Assets or properties are, subject, or (iii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate,

Subject to receipt of any consents required by the HSR Act and the expiration or earlier termination of all waiting periods thereunder, neither Buyer nor Guarantor is required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Entity or third party in order for the Parties to consummate the transactions contemplated by this Agreement.

(g) Condition of the Business. Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Parent in Section 3 hereof (as modified by the Disclosure Schedule hereto as supplemented or amended pursuant to Section 5(m)), and Buyer acknowledges and agrees that, except for the representations and warranties contained therein, the Acquired Assets and the Business are being transferred on a "where is" and, as to condition, "as is" basis. Buyer further represents that neither Sellers nor any of their Affiliates nor any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding Sellers or any of their Affiliates, the Business or the transactions contemplated by this Agreement not expressly set forth in this Agreement, and none of Sellers, any of their Affiliates or any other Person will have or be subject to any liability to Buyer or any other Person, absent fraud any willful misconduct, resulting from the distribution to Buyer or its Representatives or Buyer's use of, any such information, including any confidential memoranda distributed on behalf of Sellers relating to the Business or other publications or data room information provided to Buyer or its Representatives, or any other document or information in any form provided to

Buyer or its Representatives in connection with the sale of the Business and the transactions contemplated hereby. Buyer acknowledges that it has conducted to its satisfaction its own independent investigation of the Business and, in making the determination to proceed with the transactions contemplated by this Agreement, Buyer has relied on the results of its own independent investigation.

(h) Adequate Assurances Regarding Executory Contracts. Each of Buyer and Guarantor is and will be capable of satisfying the conditions contained in Sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assumed Contracts.

Section 5. Pre-Closing Covenants. The Parties agree as follows with respect to the period between the execution of this Agreement and the Closing (except as otherwise expressly stated to apply to a different period):

(a) Commercially Reasonable Efforts; Cooperation. Subject to the approval of the Bankruptcy Court and except as otherwise set forth herein (including in Sections 5(n)(i) and 5(n)(ii)), each of the Parties will (and Parent shall cause the Selling Affiliates to) use its commercially reasonable efforts to take all action and to do all things necessary in order to consummate and make effective the transactions contemplated by this Agreement at the earliest practicable date (including satisfaction, but not waiver, of the conditions to the obligations of the Parties to consummate the transactions contemplated in this Agreement set forth in Section 7).

requirements or limitations under the DIP Facility and the Budget, except (v) as set forth on Schedule 5(c), (w) as otherwise expressly provided for in this Agreement (including Section 5(h) hereof), (x) as required by Law or by Final Order, (y) in connection with a Permitted Restructuring Transaction, or (z) with the prior written consent of Buyer (which consent shall not be unreasonably withheld, delayed or conditioned). Without limiting the generality of the foregoing, but subject to the limitations set forth in clauses (v) through (z) in the preceding sentence, from the Agreement Date until the earlier of the termination of this Agreement in accordance with its terms or the Closing Date, subject to any applicable orders of the Bankruptcy Court and the Budget, Parent shall (and Parent shall cause the Selling Affiliates to):

(vi) not sell, lease, transfer, license, alienate, waive, cancel or dispose of any Acquired Asset except for immaterial amounts of personal property sold or otherwise disposed of in the Ordinary Course of Business;

(vii) use commercially reasonable efforts to transfer, assign, record or perfect in its name good title to any Acquired Assets (other than as noted on Schedule 5(c)(vii) to the Disclosure Schedule) that is not presently held or recorded in its name;

(viii) not merge or consolidate with or into any legal entity, dissolve, liquidate, or otherwise terminate its existence;

(ix) not subject any of the Acquired Assets to any Lien (other than Permitted Liens or any Lien under the DIP Facility, to the extent applicable);

(x) not materially modify or amend any Assumed Contract (including to add or provide for any Extraordinary Provision) or modify, waive, release or assign any material rights or claims thereunder, in each case whether in connection with any extension, renewal or replacement of such Assumed Contract, or otherwise;

(xiv) not otherwise materially alter the terms of any accounts payable or accounts receivable outside the Ordinary Course of Business;

(xv) not (A) reject or terminate any Contract related to the Business or seek Bankruptcy Court approval to do so, or (B) fail to use commercially reasonable efforts to oppose any action by a third party to terminate (including any action by a third party to obtain Bankruptcy Court approval to terminate) any Contract related to the Business; provided that, prior to the Closing Date, Sellers may reject or terminate any Contract related to the Business (Y) that is both not material to the Business and is readily replaceable (and so replaced) at not more than the same cost, without disruption to the operation of the Business and otherwise on terms and conditions consistent with such rejected or terminated Contract, following consultation with Buyer regarding such rejection or termination, or (Z) after the Bankruptcy Court enters the Bidding Procedures Order, to the extent Buyer is provided written notice of any Seller's intention to reject or terminate any Contract (other than an Undisclosed Contract) at least five (5) Business Days prior to the filing of any motion with the Bankruptcy Court seeking to reject such Contract, and Buyer does not provide Parent written notice of its election to either (I) designate such Contract as an Assumed Contract within such five (5) Business Day period, or (II) reimburse such Seller for all reasonable costs incurred by Seller to

maintain such Contract until Buyer elects to designate, or not designate, such Contract as an Assumed Contract;

(xvi) With respect to any Acquired Asset and except to the extent required in connection with the DIP Order, not (A) agree to allow any form of relief from the automatic stay in the Chapter 11 Cases; or (B) fail to use reasonable best efforts to oppose any action by a third party to obtain relief from the automatic stay in the Chapter 11 Cases;

(xvii) except for in the Ordinary Course of Business, as currently in place or as set forth on the Disclosure Schedule, or as contemplated pursuant to this Agreement, not (A) increase or modify the compensation or benefits payable or to become payable to any Transferred Employee, (B) enter into, establish, adopt, amend, terminate or fund any Employee Benefit Plan, in respect of any present or former officer or employee or other similar service provider of or to the Sellers or their Affiliates, or (C) grant, pay, accrue or become liable to any present or former officer, employee or other similar service provider of or to the Sellers for any bonus, profit-sharing, incentive, severance, retirement, insurance, death, fringe benefit, retention, "change in control" or other extraordinary compensation (except for accruals under the terms of an Employee Benefit Plan as in effect on the Agreement Date);

(xviii) not take any action inconsistent with this Agreement, the Bidding Procedures, the Bidding Procedures Order or with the consummation of the transactions contemplated hereby;

(xix) refrain from making any capital expenditures outside of the Ordinary Course of Business, but in any event not to exceed, in the aggregate, \$7,500,000, other than emergency repairs;

(xx) except as required by GAAP, not make any change in accounting methods, principles or practices, with respect to Taxes or otherwise;

(xxi) not voluntarily pursue or seek a conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code and/or the appointment of a trustee under chapter 11 or chapter 7 of the Bankruptcy Code; and

(xxii) not enter into a legally enforceable contract or agreement requiring it to do anything prohibited by this Section 5(c).

Notwithstanding anything contained in this Agreement to the contrary, in accordance with the Cash Management Order, Parent and the Selling Affiliates shall be permitted to maintain through the Closing Date the cash management systems of Parent and the Selling Affiliates as currently conducted by Parent and the Selling Affiliates, and periodically settle intercompany balances consistent with past practices (including through dividends and capital contributions). Nothing contained in this Agreement shall give Buyer, directly or indirectly, rights to control or direct the operations of the Business prior to the Closing Date.

(d) No Solicitation of Alternative Transactions until Entry of Bidding Procedures Order.

(i) Solely during the period commencing on the Agreement Date and continuing until the earlier of (x) the date the Bankruptcy Court has entered the Bidding Procedures Order and (y) the termination of this Agreement in accordance with its terms, Parent shall not, and shall cause the Selling Affiliates and its and their respective Representatives not to, and shall use its commercially reasonable efforts to cause its other Affiliates, equity holders and holders of funded indebtedness and their respective Representatives not to (it being understood that Parent has no power or ability to control or otherwise direct the actions of its other Affiliates, equity holders and holders of funded indebtedness and their respective Affiliates) directly or indirectly, (A) solicit, initiate, encourage, facilitate, respond to, or take any other action designed to solicit an agreement or understanding with any person (other than Buyer and its Affiliates and Representatives) concerning any transaction (or series of transactions) involving the direct or indirect sale, transfer or other disposition of any Acquired Assets (including through the sale of a majority of the outstanding equity interests of, or any merger of consolidation with, any Seller, or pursuant to any plan of reorganization or liquidation, or other financial and/or corporate restructuring of any Seller, or any similar transaction involving any or all of the Sellers) or any other transaction involving any Seller or Acquired Assets that could reasonably be expected to materially impede, interfere with or delay the consummation of, or materially alter the anticipated economic consequences of, the transactions contemplated hereby (an "Alternative Transaction"), (B) enter into negotiations with respect to, or execute, any letter of intent, agreement in principle, acquisition agreement or other agreement related to an Alternative Transaction, or (C) furnish non-public information to any person or entity with respect to an Alternative Transaction. Following entry of the Bidding Procedures Order, other than pursuant to and in compliance with the terms and conditions of the Bidding Procedures Order, in no event may Parent or its Selling Affiliates (or any of their respective Representatives) initiate contact with, or solicit or encourage submission of any inquiries, proposals or offers by, any Person (other than Buyer and its Affiliates, agents and Representatives) with respect to an Alternative Transaction or accept an offer or proposal from any Person (other than Buyer and its Affiliates, agents and Representatives) with respect to an Alternative Transaction.

(ii) If an Auction is conducted, and Buyer is not the prevailing party at the conclusion of such Auction (such prevailing party, the "Successful Bidder"), Buyer shall be required to serve as the back-up bidder if Buyer is the next highest or otherwise best bidder at the Auction (such party that is the next highest or otherwise best bidder at the Auction, the "Back-Up Bidder") and, if Buyer is the Back-Up Bidder, Buyer shall, notwithstanding Section 8(a)(x), be required to keep its bid to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) open and irrevocable until the expiration of the Outside Back-Up Date, whereupon, except as provided in the immediately succeeding sentence, and absent Buyer's written agreement to extend the Outside Back-Up Date, this Agreement shall be deemed terminated pursuant to Section 8(a)(x) and Buyer shall be immediately entitled to the Expense

Reimbursement and Break-Up Fee, all to be paid in accordance with the terms and conditions of Section 8(c). Notwithstanding the foregoing, following the Auction, if the Successful Bidder fails to consummate the applicable Alternative Transaction prior to the expiration of the Outside Back-Up Date as a result of a breach or failure to perform on the part of such Successful Bidder, and Parent provides notice to Buyer in writing of such failure before the expiration of the Outside Back-Up Date, then, if Buyer is the Back-Up Bidder, this Agreement shall not be deemed terminated pursuant to Section 8(a)(x) and Buyer will be deemed to have the new prevailing bid, and Sellers will be authorized, without further order of the Bankruptcy Court, to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) with Buyer; provided, however, for the avoidance of doubt, in addition to, and not in lieu of, Buyer's rights pursuant to Section 8 (including Buyer's right to terminate this Agreement pursuant to Section 8(a)(iv) or Section 8(a)(x) and to receive all applicable remedies pursuant to Section 8(c)), in the event that this Agreement is thereafter terminated by Buyer pursuant to Section 8(a)(ii) (solely as a result of the conditions set forth in Sections 7(a)(iii) or (viii) becoming incapable of fulfillment other than as a result of a breach by Buyer), Parent shall (and shall cause the Selling Affiliates to), within two (2) Business Days after such termination, pay to Buyer the Expense Reimbursement.

(e) Notice of Developments. To the extent legally permissible, from the Agreement Date until the Closing, each of Parent and Buyer will give prompt written notice (the "Development Notice") to the other Party of (i) the existence of any fact or circumstance, or the occurrence of any event, which could be reasonably likely to cause a condition to a Party's obligations to consummate the transactions contemplated in this Agreement as set forth in Section 7, not to be satisfied as promptly as practicable, and (ii) the receipt of any notice or other communication from any Governmental Entity in connection with the transactions contemplated by this Agreement (such occurrence, event, or circumstance, including the reasonably foreseeable consequences thereof, a "Development"); provided, however, that the delivery of any Development Notice pursuant to this Section 5(e) shall not be deemed to amend or supplement this Agreement, and the failure to deliver any Development Notice shall not constitute a waiver by any Party of any right or condition to the consummation of the transactions contemplated in this Agreement. If the notifying Party certifies (the "Development Certification") to the receiving Party that such Development has caused or will cause a condition to the receiving Party's obligations to consummate the transactions contemplated in this Agreement as set forth in Section 7 not to be satisfied, and that the receiving party is therefore entitled to terminate this Agreement pursuant to the applicable provisions of Section 8 without any Liability whatsoever (which, for the avoidance of doubt, means that with respect to Buyer, if Buyer were to terminate following receipt of a Development Notice, Buyer would be entitled to retain the Deposit) and the receiving Party fails to exercise its right to terminate this Agreement within the period of thirty (30) Business Days referred to in Section 8(a)(ii) or Section 8(a)(iii), as applicable, the Development Notice will be deemed to have amended the Disclosure Schedules, to have qualified the representations and warranties of such Party, and to have cured any misrepresentation or breach of warranty that otherwise might have existed hereunder by reason of the Development, provided, however, that notwithstanding any such amendment, qualification or cure, the underlying Development included in such Development Notice may still form the basis of a right to terminate pursuant to the applicable provisions of Section 8 to the

extent that additional occurrences, events or circumstances exist or occur that, when taken together with the Development described in such Development Notice, would give rise to a right to terminate this Agreement pursuant to the applicable provisions of Section 8.

(f) Access.

(i) Prior to the Closing, Parent shall (and shall cause the Selling Affiliates to), upon reasonable advance written request by Buyer, permit Buyer and its Representatives to have reasonable access during normal business hours, and in a manner so as not to interfere with normal business operations or violate any Law, to all premises, properties, personnel, Records and Contracts of the Business for the purpose of evaluating and reviewing the Business, the Acquired Assets and Assumed Liabilities; provided, however, that, for avoidance of doubt, the foregoing shall not require any Party to waive, or take any action with the effect of waiving, its attorney-client privilege or any confidentiality obligation to which it is bound with respect thereto or take any action in violation of applicable Law. Except in response to a request contemplated by the first sentence of this Section 5(f)(i), during the period from the Agreement Date and ending on the Closing Date, Buyer shall not, and shall cause its Representatives not to, contact any customers, suppliers or licensors of the Business in connection with, or pertaining to, the Business or any subject matter of this Agreement, except with the prior written consent of Parent, which consent shall not be unreasonably withheld, delayed or conditioned.

(ii) All information obtained pursuant to Section 5(f)(i) shall be subject to the terms and conditions of the Confidentiality Agreement.

(g) Press Releases and Public Announcements. Prior to the Closing, no Party shall issue any press release or make any public announcement relating to the existence or subject matter of this Agreement without the prior written approval of the other Parties; provided, however, that any Party may make any public disclosure it believes in good faith is required by applicable Law (including the Bankruptcy Code) or the rules of any stock exchange on which such Party's securities are traded (provided that the disclosing Party shall use all commercially reasonable efforts to consult with the non-disclosing Party with respect to the text thereto prior to making the disclosure).

(h) Bankruptcy Court Matters.

(i) This Agreement is subject to approval by the Bankruptcy Court and the consideration by Parent and the Bankruptcy Court of higher or better Competing Bids. From and after the date of entry of the Bidding Procedures Order by the Bankruptcy Court and until the earlier of: (i) the consummation of the transactions contemplated by this Agreement and (ii) the conclusion of any bid process described in the Bidding Procedures Order, Parent is permitted to (a) cause their Representatives and Affiliates to initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Buyer and its Affiliates, agents and Representatives) in connection with any sale or other disposition of Parent, any Selling Affiliate, the Acquired Assets and/or the Business and (b) respond to any inquiries or offers to purchase all or any part of the Acquired Assets or the Business and perform any and all

other acts related thereto which are required under the Bankruptcy Code or other Law, including supplying information relating to the Business and the Assets of Parent and its Subsidiaries to prospective buyers in accordance with the terms of the Bidding Procedures.

(ii) Parent shall (and shall cause the Selling Affiliates to) use commercially reasonable efforts to pursue the entry of the Bidding Procedures Order and the Sale Order. Parent shall (and shall cause the Selling Affiliates to) use commercially reasonable efforts to comply (or obtain an order from the Bankruptcy Court waiving compliance) with all requirements under the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules in connection with obtaining approval of the Bidding Procedures Order and the Sale Order.

(iii) Buyer agrees that it will promptly take such actions as are reasonably requested by Parent to assist in obtaining entry of the Bidding Procedures Order, the Sale Order and any other order of the Bankruptcy Court reasonably necessary to consummate the transactions contemplated by this Agreement, including furnishing declarations, affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing adequate assurance of future performance by Buyer with respect to the Assumed Contracts, providing necessary assurances of performance by Buyer under this Agreement and demonstrating that Buyer is a "good faith" purchaser under section 363(m) of the Bankruptcy Code; provided, however, in no event shall Buyer or Parent be required to agree to any amendment of this Agreement.

(iv) As promptly as practicable following the execution of this Agreement (but no later than Three (3) Business Days after the Agreement Date), Parent shall (and shall cause the Selling Affiliates to) file the Sale Motion with the Bankruptcy Court, including all supporting pages, and shall use commercially reasonable efforts to have the Bankruptcy Court enter the Bidding Procedures Order within twenty-five (25) days from the Commencement Date, subject to the availability of the Bankruptcy Court (and only to the extent permitted by the relevant provisions of the Bankruptcy Rules and Local Bankruptcy Rules).

(v) Parent acknowledges and agrees that Buyer has expended considerable time and expense in connection with this Agreement, and the negotiation thereof, and the identification and quantification of Assets to be included in the Acquired Assets. In consideration thereof, the Sale Motion shall include a request from Sellers that the Bankruptcy Court approve the Expense Reimbursement and Break-Up Fee, as set forth in Section 5(d) and Section 8(c) hereof, as administrative priority expenses under sections 503(b) and 507(a)(1) of the Bankruptcy Code pursuant to the Bidding Procedures Order.

(vi) Parent shall (and shall cause the Selling Affiliates to) use commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Sale Order no later than sixty (60) days after the Commencement Date (or as soon thereafter as the Bankruptcy Court's schedule permits in the event that Sellers timely moved the Bankruptcy Court to enter the Sale Order by the aforementioned deadline).

(vii) Parent shall (and shall cause the Selling Affiliates to) provide Buyer with copies of all motions, applications, pleadings, notices, proposed orders and other documents relating to the Acquired Assets, this Agreement or the transactions contemplated therein, at least two (2) Business Days prior to the filing thereof with the Bankruptcy Court, unless the exigencies of time prevent the period from being that long, so as to allow Buyer to provide reasonable comments for incorporation into same.

(viii) In the event the Sale Order is appealed, Buyer shall, and, subject to the Budget, Parent shall (and shall cause the Selling Affiliates to), use their respective commercially reasonable efforts to defend such appeal at their own cost and expense.

(ix) Parent further covenants and agrees that, after the entry of the Sale Order, the terms of any liquidation plan it submits to the Bankruptcy Court, or any other court for confirmation or sanction, shall not conflict with, supersede, abrogate, nullify or restrict the terms of this Agreement, or in any way prevent or interfere with the consummation or performance of the transactions contemplated by this Agreement.

(i) Bulk Transfer Laws. Buyer acknowledges that Sellers will not comply with the provisions of any bulk transfer laws of any jurisdiction in connection with the transactions contemplated by this Agreement, and hereby waives all claims related to the non-compliance therewith.

(j) Cure Amounts. Parent shall (and Parent shall cause the Selling Affiliates to) transfer and assign all Assumed Contracts to Buyer or an Affiliate of Buyer designated by Buyer, and Buyer or such designated Affiliate of Buyer shall assume all Assumed Contracts from Sellers, as of the Closing Date pursuant to section 365 of the Bankruptcy Code and the Sale Order. As promptly as practicable following the Agreement Date, Buyer and Parent shall (and Parent shall cause the Selling Affiliates to) use commercially reasonable efforts to cooperate and determine the amounts required to cure all defaults under each Assumed Contract so as to permit the assumption and assignment of each such Assumed Contract pursuant to section 365 of the Bankruptcy Code in connection with the transactions contemplated by this Agreement (as ultimately approved or determined by the Bankruptcy Court, the "Cure Amounts"). In connection with the assignment and assumption of the Assumed Contracts, (a) Parent shall (and Parent shall cause the Selling Affiliates to), pursuant to the Sale Motion, or with respect to any Post-Sale Hearing Contracts or Undisclosed Contracts, by separate motion to the Bankruptcy Court, move to assume and assign to Buyer the Assumed Contracts and will provide notices thereof to the Assumed Contract counterparties and all other parties in accordance with all applicable Bankruptcy Rules and Local Bankruptcy Rules, (b) Buyer shall be liable for any Cure Amounts required under the Assumed Contracts to extent of the Buyer Payable Cure Cap, which liability Buyer shall satisfy by paying to Parent an amount equal to the Buyer Payable Cure Cap pursuant to Section 2(g)(ii)(F)(2); provided, however, Sellers shall be liable for all Cure Amounts to the extent that such Cure Amounts exceed the Buyer Payable Cure Cap, and Sellers shall be responsible for paying all Cure Amounts, either out of the Initial Purchase Price or the Buyer Payable Cure Cap, provided that Sellers shall have no liability for or obligation to pay any Cure Amounts with respect to any Contract (other than Contracts related to the Media Related Payables) with any supplier of goods and services to the Business, and (c) Buyer or its designated Affiliate shall be responsible for demonstrating and establishing adequate assurance

of future performance before the Bankruptcy Court with respect to any of the Assumed Contracts. For the avoidance of doubt, neither Buyer nor any Affiliate of Buyer shall have any liability for any Cure Amounts related to any Assumed Contract except as provided in this Section 5(i) or Section 2(c).

(k) Transition Real Property.

(i) With regard to any Owned Real Property that is not included in the Acquired Owned Property as of the Closing Date, upon written notice from Buyer to Parent delivered not later than ten (10) Business Days prior to the Closing (the "Real Estate Option Notice"), Buyer shall be entitled to designate any or all of such Owned Real Property that Buyer elects to use and occupy subsequent to the Closing in order to transition from such Owned Real Property (such designated Owned Real Property being referred to as the "Transition Real Property"). With respect to such Transition Real Property, the Real Estate Option Notice shall set forth the name and/or address of the applicable Transition Real Property and the term for which Buyer elects to use and occupy such Transition Real Property subsequent to the Closing, provided, however, that in all events the term for which Buyer shall be entitled to use any Transition Real Property shall not exceed nine (9) months following the Closing (each such term, as applicable, the "Owned Property Term").

(ii) With respect to any Transition Real Property designated as such by Buyer in the Real Estate Option Notice, Buyer's and Sellers' respective rights and obligations in respect of such Transition Real Property shall be as set forth in the Transition Services Agreement, which shall, among other things, provide that (A) Buyer shall be granted a license for the exclusive use and occupancy of the applicable Transition Real Property in the same general manner and for the same general purposes as previously used by Sellers prior to the Closing in connection with the operation of the Business, subject to the rights of Sellers to market the Transition Real Property during the Owned Property Term, and dispose of the Transition Real Property at any time following the Owned Property Term, provided that such marketing does not unreasonably interfere with Buyer's use of the Transition Real Property during the Owned Property Term; (B) Sellers shall, at Buyer's sole cost and expense, continue to maintain the applicable Transition Real Property in good working order during the applicable Owned Property Term, subject to reasonable wear and tear, provided that Buyer shall be liable for all reasonable, out of pocket, third party costs and expenses actually incurred by Sellers in respect of such Transition Real Property arising from Buyer's use and occupancy of such Transition Real Property during such Owned Property Term; and (C) Sellers shall not, during the Owned Property Term applicable to any such Transition Real Property, sell, transfer, lease, encumber or otherwise interfere with Buyer's use and occupancy of such Transition Real Property, or Buyer's conduct of its business at such Transition Real Property; provided, that Sellers have the right to market the Transition Real Property during the Owned Property Term, and dispose of the Transition Real Property at any time following the Owned Property Term, provided that such marketing does not unreasonably interfere with Buyer's use of the Transition Real Property during the Owned Property Term.

(iii) With regard to any Leased Real Property that is not included in the Acquired Leased Property as of the Closing Date, upon written notice from Buyer to Parent delivered not later than ten (10) Business Days prior to the Closing (the "Leased Property Option Notice"), Buyer shall be entitled to designate any or all of such Leased Real Property (except for any Leased Real Property with respect to which (A) a Seller has been compelled to make a determination to assume or reject the corresponding lease pursuant to section 365(d)(2) of the Bankruptcy Code and (B) the corresponding lease has been deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code, provided that the applicable Seller shall not support, and shall use commercially reasonable efforts to contest, any motion to compel such Seller to make a determination to assume or reject the corresponding lease) that Buyer elects to use and occupy subsequent to the Closing in order to transition from such Leased Real Property (such designated Leased Real Property being referred to as the "Transition Leased Property"); provided that Buyer shall be liable for (1) all costs, claims, expenses, fees, and other payments resulting from Sellers' compliance with this Section 5(k)(iii) and (2) all reasonable costs and expenses actually incurred by Sellers in respect of such Transition Leased Property arising from Buyer's use and occupancy of such Transition Leased Property. With respect to such Transition Leased Property, the Leased Property Option Notice shall set forth the name and/or address of the applicable Transition Leased Property and the term for which Buyer elects to use and occupy such Transition Leased Property subsequent to the Closing, provided, however, that in all events the term for which Buyer shall be entitled to use any Transition Leased Property shall not extend beyond the earlier of (X) the nine (9) month anniversary of the Closing and (Y) the date on which (1) the corresponding lease is rejected by the relevant Seller as a result of such Seller being compelled to make a determination to assume or reject the corresponding lease pursuant to section 365(d)(2) of the Bankruptcy Code or (2) the corresponding Lease has been deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code, provided, in each case, that the applicable Seller shall not support, and shall use commercially reasonable efforts to contest, any motion to compel such Seller to make a determination to assume or reject the corresponding lease (each such term, as applicable, the "Leased Property Term").

(iv) With respect to any Transition Leased Property designated as such by Buyer in the Leased Property Option Notice (except for any Leased Real Property with respect to which (A) a Seller has been compelled to make a determination to assume or reject the corresponding lease pursuant to section 365(d)(2) of the Bankruptcy Code and (B) the corresponding lease has been deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code, provided that the applicable Seller shall not support, and shall use commercially reasonable efforts to contest, any motion to compel such Seller to make a determination to assume or reject the corresponding lease), Buyer's and Sellers' respective rights and obligations in respect of such Transition Leased Property shall be as set forth in the Transition Services Agreement, which shall, among other things, provide that (A) Buyer has the exclusive right to use and occupy the applicable Transition Leased Property in the same general manner and for the same general purposes as previously used by Sellers prior to the Closing in connection with the operation of the Business, subject to the rights of Sellers to market the Transition Leased Property during the Leased Property Term, and dispose of the Transitioned Leased Property at any time following the

Leased Property Term, provided that such marketing does not unreasonably interfere with Buyer's use of the Transition Leased Property during the Leased Property Term; (B) Buyer shall perform, on behalf of Sellers, all obligations of Sellers under the applicable lease in respect of each Transition Leased Property, including payment of all amounts and costs and expenses for the applicable Leased Property Term in accordance with the terms and conditions of the applicable lease; (C) Sellers shall not, during the Leased Property Term applicable to any Transition Leased Property, seek to terminate, otherwise assign or sublet, or reject the applicable lease in the Chapter 11 Cases, and, with respect to the assumption and assignment of any leases in respect of the Transition Leased Property, Parent shall (and shall cause the Selling Affiliates to), at Buyer's request, seek any extension of time to assume or reject any lease of any designated Transition Leased Property available to Sellers under Section 365 of the Bankruptcy Code in order to accommodate Buyer's use and occupancy of such Transition Leased Property as provided herein and/or under the Transition Services Agreement, including using commercially reasonable efforts to seek the consent of any applicable landlord, to the extent required; provided, that Sellers have the right to market the Transition Leased Property during the Leased Property Term, and dispose of the Transition Leased Property at any time following the Leased Property Term, provided that such marketing does not unreasonably interfere with Buyer's use of the Transition Leased Property during the Leased Property Term; and (D) Sellers shall not support, and shall use commercially reasonable efforts to contest, any motion to reject any such Transition Leased Property by the applicable landlord; provided that Buyer shall be liable for (1) all costs, claims, expenses, fees, and other payments resulting from Sellers' compliance with the preceding clauses (A) through (D) and (2) all reasonable, out of pocket, third party costs and expenses actually incurred by Sellers in respect of such Transition Leased Property arising from Buyer's use and occupancy of such Transition Leased Property.

(v) Promptly after the Agreement Date, Parent and Buyer shall negotiate in good faith and shall use their commercially reasonable efforts to finalize within 45 days following the Agreement Date, a transition services agreement between Sellers, on the one hand, and Buyer, on the other (the "Transition Services Agreement"), in form and substance reasonably acceptable to Buyer and Parent, pursuant to which (A) Sellers shall provide Buyer such transition services, including with respect to IT, systems, software, applications and other functions, as may be reasonably required to complete an orderly transition of the Business to Buyer with respect to, among other things, Buyer's and its Affiliates' use of the Transition Real Property and/or the Transition Leased Property, and Buyer's exclusive right to subcontract work from such property, including the facilities identified on Schedule 5(k)(v), and (B) Buyer shall provide Sellers such transition services, including with respect to IT, systems, software, applications and other functions, as may be reasonably required for Sellers' to perform their obligations pursuant to the administration of the Chapter 11 Cases, all subject to customary limitations of liability and indemnification provisions. Buyer and Sellers shall commit in the Transition Services Agreement to provide any required services in the ordinary course of business, consistent with past practice, and all such services shall be billed to the recipient at the service provider's fully-burdened cost.

(l) Title Commitment. To the extent that any of the following is within any Seller's possession or control, Parent shall promptly furnish Buyer with a copy: (i) a title policy or title commitment in respect of each Acquired Owned Property, together with copies of all recorded documents referenced therein (the "Title Documents"), and (ii) a copy of any ALTA/ACSM survey of each parcel of real property and Improvements thereon constituting the Acquired Owned Property (the "Survey"). Buyer may determine, in its sole discretion and at its sole cost and expense, to obtain updates of any such Title Documents or Surveys for any Acquired Owned Property, or obtain any Title Documents or Surveys for any Acquired Owned Property that Parent does not have within its possession or control. Within ten (10) days following the receipt of such documentation, Buyer shall deliver to Parent notice ("Objection Notice") of any objections Buyer may have to matters appearing on the Survey or Title Documents in respect of any applicable Acquired Owned Property which adversely affect title to any of the Acquired Owned Property. Within ten (10) days after receipt by Parent of Buyer's Objection Notice, Parent shall give Buyer written notice ("Parent's Title Response") of any title objection set forth in an applicable Objection Notice that Parent elects to cure or otherwise remove from record prior to Closing. No Seller shall have any obligation to cure any title defect identified in the Objection Notice, but if Parent elects, at its option, to cure or remove any matters identified by Buyer in an applicable Objection Notice, Parent shall use its commercially reasonable efforts to cure or remove the same on or before Closing, at Parent's sole cost and expense. If Buyer is not satisfied with Parent's Title Response, then Buyer shall have the right to exclude the applicable Acquired Owned Property from the Acquired Assets and add it to the Excluded Assets. If Buyer does not within five (5) Business Days of receipt of Parent's Title Response elect the remedy set forth in the immediately preceding sentence, then all matters to which Buyer objected in the applicable Objection Notice but which Parent did not agree to cure in the Parent's Title Response shall be deemed waived by Buyer and the same shall constitute Permitted Liens. From and after the Agreement Date until the earlier of Closing or the termination hereof, Parent shall not take any action, or fail to take any action, that would cause title to the Acquired Owned Property to be subject to any title exceptions, other than the Permitted Liens.

(m) Disclosure Schedule; Supplementation and Amendment of Disclosure Schedule. Parent may, at its option, include in the Disclosure Schedule items that are not material in order to avoid any misunderstanding, and such inclusion, or any references to dollar amounts, shall not be deemed to be an acknowledgement or representation that such items are material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement. Information provided in one Disclosure Schedule will suffice, without repetition or cross reference, as a disclosure of such information in any other Disclosure Schedule to which its relevance is readily apparent on its face. Parent may, from time to time prior to or at the Closing by written notice to Buyer, supplement or amend the Disclosure Schedule, and Parent shall be obligated to supplement or amend Schedule 3(k)(i) of the Disclosure Schedule to the extent necessary to include Material Contracts entered into following the Agreement Date or Material Contracts existing as of the Agreement Date that were inadvertently excluded from such schedule and updated Cure Amounts; provided, however, that such supplements or amendments shall not be deemed to have cured any inaccuracy in or breach of any representation or warranty contained in this Agreement, including for purposes of the termination rights contained in this Agreement or of determining whether or not the condition set forth in Section 7(a)(iii) has been satisfied.

(n) Regulatory Filings.

(i) Each of the Parties hereto shall, up until the Drop Dead Date, use all reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Law and regulations (including the HSR Act) to consummate and make effective the transactions contemplated by this Agreement, including all necessary or appropriate waivers, consents and approvals to effect all necessary registrations, filings and submissions and to lift any injunction or other legal bar to the consummation of the transactions contemplated by this Agreement by the Drop Dead Date (and, in such case, to proceed with the transactions contemplated by this Agreement as expeditiously as possible). In furtherance of and without limiting the foregoing, if necessary, Buyer and Parent shall (and Parent shall cause the Selling Affiliates to), up until the Drop Dead Date, use reasonable best efforts to (1) make or cause to be made all filings required of each of them or any of their respective Affiliates under the HSR Act or other Antitrust Laws with respect to the transactions contemplated herein as promptly as practicable after the Agreement Date, and in any event prior to five (5) Business Days after the Agreement Date, (2) comply at the earliest practicable date with any request under the HSR Act or other Antitrust Laws for additional information, documents, or other materials received by each of them or any of their respective subsidiaries from the Federal Trade Commission (the "FTC"), the Antitrust Division of the United States Department of Justice (the "Antitrust Division") or any other Governmental Entity in respect of such filings (3) cooperate with each other in connection with any such filing or request (including, to the extent permitted by applicable Law, providing copies of all such documents to the non-filing parties prior to filing and considering all reasonable additions, deletions or changes suggested in connection therewith) and in connection with resolving any investigation or other inquiry of any of the FTC, the Antitrust Division or other Governmental Entity under any Antitrust Laws with respect to any such filing, and (4) not extend any waiting period under the HSR Act or enter into any agreement with the FTC or the Antitrust Division not to consummate the transactions contemplated by this Agreement, except with the prior written consent of the other parties hereto, and (5) defend and resolve any investigation or other inquiry of any Governmental Entity under all applicable Regulatory Laws, including by defending against and contesting administratively and in court any litigation or adverse determination initiated or made by a Governmental Entity under any applicable Regulatory Law. Each Party acknowledges that its reasonable best efforts under this Section 5(n)(i) requires that it use reasonable best efforts to comply with any request under the HSR Act or other Antitrust Laws for additional information, documents, or other materials that it or its Affiliates receive from the FTC or Antitrust Division as soon as reasonably practicable after the issuance of such request. Each Party shall promptly inform the other parties hereto of any oral communication with, and provide copies of written communications with, any Governmental Entity regarding any filings made pursuant to this Section 5(n)(i).

(ii) Notwithstanding anything in this Agreement to the contrary, in no event will Buyer be obligated to propose, or agree to accept, any undertaking or condition, to enter into any consent decree, to make any sale, divestiture or disposition, to accept any operational restriction (including any requirement to hold separate (including by trust or

otherwise) any business, product lines or Assets), or to take any other action that, in the reasonable judgment of Buyer, could be expected to limit the right of Buyer to (A) own or retain all of any portion of the Acquired Assets or any of Buyer's or any of its Affiliates' product lines or Assets, or (B) operate, own or retain the Business or any of Buyer's or any of its Affiliates' businesses. Parent shall not (and shall not permit any of the Selling Affiliates to), without Buyer's prior written consent in Buyer's sole discretion, consummate, discuss or commit to any divestiture transaction, or alter, or discuss or commit to alter, the Business or their commercial practices in any way, or otherwise take or commit to take any action that limits Buyer's freedom of action with respect to, or Buyer's ability to retain the full benefits of, this Agreement or any of the Acquired Assets or businesses, product lines or Assets of Buyer. Parent shall not, and shall not permit any of the Selling Affiliates to, enter into or publicly announce an agreement or intention to form a joint venture or acquire any Assets, business or company if any such agreements or intentions, individually or in the aggregate, would reasonably be expected to cause the conditions set forth in Section 7(a)(vii) to fail to be satisfied or would reasonably be expected to have the effect of preventing, materially impairing, materially delaying or otherwise materially and adversely affecting the consummation of the transactions contemplated by this Agreement.

(o) Casualty. If, between the date of this Agreement and the Closing, any of the Acquired Assets shall be destroyed or damaged in whole or in part by fire, earthquake, flood, other casualty, or any other cause ("Casualty"), then the Parties shall have the option to: (i) if such Acquired Assets are not Accounts Receivable, Inventory or maintenance parts, consummate the sale of such Acquired Assets on an "as-is" basis and reduce the Initial Purchase Price and Final Purchase Price by (without double counting or further adjustment based on corresponding changes to the Closing Working Capital) an amount agreed to by Parent and Buyer following good faith, commercially reasonable negotiations, or (ii) if the Parties are not able to agree on an appropriate adjustment to the Initial Purchase Price and Final Purchase Price pursuant to clause (i), terminate this Agreement and the transactions contemplated hereby. If there is a Casualty involving Acquired Assets that consist of Accounts Receivable, Inventory or maintenance parts, then the Sellers shall keep all condemnation, insurance and other proceeds of such Casualty with respect to such Acquired Assets without any adjustment to the Initial Purchase Price or the Final Purchase Price (as applicable) except as provided in Sections 2(d) and 2(e).

(p) Lenders. On the Agreement Date, simultaneous with the execution and delivery of this Agreement, Parent shall deliver to Buyer a Lock-Up Agreement in form and substance reasonably acceptable to Buyer, duly executed by Parent's secured lenders to the extent required therein (the "Sale Support Agreement").

(q) Employee Compensation.

(i) To the extent that Sellers elect, or are legally required, to continue to honor any bonus, severance and other compensation obligations (including all change of control or similar retention obligations or any other payment obligations arising pursuant to any Employee Benefit Plan) that existed prior to the Commencement Date in respect of any Transferred Employees, all such obligations (except to the extent of the Accrued Employee Obligations) shall remain the sole obligation of Sellers and shall be paid and

discharged as and when payable pursuant to the terms and conditions of such obligations, subject in all cases to all of Sellers' rights pursuant to the Bankruptcy Code and any orders issued in connection with the administration of the Chapter 11 Cases.

(ii) In addition to the amounts required to be paid pursuant to Section 5(q)(i), Sellers and their Affiliates shall formulate an incentive program as soon as reasonably practicable following the Agreement Date reasonably acceptable to Buyer and compliant with Section 503(c) of the Bankruptcy Code, in an aggregate amount equal to the amount set forth on Schedule 5(q)(ii), or such lesser aggregate amount agreed to by Buyer, for the benefit of those Covered Employees reasonably acceptable to Buyer who are critical to the consummation of the transactions contemplated hereby, including the transfer of the Acquired Assets to Buyer, which amounts shall be paid by Sellers and their Affiliates as and when payable pursuant to the terms and conditions of such obligations, subject to approval of the Bankruptcy Court. Buyer and its Affiliates shall formulate a complimentary incentive program, in the aggregate amount equal to the amount set forth on Schedule 5(q)(ii), or such lesser aggregate amount agreed to by Parent, and all amounts payable thereunder shall be paid and discharged as and when payable pursuant to the terms and conditions of such incentive program, subject to customary terms and conditions of such bonuses as shall be established by Buyer.

Section 6. Other Covenants.

(a) Cooperation; Further Assurances. To the extent permitted by Law, the Parties shall cooperate with each other, and shall use commercially reasonable efforts to cause their respective Controlled Affiliates and Representatives to cooperate with each other, to provide an orderly transition of the Business from Sellers to Buyer. On and after the Closing, until the conclusion of all bankruptcy proceedings relating to the Chapter 11 Cases, upon reasonable advance written request by Parent, Buyer will afford promptly to Parent and its counsel, financial advisers and other agents reasonable access during normal business hours, and in a manner so as not to interfere with normal business operations or violate any Law, to its properties, books and records, employees, auditors and counsel to the extent necessary for financial reporting and accounting matters, employee benefits matters, the preparation and filing of any Tax Returns, reports or forms, the defense of any Tax audit, claim or assessment, the reconciliation of Claims in the Chapter 11 Case, the preparation and confirmation of a plan in the Chapter 11 Case, other matters relating to the winding-up of the Sellers' estate and/or the closing of the Chapter 11 Case, or any other reasonable business purpose related to the Excluded Assets or Excluded Liabilities; provided, however, that, for avoidance of doubt, the foregoing shall not require any Party to waive, or take any action with the effect of waiving, its attorney-client privilege or any confidentiality obligation to which it is bound with respect thereto or take any action in violation of applicable Law. Following the Closing, Parent will hold, and will use commercially reasonable efforts to cause its Affiliates, officers, directors, employees, accountants, counsel, consultants, advisors and agents to hold, in confidence, unless compelled to disclose by judicial or administrative process or by other requirements of Law, all confidential documents and information concerning Buyer or the Business provided to them pursuant to this Section 6(a). Without limiting the provisions of this Section 6(a), to the extent that Buyer or Parent discovers any additional Assets or properties which should have been transferred or assigned to Buyer as Acquired Assets but were not so transferred or assigned at Closing, Buyer

and Parent shall (and Parent shall cause the Selling Affiliates to) cooperate and execute and deliver any instruments of transfer or assignment necessary to transfer and assign such Asset or property to Buyer without any adjustment to the Final Purchase Price and shall cooperate and execute and deliver all conveyances, assumptions, notices, releases, and other instruments as may be necessary to make effective the transactions contemplated by this Agreement. Without limiting the provisions of this Section 6(a), to the extent that Buyer or Parent discovers any Assets or properties which are an Excluded Asset that were inadvertently or otherwise mistakenly transferred or assigned to Buyer, Buyer and Parent shall (and Parent shall cause the Selling Affiliates to) cooperate and execute and deliver any instruments of transfer or assignment necessary to transfer and assign such Asset or property back to Sellers.

(b) Litigation Support. Following the Closing, in the event and for so long as any Party actively is contesting or defending against any Litigation commenced by any non-Party with respect to (i) any transaction contemplated by this Agreement or any Related Agreement or (ii) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act or transaction on or prior to the Closing Date involving the Business, the other Party will use commercially reasonable efforts to cooperate with the contesting or defending Party and its counsel in the contest or defense, make available its personnel and provide such testimony and access to its books and records as shall be reasonably necessary in connection with the contest or defense, all at the sole cost and expense of the contesting or defending Party and all subject to the terms and conditions of the Transition Services Agreement; provided, however, that, for avoidance of doubt, the foregoing shall not require any Party to waive, or take any action with the effect of waiving, its attorney-client privilege with respect thereto. As a condition to the cooperation required pursuant to this Section 6(b), the Party to provide such cooperation or assistance (the "Assisting Party") may require the Party receiving such cooperation or assistance to enter into a non-disclosure agreement reasonably satisfactory in form and substance to the Assisting Party.

(c) Availability of Records. Subject to the terms and conditions of Section 6(a) and the Transition Services Agreement, to the extent legally permissible, after the Closing Date, Buyer shall provide to Sellers and their respective Representatives (after reasonable notice and during normal business hours and without charge to Sellers) reasonable access to all Records included in the Acquired Assets for periods prior to the Closing and shall preserve such Records until the later of (A) six (6) years after the Closing Date, (B) the required retention period required by any United States Law, (C) the conclusion of all bankruptcy proceedings relating to the Chapter 11 Cases or (D) in the case of Records relating to Taxes, the expiration of the statute of limitations applicable to such Taxes. Such access shall include access to any information in electronic form to the extent reasonably available. Buyer acknowledges that Sellers have the right to retain originals or copies of all Records included in the Acquired Assets for periods prior to the Closing. Prior to destroying any Records included in the Acquired Assets for periods prior to the Closing, Buyer shall notify Parent thirty (30) days in advance of any such proposed destruction of its intent to destroy such Records, and Buyer will permit Sellers to retain such Records.

(d) Satisfaction of Assumed Liabilities. Following the Closing, Buyer agrees to pay, perform and discharge the Assumed Liabilities as they become due and shall indemnify and hold Sellers harmless with respect to the Assumed Liabilities.

(e) Employee Matters.

(i) Transferred Employees. No later than ten (10) days prior to the Closing, but effective as of immediately following the Closing Date, Buyer shall offer employment to those Covered Employees selected by Buyer in its sole discretion, which offers shall be (A) on terms and conditions that provide total compensation and benefits opportunities that are in the aggregate substantially comparable to the compensation and benefits opportunities (including with respect to any severance policies and incentive and equity-based compensation programs) provided to either (1) similarly situated employees of Buyer who are employed immediately prior to the Closing Date, or (2) such Covered Employees as of immediately prior to the Closing Date, or (B) on commercially reasonable market-based terms and conditions. Parent will use commercially reasonable efforts to inform Covered Employees designated by Buyer about the possibility of employment with Buyer, assist Buyer with interviewing Covered Employees designated by Buyer and provide Buyer with information regarding Covered Employees to the fullest extent permitted by applicable Law. Any Covered Employee employed by a Seller immediately before the Closing and who accepts such offer of employment with Buyer (or any Affiliate of Buyer) and becomes an employee of Buyer (or any Affiliate of Buyer) immediately following the Closing Date is referred to herein as a "Transferred Employee." Parent and their Affiliates shall terminate for all purposes the employment of all Covered Employees who agree to become Transferred Employees, effective immediately after the Closing Date.

(ii) Service. Buyer shall grant all Transferred Employees credit after the Closing for continuous service with Sellers or any of their respective Affiliates and their respective predecessors prior to the Closing (to the extent such service was recognized by Sellers, their respective Affiliates and their corresponding Employee Benefit Plans) for purposes of participation and determining the amount of severance benefits in the case of any Buyer Plan that is a severance plan or program (if any). Buyer will cause to be waived any waiting period and preexisting condition limitations applicable to Transferred Employees under any group health plan maintained by Buyer or any of its Affiliates in which such Transferred Employees are otherwise permitted to participate, other than limitations or waiting periods that are already in effect with respect to such Transferred Employees and that have not been satisfied as of the Closing Date under any welfare plan maintained for the Transferred Employees immediately prior to the Closing Date. Buyer will take all commercially reasonable action necessary to ensure that, to the extent permitted under applicable Buyer Plans, such Transferred Employees are given full credit for all expenses and deductibles incurred under any group health plan sponsored by Sellers or any of their respective Affiliates for the plan year that includes the Closing Date for the purposes of satisfying the maximum out-of-pocket expense limitations and deductibles under any group health plan sponsored by Buyer or any of its Affiliates in which Transferred Employees participate after the Closing Date.

(iii) Employee List. Parent shall promptly provide to Buyer an updated Employee List that reflects employee terminations, new hires, changes in status, etc., as reasonably requested by Buyer.

(iv) Assumed Benefit Plans. Effective as of immediately following the Closing Date, Buyer or one of its Affiliates shall assume the Assumed Benefit Plans (and all assets, trusts, insurance policies, and funding media held or maintained by any Assumed Benefit Plans), and the Parties shall cooperate with each other to take all actions and execute and deliver all documents and furnish all notices necessary to effectuate such assumption. The Parties agree that Buyer and its Affiliates shall, pursuant to such assumption, only assume Liability for benefits provided pursuant to the written terms and conditions of the Assumed Benefit Plans as of the Closing Date and all other Liabilities as of the Closing Date relating to the Assumed Benefit Plans shall be Excluded Liabilities. For sake of clarity, Buyer and its Affiliates may, in their sole discretion, amend, suspend or terminate any Assumed Benefit Plan at any time, subject to the terms of the Assumed Benefit Plans.

(f) Tax Matters.

(i) Transfer Taxes. All Transfer Taxes that are not eliminated through the application of the Bankruptcy Code shall be borne one-half by Buyer and one-half by Parent. Parent and Buyer shall cooperate to timely prepare, and Buyer shall file, any Tax Returns relating to such Transfer Taxes, including any claim for exemption or exclusion from the application or imposition of any Transfer Taxes, except to the extent Sellers are required by applicable Law to file a Tax Return. With respect to any such Tax Returns required to be filed by Sellers, Buyer shall pay to Sellers, not later than five (5) Business Days before the due date for payment of such Transfer Taxes, an amount equal to one-half of the Transfer Taxes shown on such Tax Return, and Parent shall, following the filing thereof, provide Buyer with a copy of such Tax Return and a copy of a receipt showing payment of any such Transfer Taxes. With respect to any such Tax Return required to be filed by Buyer, Buyer shall provide Parent with a copy of such Tax Return and a copy of a receipt showing payment of any such Transfer Taxes. To the extent not otherwise paid by Parent, the Parties shall take all necessary actions under this Agreement and the Escrow Agreement (including the provision of the joint written instructions required thereunder) to permit Buyer to receive from the Transfer Tax Escrow, prior to its distribution pursuant to Section 2(e)(iv), the portion of Transfer Taxes that Parent is liable for pursuant to this Section 6(f)(i).

(ii) Tax Returns. Parent will (and will cause the Selling Affiliates to) prepare and timely file, or cause to be prepared and timely filed, all Tax Returns in respect of the Acquired Assets (other than any such Tax Return relating to Transfer Taxes, which shall be governed by Section 6(f)(i)) that are required to be filed (taking into account any applicable extensions) after the Closing Date for any Tax period ending on or before the Closing Date, except to the extent Buyer is required by applicable Law to file such Tax Return. Buyer will timely file, or cause to be timely filed, any Tax Return that is prepared by Sellers with respect to the Acquired Assets pursuant to the immediately preceding sentence to the extent permitted by applicable Law. Buyer will prepare and timely file, or cause to be prepared and timely filed, all other Tax Returns required to be filed after the Closing Date in respect of the Acquired Assets. Any Tax Return in respect of the Acquired Assets required to be filed by Buyer in respect of a Straddle Period will be prepared on a basis consistent with the past practices of the Sellers, and Buyer will

deliver to Parent for its approval, at least fifteen (15) days prior to the due date for the filing of such Tax Return (taking into account any applicable extensions), a statement setting forth the amount of Tax for which Sellers are responsible pursuant to Section 6(f)(iv) and a copy of such Tax Return, together with any additional information that Parent may request. No Tax Return in respect of the Acquired Assets required to be filed by Buyer in respect of a Straddle Period shall be filed with any Taxing Authority without Parent's written consent. Any Tax Return relating to the Acquired Assets for a Straddle Period will, to the extent permitted by applicable Law, be filed on the basis that the relevant Tax period ended as of the close of business on the Closing Date.

(iii) Payment of Taxes. Parent will (and will cause the Selling Affiliates to) pay, or cause to be paid, all Taxes due with respect to Tax Returns which Sellers are obligated to prepare and file, or cause to be prepared and filed, pursuant to Section 6(f)(ii). At least three (3) days prior to the due date for a Tax Return prepared by Sellers and filed by Buyer for any Tax period ending on or before the Closing Date pursuant to Section 6(f)(ii), Parent will (and will cause the Selling Affiliates to) pay Buyer an amount equal to the Taxes shown on such Tax Return. At least three (3) days prior to the due date for a Tax Return for a Straddle Period, Parent will (and will cause the Selling Affiliates to) pay its portion of the Taxes due with respect to such Tax Return to Buyer, as determined in Section 6(f)(iv).

(iv) Straddle Period. Except as set forth in Section 6(f)(i) relating to Transfer Taxes, (1) all periodic Taxes that are not based on income or receipts (e.g., Property Taxes) due and payable with respect to the Acquired Assets for a Straddle Period shall be apportioned between Buyer and Sellers based on the number of days of such Straddle Period included in the Pre-Closing Tax Period and the number of days of such Straddle Period included in the Post-Closing Tax Period, and (2) all Taxes of the Acquired Assets due and payable with respect to the Acquired Assets for a Straddle Period, other than Taxes described in clause (1) of this sentence, will be computed as if such Tax period ended as of the close of business on the Closing Date. The Parties agree that Sellers shall be liable for the proportionate amount of such Taxes that is attributable to the Pre-Closing Tax Period, and Buyer shall be liable for the proportionate amount of such Taxes that is attributable to the Post-Closing Tax Period, in each case, as determined under this Section 6(f)(iv). All determinations necessary to give effect to the foregoing allocations shall be made in a manner that does not accelerate deductions or defer income.

(v) Allocation of Initial Purchase Price. The Parties agree that the Initial Purchase Price and the Assumed Liabilities (plus other relevant items) will be allocated among the Acquired Assets in a manner consistent with Section 1060 of the Code, the Treasury Regulations promulgated thereunder, and any other applicable Tax laws (the "Allocation Laws"). Buyer will complete a draft schedule (the "Allocation Schedule") allocating the Initial Purchase Price and Assumed Liabilities (plus other relevant items) to the Acquired Assets and provide a copy to Parent within one hundred seventeen (117) days after the Closing Date. Unless Parent notifies Buyer in writing within thirty (30) days after the receipt of the draft Allocation Schedule of any objections Parent may have to the allocations set forth therein, Parent shall be deemed to have agreed to the Allocation Schedule as prepared by Buyer. If Parent disputes any portion of the

Allocation Schedule in accordance with the preceding sentence, the parties shall attempt to resolve any disagreement in good faith. If Parent and Buyer do not agree on an alternative allocation in the ten (10) days following the date Buyer received Parent's written notice, the parties shall submit the dispute with respect to the Allocation Schedule on the next Business Day to the Independent Accountant whose determination shall be final and binding on all parties. The Parties agree that the fees, costs and expenses incurred in connection therewith shall be shared in equal amounts by Parent and Buyer; provided, however, Parent shall bear the full amount of fees, costs and expenses if there are no material changes to the Allocation Schedule. The Parties agree that Sellers and Buyer each shall report all Taxes and file all Tax Returns consistent with the Allocation Schedule as finally determined under this Section 6(f)(v). Parent and Buyer shall exchange completed forms with respect to such Allocation Schedule (including IRS Form 8594) at least thirty (30) days prior to the due date (subject to any applicable extensions) for filing such forms and shall cooperate in the filing of any forms (including IRS Form 8594) with respect to such Allocation Schedule, including any amendments to such forms required with respect to any adjustment to the Initial Purchase Price pursuant to this Agreement.

(g) Recording of Intellectual Property Assignments. Buyer shall file and record all assignments of Acquired Intellectual Property with the appropriate Governmental Entities as promptly as practicable following the Closing.

(h) Wage Reporting. Following the Closing, Buyer and Sellers agree to utilize or cause their respective Affiliates to utilize, the alternate procedure set forth in Revenue Procedure 2004-53, 2004-2 C.B. 320 with respect to wage reporting.

(i) Accounts Receivable/Collections. After the Closing, Parent shall permit, and hereby authorizes, Buyer to collect, in the name of the Sellers, all accounts receivable constituting part of the Acquired Assets and to endorse with the name of the Sellers for deposit in Buyer's account any checks or drafts received in payment thereof. Parent shall, and shall cause all Seller Affiliates to, promptly deliver to Buyer any cash, checks or other property that it may receive after the Closing in respect of any accounts receivable or other Asset constituting part of the Acquired Assets.

Section 7. Conditions to Obligation to Close.

(a) Conditions to Buyer's and Guarantor's Obligations. Buyer's and Guarantor's obligation to consummate the transactions contemplated in this Agreement in connection with the Closing is subject only to satisfaction or waiver of the following conditions:

(i) no order staying, reversing, modifying or amending the Bidding Procedures Order shall be in effect on the Closing Date;

(ii) the Bankruptcy Court shall have entered the Sale Order, such order shall be a Final Order, and no order staying, reversing, modifying or amending the Sale Order shall be in effect on the Closing Date;

(iii) the representations and warranties set forth in Section 3 shall be true and correct in all respects when made and at and as of the Closing Date as if made at and as of such time (in either case, except to the extent expressly made as of an earlier date, in which case as of such date as if made at, and as of, such date); provided, however, that in the event of a breach of a representation or warranty other than a representation or warranty qualified by Material Adverse Effect, the condition set forth in this Section 7(a)(iii) shall be deemed satisfied unless the effect of all such breaches of representations and warranties taken together result in a Material Adverse Effect on the Business;

(iv) Parent shall have performed and complied with its covenants and agreements hereunder through the Closing in all material respects;

(v) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(vi) each delivery contemplated by Section 2(g)(i) to be delivered to Buyer shall have been delivered;

(vii) the waiting period applicable to the transactions contemplated hereby under the HSR Act, if any, shall have expired, or early termination of the waiting period shall have been granted;

(viii) between the date of this Agreement and the Closing Date, there shall have been no events, occurrences or conditions that have had or could reasonably be expected to have a Material Adverse Effect on the Acquired Assets or the Business;

(ix) the Necessary Consents with respect to the Material Contracts set forth on Schedule 7(a)(ix) shall have been obtained and such Material Contracts shall be assignable to Buyer at Closing as part of the Assumed Contracts (it being agreed and understood that this condition shall be met to the extent that the Bankruptcy Court shall have entered a Final Order providing that such consents are not required in order for such Contracts to be assigned to Buyer);

(x) As of the Closing Date, Net VAR Losses shall not exceed \$71 million, and to the Knowledge of Parent, there do not exist any facts or circumstances, other than any individual Excluded Fact in and of itself (and not in combination with any other fact or circumstance), that in the good faith judgment of Parent would be reasonably expected to result in Net VAR Losses in excess of \$71 million for the 12 month period ending on the first anniversary of the Closing Date. Parent shall have delivered to Buyer on the Closing Date a certificate signed by the Chief Financial Officer of Parent certifying the satisfaction of the condition set forth in this Section 7(a)(x), which certificate shall (a) not contain any exceptions or qualifications beyond those otherwise agreed to in this Agreement, and (b) contain reasonable summary detail evidencing the calculation of Net VAR Losses as of the Closing Date and the Net VAR Losses reasonably expected for the

12 month period ending on the first anniversary of the Closing Date, as well as such additional information as Buyer may reasonably request, provided that such additional information provided shall be subject to the terms and conditions of the Confidentiality Agreement and those certain "clean team" policies and procedures previously adopted by Parent and Guarantor; and

(xi) Parent shall have caused the applicable Sellers to have entered into the Transition Services Agreement and such other material real property leases, subcontracts, licensees or other applicable occupancy agreements with Buyer, in form and substance reasonably satisfactory to Buyer, as may reasonably be required in connection with the matters set forth in Section 5(k).

(b) Conditions to Parent's Obligations. Parent's obligation to consummate the transactions contemplated in this Agreement in connection with the Closing is subject to satisfaction or waiver of the following conditions:

(i) the representations and warranties set forth in Section 4 shall be true and correct in all respects when made and at and as of the Closing Date as if made at and as of such time (in either case, except to the extent expressly made as of an earlier date, in which case as of such date as if made at, and as of, such date); provided, however, that in the event of a breach of a representation or warranty other than a representation or warranty qualified by material adverse effect, the condition set forth in this Section 7(b)(i) shall be deemed satisfied unless the effect of all such breaches of representations and warranties taken together result in a material adverse effect on Buyer's ability to consummate the transactions contemplated hereby;

(ii) Buyer and Guarantor shall have performed and complied with their respective covenants and agreements hereunder through the Closing in all material respects;

(iii) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(iv) each delivery contemplated by Section 2(g)(ii) to be delivered to Parent shall have been delivered;

(v) the Bankruptcy Court shall have entered the Sale Order, such order shall be a Final Order, and no order staying, reversing, modifying or amending the Sale Order shall be in effect on the Closing Date; and

(vi) the waiting period applicable to the transactions contemplated hereby under the HSR Act, if any, shall have expired, or early termination of the waiting period shall have been granted.

(c) No Frustration of Closing Conditions. Neither Buyer nor Parent may rely on the failure of any condition to its obligation to consummate the transactions contemplated in

this Agreement set forth in Section 7(a) or Section 7(b), as the case may be, to be satisfied if such failure was caused by such Party's breach of a representation, warranty or covenant hereunder.

Section 8. Termination.

(a) Termination of Agreement. This Agreement may be terminated and the transactions contemplated in this Agreement abandoned at any time prior to the Closing, notwithstanding any prior approval of this Agreement by the Bankruptcy Court, as follows:

- (i) by mutual written consent of each of Parent and Buyer;
- (ii) by Buyer, if any of the conditions to the obligations of Buyer and Guarantor set forth in Section 7(a) shall have become incapable of fulfillment other than as a result of a breach by Buyer of any covenant or agreement contained in this Agreement (including Sections 5(n)(i) and 5(n)(ii)), and such condition is not waived by Buyer and Guarantor, provided that if Buyer fails to exercise its right to terminate pursuant to this Section 8(a)(ii) within thirty (30) days following the date on which Buyer receives both a Development Notice and a Development Certification, Buyer shall have waived such right to terminate on account of the Development described in such Development Notice, subject to the terms and conditions of Section 5(e);
- (iii) by Parent, if any condition to the obligations of Parent set forth in Section 7(b) shall have become incapable of fulfillment other than as a result of a breach by Parent of any covenant or agreement contained in this Agreement, and such condition is not waived by Parent, provided that if Parent fails to exercise its right to terminate pursuant to this Section 8(a)(iii) within thirty (30) days following the date on which Parent receives both a Development Notice and a Development Certification, Parent shall have waived such right to terminate on account of the Development described in such Development Notice, subject to the terms and conditions of Section 5(e);
- (iv) by Buyer, if there shall be a breach by Parent of any representation, warranty, covenant or agreement of Parent contained in this Agreement which would result in a failure of a condition set forth in Section 7(a), and which breach has not been cured within ten (10) Business Days after the giving of written notice by Buyer to Parent of such breach;
- (v) by Parent, if there shall be a breach by Buyer or Guarantor of any representation, warranty, covenant or agreement of Buyer or Guarantor, as applicable, contained in this Agreement which would result in a failure of a condition set forth in Section 7(b), and which breach has not been cured within ten (10) Business Days after the giving of written notice by Parent to Buyer of such breach;
- (vi) by Buyer or Parent, if there shall be in effect a non-appealable Decree of a Governmental Entity of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby;

(vii) by Buyer, if Parent does not (or does not cause the Selling Affiliates to) file the Sale Motion with the Bankruptcy Court within Three (3) Business Days following the Agreement Date, unless Buyer agrees in writing to extend such date;

(viii) by Buyer, if the Bankruptcy Court does not enter the Bidding Procedures Order on or before a date that is twenty-five (25) days following the Commencement Date, unless Buyer agrees in writing to extend such date, or if the Bidding Procedures Order, once entered, is changed in a manner that is adverse to Buyer or Parent without consent of Buyer or Parent, as applicable;

(ix) by Buyer, if after the Bidding Procedures Order is entered, the Bankruptcy Court does not enter the Sale Order on or before a date that is sixty (60) days following the Commencement Date, unless Buyer agrees in writing to extend such date;

(x) by Buyer or Parent, if the Bankruptcy Court shall enter an order approving a transaction contemplated by a Competing Bid and/or an Alternative Transaction, subject to Section 5(d)(ii);

(xi) by Buyer or Parent, if the Bankruptcy Court or another court of competent jurisdiction shall vacate or modify the Sale Order in a manner that is adverse to Buyer or Parent without consent of Buyer or Parent, as applicable;

(xii) by Buyer, if the Sale Support Agreement shall be terminated in accordance with its terms;

(xiii) by Buyer, if the Bankruptcy Court does not, with the consent of the lenders under the ABL and the consent of the lenders under the Term Loan, enter interim orders within ten (10) Business Days after the Commencement Date approving debtor-in-possession financing and, to the extent applicable, approving the use of cash collateral;

(xiv) by Buyer, in the event that the DIP Facility is amended to allow for permitted borrowings under the DIP Facility in the aggregate in excess of One Hundred Fifty Million Dollars (\$150,000,000);

(xv) by Buyer or Parent, as applicable, pursuant to the terms and conditions of Section 5(o)(ii); or

(xvi) by Buyer or Parent, as applicable, on any date that is after the Drop Dead Date if the Closing shall not have occurred on or before such date; provided, however, that Buyer or Parent, as applicable, shall not have the right to terminate this Agreement under this Section 8(a)(xvi) if the Closing has not occurred on or before the Drop Dead Date because of such Party's material breach of any of its obligations under this Agreement (including Sections 5(n)(i) and 5(n)(ii)); provided, further, however, that if Buyer is the Back-Up Bidder and is required by Section 5(d)(ii) to keep its bid to consummate the transactions contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) open and irrevocable until the expiration of the Outside Back-Up Date, then

Parent shall not have the right to terminate this Agreement under this Section 8(a)(xvi) prior to the day that is three (3) Business Days following the Outside Back-Up Date.

For the avoidance of doubt, any conversion (in and of itself) of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code and/or the appointment (in and of itself) of a trustee under chapter 11 or chapter 7 of the Bankruptcy Code shall not effect a termination of this Agreement by Buyer, Parent, or any such trustee so appointed or diminish the Parties' obligations hereunder, and this Agreement shall remain enforceable in accordance with its terms.

(b) Procedure upon Termination. In the event of termination by Buyer or Parent, or both, pursuant to Section 8(a), written notice thereof shall forthwith be given to the other Party, and this Agreement shall terminate and the purchase of the Acquired Assets hereunder shall be abandoned, without further action by Buyer or Parent. If this Agreement is terminated as provided herein, then each Party shall redeliver all documents, work papers and other material of any other Party relating to the transactions contemplated in this Agreement, whether so obtained before or after the execution hereof, to the Party furnishing the same.

(c) Expense Reimbursement and Break-Up Fee.

(i) Parent shall (and shall cause the Selling Affiliates to), within two (2) Business Days after any termination of this Agreement pursuant to Section 8(a)(iv) or Section 8(a)(x) reimburse Buyer for all of the reasonable out of pocket costs, fees and expenses incurred or to be incurred by Buyer or its Affiliates, including reasonable fees, costs and expenses of any professionals (including financial advisors, outside legal counsel, accountants, experts and consultants) retained by Buyer or its Affiliates in connection with or related to the authorization, preparation, investigation, negotiation, execution and performance of this Agreement, the transactions contemplated hereby, including the Chapter 11 Cases and other judicial and regulatory proceedings related to such transactions (such fees, costs and expenses, the "Reimbursable Expenses") by payment of the Expense Reimbursement to Buyer in cash; provided that Buyer shall present reasonable supporting documentation with respect to all costs, fees and expenses for which it desires reimbursement and provided, further, in no event shall Sellers be required to pay the Expense Reimbursement in an amount greater than Two Million Five Hundred Thousand Dollars (\$2,500,000) in the aggregate. For the avoidance of doubt, if Parent terminates this Agreement pursuant to Section 8(a)(v), Buyer shall not be entitled to the Expense Reimbursement, notwithstanding the fact that Sellers may enter into an Alternative Transaction following the date of such termination, so long as Parent shall not have been in breach of Section 5(d)(i) at the time of such termination.

(ii) Parent shall (and shall cause the Selling Affiliates to) (A) after any termination of this Agreement pursuant to Section 8(a)(x), (x) within two (2) Business Days after such termination, pay to Buyer out of the deposit received in connection with an Alternative Transaction, a cash amount equal to one-half of the Break-Up Fee and (y) upon the consummation of the Alternative Transaction authorized by the Bankruptcy Court in connection with the termination of this Agreement pursuant to Section 8(a)(x), pay to Buyer an amount in cash equal to one-half of the Break-Up Fee, (B) within two (2)

Business Days after any termination of this Agreement pursuant to Section 8(a)(iv), pay to Buyer a cash amount equal to one-half of the Break-Up Fee, solely to the extent that the breach or breaches of Parent that formed the basis for such termination are each Willful Breaches and (C) after any termination of this Agreement pursuant to Section 8(a)(iv), pay to Buyer a cash amount equal to one-half of the Break-Up Fee, solely to the extent (x) that the portion of the Break-Up Fee contemplated by clause (B) of this Section 8(c)(ii) has been, or was required to be, paid and (y) within twelve (12) months after the date of such termination, Sellers enter into or consummate an Alternative Transaction.

(iii) Parent acknowledges and agrees that (A) the payment of the Break-Up Fee (or a portion thereof, as the case may be) and the Expense Reimbursement are integral parts of the transactions contemplated by this Agreement, (B) in the absence of Sellers' obligations to make these payments, Buyer would not have entered into this Agreement, (C) time is of the essence with respect to the payment of the Break-Up Fee (or a portion thereof, as the case may be) and the Expense Reimbursement and (D) the Break-Up Fee (or a portion thereof, as the case may be) and the Expense Reimbursement shall constitute a super-priority, administrative expense of the Sellers' estates under Section 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code.

(d) Effect of Termination.

(i) If any Party terminates this Agreement pursuant to Section 8(a), then all rights and obligations of the Parties hereunder shall terminate upon such termination and shall become null and void (except that Section 1 (Definitions), Section 2(d)(iii) (Consideration), Section 5(g) (Press Releases and Public Announcements), Section 9 (Limitations), Section 10 (Miscellaneous), and this Section 8 (Termination) shall survive any such termination in accordance with their terms), and no Party shall have any liability to any other Party hereunder except as expressly set forth in this Section 8, Section 2(d)(iii), Section 5(d)(ii) or Section 10(w), and the Parties expressly waive any other rights to any claims of any nature for damages or otherwise in the event of a proper termination of this Agreement pursuant to Section 8(a).

(ii) If this Agreement is terminated in accordance with Section 8(a), (A) the Confidentiality Agreement shall survive such termination, and nothing in Section 8(b) or in this Section 8(d) shall relieve Buyer or Parent of their respective obligations under the Confidentiality Agreement, and (B) Buyer agrees that all prohibitions in the Confidentiality Agreement shall be extended to a period of three (3) years from the date of such termination.

(iii) Anything herein to the contrary notwithstanding, termination of this Agreement shall not affect or modify Parent's agreement and obligation to pay the Expense Reimbursement and Break-Up Fee subject to and in accordance with the terms and conditions hereof; provided, however, the Expense Reimbursement and Break-Up Fee are subject to Bankruptcy Court approval, which approval shall be requested in the Sale Motion.

Section 9. Limitations.

(a) No Reliance. In connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, Buyer has not relied upon, and Buyer expressly waives and releases Sellers and its Affiliates from any Liability for any claims (excluding claims based upon fraud or willful misconduct) relating to or arising from, any representation, warranty, statement, advice, document, projection, or other information of any type provided by Parent or its Affiliates or any of their respective Representatives, except for those representations and warranties expressly set forth in Section 3. In deciding to enter into this Agreement, and to consummate the transactions contemplated hereby, Buyer has relied solely upon its own knowledge, investigation, judgment and analysis (and that of its Representatives) and not on any disclosure or representation made by, or any duty to disclose on the part of, Parent or its Affiliates or any of their respective Representatives, other than the express representations and warranties of Parent set forth in Section 3.

(b) Limited Duties. Any and all duties and obligations which any Party may have to any other Party with respect to or in connection with the Acquired Assets, this Agreement or the transactions contemplated hereby are limited to those specifically set forth in this Agreement. Neither the duties nor obligations of any Party, nor the rights of any Party, shall be expanded beyond the terms of this Agreement on the basis of any legal or equitable principle or on any other basis whatsoever. Neither any equitable or legal principle nor any implied obligation of good faith or fair dealing nor any other matter requires any Party to incur, suffer or perform any act, condition or obligation contrary to the terms of this Agreement, whether or not existing and whether foreseeable or unforeseeable. Each of the Parties acknowledges that it would be unfair, and that it does not intend, to increase any of the obligations of the other Party on the basis of any implied obligation or otherwise.

(c) LIMITATION OF REPRESENTATIONS AND WARRANTIES. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN SECTION 3, NONE OF PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON IS MAKING ANY OTHER REPRESENTATIONS OR WARRANTIES, WRITTEN OR ORAL, STATUTORY, EXPRESS OR IMPLIED, CONCERNING SELLERS, THEIR RESPECTIVE SUBSIDIARIES, THE ACQUIRED ASSETS OR ASSUMED LIABILITIES AND IT IS UNDERSTOOD THAT BUYER, WITH SUCH EXCEPTIONS, TAKES THE ACQUIRED ASSETS "AS IS" AND "WHERE IS". BUYER ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, NONE OF PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON HAS MADE, AND EACH OF PARENT, ITS SUBSIDIARIES AND SELLING AFFILIATES HEREBY EXPRESSLY DISCLAIMS AND NEGATES, AND BUYER HEREBY EXPRESSLY WAIVES (EXCEPT WITH RESPECT TO FRAUD AND WILLFUL MISCONDUCT), ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED, AT COMMON LAW, BY STATUTE OR OTHERWISE RELATING TO, AND BUYER HEREBY EXPRESSLY WAIVES AND RELINQUISHES ANY AND ALL RIGHTS, CLAIMS AND CAUSES OF ACTION AGAINST PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON AND THEIR RESPECTIVE AFFILIATES AND EACH OF THEIR RESPECTIVE REPRESENTATIVES IN CONNECTION WITH THE ACCURACY, COMPLETENESS OR MATERIALITY OF ANY INFORMATION, DATA OR OTHER

MATERIALS (WRITTEN OR ORAL) HERETOFORE FURNISHED TO BUYER OR ITS REPRESENTATIVES BY OR ON BEHALF OF PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON AND THEIR RESPECTIVE AFFILIATES OR ANY OF THEIR RESPECTIVE REPRESENTATIVES IN CONNECTION THEREWITH, EXCEPT TO THE EXTENT COVERED BY THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN SECTION 3 AND EXCEPT WITH RESPECT TO FRAUD AND WILLFUL MISCONDUCT. WITH RESPECT TO ANY PROJECTION OR FORECAST DELIVERED ON BEHALF OF PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON TO BUYER OR ITS REPRESENTATIVES, BUYER ACKNOWLEDGES THAT (I) THERE ARE UNCERTAINTIES INHERENT IN ATTEMPTING TO MAKE SUCH PROJECTIONS AND FORECASTS, (II) IT IS FAMILIAR WITH SUCH UNCERTAINTIES, (III) IT IS TAKING FULL RESPONSIBILITY FOR MAKING ITS OWN EVALUATION OF THE ADEQUACY AND ACCURACY OF ALL SUCH PROJECTIONS AND FORECASTS FURNISHED TO IT, AND (IV) IT SHALL HAVE NO CLAIM AGAINST PARENT, ITS SUBSIDIARIES, SELLING AFFILIATES OR ANY OTHER PERSON AND THEIR RESPECTIVE AFFILIATES OR THEIR RESPECTIVE REPRESENTATIVES WITH RESPECT THERETO.

(d) No Successor Liability. The Parties intend that, except where expressly prohibited under applicable Law, upon the Closing, Buyer shall not be deemed to: (i) be the successor of any Seller, (ii) have, de facto, or otherwise, merged with or into any Seller, (iii) be a mere continuation or substantial continuation of any Seller or the enterprise(s) of any Seller, or (iv) be liable for any acts or omissions of any Seller in the conduct of the Business or arising under or related to the Acquired Assets other than as set forth in this Agreement. Without limiting the generality of the foregoing, and except as otherwise provided in this Agreement, the Parties intend that Buyer shall not be liable for any bankruptcy claims, other claims, written notices, causes of action or Litigation against any Seller or any of any Seller's predecessors or affiliates, and Buyer shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing Date, whether now existing or hereafter arising, or whether fixed or contingent, with respect to the Business, the Acquired Assets, the Excluded Assets or the Excluded Liabilities or any other obligations of Sellers, including, without limitation, Liabilities on account of any Taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of the Business or the Acquired Assets. The Parties agree that the provisions substantially in the form of this Section 9(d) shall be reflected in the Sale Order.

Section 10. Miscellaneous.

(a) Confidentiality. Buyer acknowledges that Information (as defined in the Confidentiality Agreement) has been, and in the future will be, provided to it in connection with this Agreement, including under Section 5(f)(i), and is subject to the Confidentiality Agreement, the terms of which are incorporated herein by reference. Parent and Buyer agree that contemporaneously with the filing of the Sale Motion, Parent shall file a separate motion with the Bankruptcy Court seeking to file certain agreed upon schedules, annexes and exhibits to this Agreement under seal to ensure the continued confidentiality of such schedules, annexes and exhibits and the information set forth therein, subject to Parent's ability to make such confidential information available to prospective bidders. Specifically, this Agreement may be

made available by Parent to prospective bidders following entry of the Bidding Procedures Order and such disclosure shall not be deemed to violate any confidentiality obligations owing to Buyer, whether pursuant to this Agreement, the Confidentiality Agreement or otherwise, provided that each such prospective bidder enters into a confidentiality agreement in form and substance reasonably acceptable to Buyer with respect to the information contained in this Agreement.

(b) Expenses. Except as otherwise provided in this Agreement (including Section 8(c)), Parent and the Selling Affiliates, on the one hand and Buyer, on the other hand, shall bear their own expenses, including attorney's fees, incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby. Notwithstanding the foregoing, in the event of any action or proceeding to interpret or enforce this Agreement, the prevailing Party in such action or proceeding (*i.e.*, the Party who, in light of the issues contested or determined in the action or proceeding, was more successful) shall be entitled to have and recover from the non-prevailing Party such costs and expenses (including all court costs and reasonable attorneys' fees) as the prevailing Party may incur in the pursuit or defense thereof. Buyer and Parent shall each be responsible for one-half of any HSR Act filing fees.

(c) Entire Agreement. This Agreement, the Related Agreements and the Confidentiality Agreement constitute the entire agreement between the Parties and supersede any prior understandings, agreements or representations by or between the Parties, written or oral, to the extent they relate in any way to the subject matter hereof.

(d) Incorporation of Schedules and Exhibits. The Disclosure Schedules, Annexes and Exhibits to this Agreement are incorporated herein by reference and made a part hereof.

(e) Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 10(e). Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

(f) Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors (including any

trustee, receiver, manager, interim receiver or monitor or similar officer appointed in respect of Sellers in the Chapter 11 Cases or in any chapter 7 case into which the Chapter 11 Cases may be converted) and permitted assigns. No Party may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

(h) Governing Law; Jurisdiction. This Agreement shall in all aspects be governed by and construed in accordance with the Laws of the State of New York, without regard to any conflict of laws provision that would require the application of the Law of any other jurisdiction other than the principles set forth in Section 5-1401 of the General Obligations law of the State of New York. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the Parties irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby, and consent to the exclusive jurisdiction of, the Bankruptcy Court. After Sellers are no longer subject to the jurisdiction of the Bankruptcy Court or if the Bankruptcy Court is unwilling or unable to hear any matter arising under or in connection with this Agreement, the Related Agreements or the transactions contemplated hereby or thereby, such matter shall be brought in the courts in the Court of Chancery for the State of Delaware in and for New Castle County (the "Chancery Court"), and in the event that the Chancery Court does not have subject matter jurisdiction as to a matter arising out of or relating to this Agreement, in any state or federal court of the State of Delaware located in New Castle County. Each of the Parties hereto agrees that any action instituted by it arising out of or relating to this Agreement will be instituted exclusively in one of the above specified courts. Each Party waives any defense of inconvenient forum to the maintenance of any dispute or action so brought, consents to service of process by mail and waives any objection to venue in any such court. Each Party agrees that a final judgment in any dispute or action so brought will be conclusive and may be enforced by dispute or action on the judgment or in any other manner provided at law (common, statutory or other) or in equity.

(i) Consent to Service of Process. Each of the Parties hereby consents to process being served by any Party in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 10(g).

(j) WAIVERS OF JURY TRIAL. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED IN THIS AGREEMENT.

(k) Specific Performance.

(i) Parent acknowledges and agrees that damages at law may be an inadequate remedy for the breach of any of Parent's covenants, promises and agreements contained in this Agreement, and, accordingly, Buyer shall be entitled to injunctive relief with respect to any such breach, including without limitation specific performance of such covenants, promises or agreements or an order enjoining Sellers from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this Agreement. The rights set forth in this Section 10(k)(i) shall be in addition to any other rights which Buyer may have at law or in equity pursuant to this Agreement.

(ii) Solely with respect to the Specific Buyer Agreements, Buyer acknowledges and agrees that damages at law may be an inadequate remedy for the

breach of any of the Specific Buyer Agreements contained in this Agreement, and, accordingly, Parent shall be entitled to injunctive relief solely with respect to any such breach of the Specific Buyer Agreements, including without limitation specific performance of only such Specific Buyer Agreements or an order enjoining Buyer from any threatened, or from the continuation of any actual, breach of only the Specific Buyer Agreements. The rights set forth in this Section 10(k)(ii) with respect to any Specific Buyer Agreements shall be in addition to any other rights which Parent may have at law or in equity with respect to such Specific Buyer Agreements pursuant to this Agreement.

(l) Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

(m) Survival. The representations and warranties and the covenants required to be performed prior to the Closing Date contained in this Agreement shall terminate as of the Closing Date, and none of the parties shall have any Liability to each other after the Closing for any breach thereof. The covenants contained in this Agreement to be performed at or after the Closing shall survive the Closing until fully performed in accordance with their respective terms, and each party hereto shall be liable to the other after the Closing for any breach thereof.

(n) No Third Party Beneficiaries. Other than with respect to the Selling Affiliates under Section 6(d) and Section 6(f), this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns. For avoidance of doubt, and without limitation, the Parties acknowledge and agree that all provisions contained in Sections 5(q) and 6(e) of this Agreement with respect to employees are included for the sole benefit of the respective Parties and shall not create any right (i) in any other Person, including any employees, former employees, any participant in any Employee Benefit Plan or any beneficiary thereof or (ii) to continued employment with Sellers or Buyer.

(o) Construction. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of names and pronouns shall include the plural and vice versa. The words "including" and "include" and other words of similar import will be deemed to be followed by the phrase "without limitation." The words "herein," "hereto" and "hereby," and other words of similar import refer to this Agreement as a whole and not to any particular Section or other subdivision of this Agreement. References to Sections, clauses, subclauses, subparagraphs, Annexes and Exhibits herein are references to Sections, clauses, subclauses, subparagraphs, Annexes and Exhibits of this Agreement. The word "if" and other words of similar import will be deemed to be followed by the phrase "and only if." Any reference herein to law or to a law, statute, rule or regulation of any Governmental Entity (or any provision thereof) shall include all laws and such law, statute, rule or regulation promulgated thereunder (or provision thereof), including any successor thereto, as it may be amended from time to time. Any reference herein to "dollars" or "\$" shall mean United States dollars.

(p) Computation of Time. In computing any period of time prescribed by or allowed with respect to any provision of this Agreement that relates to Sellers or the Chapter 11 Cases, the provisions of rule 9006(a) of the Federal Rules of Bankruptcy Procedure shall apply.

(q) Mutual Drafting. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

(r) Headings; Table of Contents. The Section headings and the table of contents contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

(s) Counterparts; Facsimile or Email Signatures. This Agreement may be executed in one (1) or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by facsimile or email with scan attachment copies or pdf, each of which shall be deemed an original.

(t) No Right of Set-Off. Except as it relates to the disposition of the Deposit, the Working Capital Escrow Deposit and the Transfer Tax Escrow as expressly set forth in this Agreement, Buyer for itself and for its Affiliates, successors and assigns hereby unconditionally and irrevocably waives any rights of set-off, netting, offset, recoupment, or similar rights that Buyer or any of its Affiliates, successors and assigns has or may have with respect to the payment of the Initial Purchase Price, the Final Purchase Price or any other payments to be made by Buyer pursuant to this Agreement, the Related Agreements or any other document or instrument delivered by Buyer in connection herewith. The Working Capital Escrow Deposit shall be used solely in connection with any required payment by Parent of a Purchase Price Adjustment pursuant to Section 2(e)(iv), as provided in clause (B) of Section 2(e)(iv); in no event shall the Working Capital Escrow Deposit be used for any other purpose or be subject to any offset or other claims in connection with this Agreement or otherwise. The Transfer Tax Escrow shall be used solely in connection with any required payment by Parent of a Purchase Price Adjustment pursuant to Section 6(f)(i); in no event shall the Transfer Tax Escrow be used for any other purpose or be subject to any offset or other claims in connection with this Agreement or otherwise.

(u) Non-Disparagement. Buyer agrees to refrain from making any statements about Sellers or any of their respective current and former employees, officers or directors that would disparage or reflect unfavorably upon the image or reputation of Sellers or any such employee, officer or director. Parent agrees to (and shall cause the Selling Affiliates to) refrain from making any statements about Buyer or any of its current and former employees, officers or directors that would disparage or reflect unfavorably upon the image or reputation of Buyer or any such employee, officer or director.

(v) Time of Essence. With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

(w) Remedies.

(i) LIQUIDATED DAMAGES. IF THERE SHALL BE A BREACH OF ANY REPRESENTATION, WARRANTY, OBLIGATION, COMMITMENT OR AGREEMENT MADE BY BUYER OR GUARANTOR, OR ANY COVENANT REQUIRED TO BE PERFORMED BY BUYER OR GUARANTOR OR ANY OTHER DEFAULT UNDER THIS AGREEMENT BY BUYER OR GUARANTOR PRIOR TO THE CLOSING, PARENT'S SOLE REMEDY SHALL BE TO TERMINATE THIS AGREEMENT PURSUANT TO AND TO THE EXTENT PROVIDED IN SECTION 8(a)(v) AND TO RECEIVE THE DEPOSIT AS DESCRIBED IN SECTION 2(d)(iii)(b) AS LIQUIDATED DAMAGES. PARENT, GUARANTOR AND BUYER ACKNOWLEDGE THAT PARENT'S DAMAGES WOULD BE DIFFICULT TO DETERMINE, AND THAT THE DEPOSIT IS A REASONABLE ESTIMATE OF PARENT'S DAMAGES. PARENT, GUARANTOR AND BUYER SPECIFICALLY FURTHER AGREE AFTER NEGOTIATION THAT THIS SECTION 10(w)(i) IS INTENDED TO AND DOES LIQUIDATE THE AMOUNT OF DAMAGES DUE PARENT, AND SHALL BE PARENT'S EXCLUSIVE REMEDY AGAINST BUYER AND GUARANTOR, BOTH AT LAW AND IN EQUITY ARISING FROM OR RELATED TO A BREACH OF ANY REPRESENTATION, WARRANTY, OBLIGATION, COMMITMENT OR AGREEMENT MADE BY BUYER OR GUARANTOR, OR ANY COVENANT REQUIRED TO BE PERFORMED BY BUYER OR GUARANTOR PRIOR TO THE CLOSING, THAT GIVES RISE TO A TERMINATION EVENT PURSUANT TO SECTION 8(a)(v) AND PARENT HEREBY WAIVES ANY AND ALL OTHER DAMAGES (INCLUDING PUNITIVE, CONSEQUENTIAL OR SPECIAL DAMAGES). THIS PROVISION IS A MATERIAL INDUCEMENT FOR EACH OF THE PARTIES TO ENTER INTO THIS AGREEMENT. FOR THE AVOIDANCE OF DOUBT, IN THE EVENT OF A BREACH BY BUYER OR GUARANTOR OF ANY PROVISION OF THIS AGREEMENT PARENT'S SOLE AND EXCLUSIVE REMEDY IS TO TERMINATE THIS AGREEMENT PURSUANT TO AND TO THE EXTENT PROVIDED IN SECTION 8(a)(v) AND TO RECEIVE LIQUIDATED DAMAGES AS SET FORTH IN THIS SECTION 10(w)(i). NOTWITHSTANDING THE FOREGOING PROVISIONS OF THIS SECTION 10(w)(i), PARENT SHALL IN ALL INSTANCES RETAIN ITS SPECIFIC PERFORMANCE RIGHTS AS SPECIFICALLY SET FORTH IN SECTION 10(k)(ii).

(ii) The Parties acknowledge and agree that, in addition to the remedies available to Buyer as set forth in Section 5(d)(ii), Section 8(c) and Section 10(k) and any other remedies available to Buyer under Law, upon a breach of any representation or warranty made by Parent, or any covenant required to be performed by Parent prior to the Closing, Buyer shall have the option to terminate this Agreement pursuant to and to the extent permitted by Section 8(a)(iv) and to receive the return of the Deposit to the extent provided in Section 2(d)(iii)(C).

(iii) If Buyer seeks to enforce the terms and provisions of this Agreement pursuant to Section 10(k)(i) and prevails in such action, then Buyer shall be entitled to recover from Parent, in addition to the remedies provided in Section 10(w)(ii), all costs

incurred in connection with such action, including reasonable legal fees, expenses and costs incurred at the trial court, all appellate courts and during negotiations.

(iv) If Parent seeks to enforce any of the Specific Buyer Agreements pursuant to Section 10(k)(ii) and prevails in such action, then Parent shall be entitled to recover from Buyer all costs incurred in connection with such action, including reasonable legal fees, expenses and costs incurred at the trial court, all appellate courts and during negotiations.

(x) Guaranty. (i) Subject to the conditions and limitations as set forth below, Guarantor hereby absolutely, irrevocably and unconditionally guarantees, as principal and not as surety, to Sellers the due and punctual payment and performance of all obligations of Buyer under this Agreement, subject in all cases to all rights of Buyer hereunder with respect to such obligations, including the remedies available to Parent in the event of a breach of any such obligations (the guaranty obligations under this Section 10(x), collectively, the "Guaranteed Obligations"). Notwithstanding any provision of this Section 10(x) to the contrary, Guarantor shall have and may assert against Parent and the Guaranteed Obligations, and the Guaranteed Obligations shall be subject to, any claim, right, deduction, limitation or defense of any kind that Buyer may have or may assert pursuant to the provisions of the Agreement, including without limitation Section 10(w)(i).

(ii) Guarantor guarantees that the Guaranteed Obligations will be duly and punctually paid and fully and completely performed (in the case of performance, as if Guarantor were the primary obligor) in accordance with the terms of this Agreement. If for any reason Buyer shall fail or be unable duly and punctually to pay or fully and completely to perform any Guaranteed Obligation as and when the same shall become due or otherwise required, then Guarantor shall, subject to the terms and conditions of this Agreement, forthwith duly and punctually pay or fully and completely perform such Guaranteed Obligation (in the case of performance, as if Guarantor was the primary obligor), subject in all cases to Buyer's rights under this Agreement with respect to such Guaranteed Obligations. Guarantor further agrees that this Agreement, to the extent it requires the payment of money, constitutes a guaranty of payment when due and not of collection and is in no way conditioned or contingent upon any attempt to collect from Buyer, but is subject to all terms and conditions of this Agreement.

(iii) Subject in all cases to Section 2(d)(iii)(B) and the fact that the Deposit shall represent liquidated damages for Parent in certain instances, Guarantor hereby unconditionally waives (A) any and all notices, including promptness, diligence, notice of acceptance of this Agreement and any other notice with respect to any of the Guaranteed Obligations and this Agreement, (B) any presentment, demand, performance, protest, notice of nonpayment as the same pertains to Buyer, suit or the taking of other action by Parent against, and any other notice to, Buyer, Guarantor or others with respect to any of the Guaranteed Obligations, (C) any right to require Parent to proceed against Buyer, (D) any defense based upon an election of remedies by Parent, unless the same would excuse performance by Buyer under this Agreement with respect to any of the Guaranteed Obligations and (E) any duty of Parent to advise Guarantor of any information known to Parent regarding Buyer or its ability to perform under this Agreement with respect to any of the Guaranteed Obligations. Parent may at any time, and from time to time, without notice to, or consent of, Guarantor and without

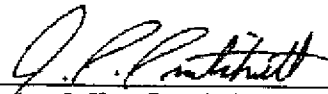

impairing or releasing the obligations of Guarantor hereunder, with respect to any of the Guaranteed Obligations, (1) agree with Buyer or Guarantor to make any change in the terms of the Guaranteed Obligations, or (2) exercise or refrain from exercising any rights against Buyer or Guarantor.

(iv) The provisions of this Section 10(x) shall continue to be effective or be reinstated, as the case may be, if (A) at any time and to the extent that any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the payee thereof upon the insolvency, bankruptcy, reorganization or similar event of Buyer or Guarantor, all as though such payment had not been made, or (B) the obligations of Guarantor under this Section 10(x), with respect to any of the Guaranteed Obligations, are released in consideration of a payment of money or transfer of property by Buyer or any other Person and to the extent that such payment, transfer or grant is rescinded or must otherwise be returned by the recipient thereof upon the insolvency, bankruptcy, reorganization or similar event of Buyer, Guarantor or such other Person, all as though such payment, transfer or grant had not been made. Notwithstanding anything to the contrary contained herein, nothing in this Section 10(x) shall be deemed to constitute a waiver of, or prevent Guarantor from asserting, any valid defense that may be assertable by Buyer.

District of Delaware (the "Local Rules"), seeking entry of an order, among other things: (i) authorizing and approving the procedures (the "Bidding Procedures") for (a) submitting bids for the purchase of substantially all of the Debtors' assets (the "Assets"), and (b) conducting an auction for the Assets (the "Auction"); (ii) authorizing and approving the proposed bid protections (the "Stalking Horse Protections") to Quad/Graphics Marketing, LLC (the "Stalking Horse Bidder") in accordance with that certain Asset Purchase Agreement dated October 10, 2012 (the "Stalking Horse Agreement") for the purchase of the Assets; (iii) authorizing and approving procedures for the assumption and assignment of certain executory contracts and unexpired leases in connection with the sale of the Assets (the "Assumption and Assignment Procedures"); (iv) scheduling (a) a deadline to submit competing/higher bids for the Assets, (b) the date and time of the Auction, and (c) the date and time of the hearing to consider approval of the proposed sale of the Assets (the "Sale Approval Hearing"); (v) authorizing and approving the form and manner of notice of the deadline to submit bids for the Assets, the Auction and the Sale Approval Hearing; and (vi) granting certain related relief, all as more fully described in the Motion; and a hearing having been held to consider the relief requested in the Motion (the "Bidding Procedures Hearing"); and upon the Declaration of Jeffrey Pritchett in Support of the Chapter 11 Petitions and First Day Applications, the record of the Bidding Procedures Hearing, and all of the proceedings had before the Court; and the Court having found and determined that the relief sought in the Motion is in the best interests of the Debtors, their estates and creditors, and all parties in interest and that the legal and factual bases set forth in the Motion and at the Bidding Procedures Hearing establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor:

THE COURT HEREBY FINDS THAT:³

A. This Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper in this district and this Court under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief requested in the Motion are sections 105(a), 363, 365 and 503 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004 and 6006, and Local Rules 2002-1 and 6004-1.

C. Good and sufficient notice of the relief granted by this Order has been given in light of the circumstances and the nature of the relief requested in the Motion, and no other or further notice is required. A reasonable opportunity to object or be heard regarding the relief requested in the Motion has been afforded to those parties entitled to notice pursuant to Local Rule 2002-1(b).

D. The Debtors have demonstrated a compelling and sound business justification for this Court to grant the relief requested in the Motion, including, without limitation, authorization and approval of (i) the Bidding Procedures, (ii) the Stalking Horse Protections, and (iii) the Assumption and Assignment Procedures, which are, in each case, fair, reasonable, and appropriate under the circumstances described herein and in the Motion, and designed to maximize the recovery on, and realizable value of, the Assets.

³ The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

E. The Bidding Procedures, in the form attached hereto as Exhibit 1 and incorporated herein by reference as if fully set forth in this Order, are fair, reasonable and appropriate and represent the best method for maximizing the value of the Debtors' estates.

F. The Stalking Horse Protections and the Overbid Increments are fair, reasonable and appropriate and provide a benefit to the Debtors' estates and creditors. The Debtors have demonstrated a compelling and sound business justification for the payment of the Break-Up Fee and Expense Reimbursement to the Stalking Horse Bidder under the circumstances, including, without limitation, that:

1. the Stalking Horse Protections are the product of negotiations among the Debtors and the Stalking Horse Bidder conducted in good faith and at arm's length, and the Stalking Horse Agreement (including the Stalking Horse Protections) is the culmination of a process undertaken by the Debtors and their professionals to negotiate a transaction with a bidder who was prepared to pay the highest or otherwise best purchase price to date for the Assets in order to maximize the value of the Debtors' estates;
2. the Stalking Horse Protections are an actual and necessary cost of preserving the Debtors' estates, within the meaning of section 503(b) of the Bankruptcy Code;
3. the Stalking Horse Protections are fair, reasonable and appropriate in light of, among other things, the size and nature of the proposed sale under the Stalking Horse Agreement, the substantial efforts that have and will be expended by the Stalking Horse Bidder, notwithstanding that the proposed sale is subject to higher and better offers, and the substantial benefits the Stalking Horse Bidder has provided to the Debtors, their estates and creditors and all parties in interest herein, including among other things, by increasing the likelihood that the highest and otherwise best bid for the Assets will be received;
4. the protections afforded to the Stalking Horse Bidder by way of the Stalking Horse Protections were material inducement for, and express conditions of, the Stalking Horse Bidder's willingness to expend considerable time and resources pursuing the purchase of the Assets and its willingness to enter into the Stalking Horse Agreement, and were necessary to ensure that the Stalking Horse Bidder would continue to pursue the proposed acquisition on terms acceptable to the Debtors in their business judgment, subject to competing bids; and

5. the assurance of the payment of the Stalking Horse Protections has promoted more competitive bidding by inducing the Stalking Horse Bidder's bid, which may be the highest and best available offer for the Assets, and which induced the Stalking Horse Bidder to submit a bid that will serve as a minimum or floor bid on which all other bidders can rely, and increases the likelihood that the final purchase price reflects the true value of the Assets such that the Stalking Horse Bidder will have improved the ability of the Debtors to receive the highest and otherwise best bid for the Assets.

G. The Sale Notice, substantially in the form attached hereto as Exhibit 2 and incorporated herein by reference as if fully set forth in this Order, is appropriate and reasonably calculated to provide all interested parties with timely and proper notice of the sale of the Assets, the Bidding Procedures, the Auction and the Sale Approval Hearing, and no other or further notice is required.

H. The Publication Notice, substantially in the form attached hereto as Exhibit 3 and incorporated herein by reference as if fully set forth in this Order, is appropriate and reasonably calculated to provide all unknown creditors and parties not otherwise required to be served with a copy of the Sale Notice pursuant to this Order with proper notice of the sale of the Assets, the Bidding Procedures, the Auction and the Sale Approval Hearing.

I. The Cure Notice, substantially in the form attached hereto as Exhibit 4 and incorporated herein by reference as if fully set forth in this Order, is appropriate and reasonably calculated to provide all interested parties with timely and proper notice of the assumption and assignment of the Contracts and the Leases in connection with the sale of the Assets and the related Cure Amount, and no other or further notice is required.

J. Entry of this Order is in the best interests of the Debtors and their respective estates and creditors, and all other parties in interest.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

1. The portions of the Motion seeking approval of (i) the Bidding Procedures; (ii) the Break-Up Fee and Expense Reimbursement; (iii) the Notice Procedures; (iv) the Assumption and Assignment Procedures; and (v) setting the time, date and place for the Sale Hearing are GRANTED.

Bidding Procedures

2. The Bidding Procedures are approved, and the Debtors are authorized to take any and all actions necessary or appropriate to implement the Bidding Procedures.

3. The Bidding Procedures shall govern the submission, receipt and analysis of all bids relating to the proposed sale of the Assets, and any party desiring to submit a higher or better offer for the Assets shall do so strictly in accordance with the terms of this Order and the Bidding Procedures.

4. As further described in the Bidding Procedures, any entity wanting to participate in the Auction must submit a Qualified Bid in writing to (i) the Debtors, Vertis Holdings, Inc., 250 W. Brewer, and Winston & Strawn, LLP, 35 W. Wacker Drive, Chicago, IL 60601, Attention: Brian I. Swett, (vi)

financial advisor to the Revolving Lenders, CDG Group, LLC, 645 Fifth Avenue, 11th Floor, New York, NY 10022, Attention: Robert Del Genio, (vii) counsel to the term lenders (the "Term Lenders"), Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, NY 10005, Attention: Gerard Uzzi and Anne Knight, and White & Case LLP, 1155 Avenue of the Americas, New York, NY 10036, Attention: Eric F. Leicht and Justin Wagstaff, and (viii) financial advisor to the Term Lenders, Houlihan Lokey, 10250 Constellation Boulevard., 5th Floor, Los Angeles, CA 90067, Attention: Christopher DiMauro and Todd Hanson, **so as to be actually received on or before [____], 2012 at 5:00 p.m. (prevailing Eastern Time)** (the "Bid Deadline"). No bids submitted after the Bid Deadline shall be considered by the Debtors.

5. If two or more Qualified Bids, including the Stalking Horse Bid, are received on or before the Bid Deadline, the Debtors shall conduct the Auction, in accordance with the Bidding Procedures, commencing on [____], 2012 at [____] a.m. / p.m. (**prevailing Eastern Time**), at the offices of Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, to determine the Successful Bid. The Auction may be adjourned or rescheduled by the Debtors as provided for in the Bidding Procedures. If the Stalking Horse Bid is the only Qualified Bid submitted by the Bid Deadline, as described in the Bidding Procedures, the Debtors shall not hold the Auction and the Stalking Horse Bid will be designated as the Successful Bid.

6. If the Auction is conducted, each Qualified Bidder participating in the Auction shall be required to confirm on the record at the Auction that it has not engaged in any collusion with respect to the bidding process or the sale. The Auction will be conducted openly and shall be transcribed and/or videotaped. Absent irregularities in the conduct of the Auction, the Court will not consider bids made after the Auction is closed.

7. As soon as possible after the conclusion of the Auction, if any, the Debtors shall file with the Bankruptcy Court a notice of the Successful Bidder.

8. The Sale Approval Hearing shall be held on [____], 2012 at [____] a.m. / p.m. (prevailing Eastern Time) at the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, [] Floor, Courtroom [____], Wilmington, Delaware 19801, before the Honorable [____], United States Bankruptcy Judge. The Sale Approval Hearing may be adjourned or rescheduled as provided in the Bidding Procedures, without further notice by an announcement of the adjourned date at the Sale Approval Hearing.

9. If the Successful Bidder fails to timely consummate the purchase of the Assets, or any part thereof, pursuant to the terms and conditions of any applicable Asset Purchase Agreement, including the Stalking Horse Agreement, then the next highest or otherwise best Qualified Bid (if any) (the "Back-up Bid") may be designated by the Debtors, in consultation with the Prepetition Lenders, as the Successful Bid, and the Debtors shall be authorized, but not required, to consummate the sale of the Assets to the Qualified Bidder that submitted the Back-Up Bid pursuant to the terms of such Back-Up Bid as soon as is commercially reasonable; provided that if the Back-Up Bid is the Stalking Horse Bid, the Stalking Horse Agreement shall be open and irrevocable only until the expiration of the Outside Back-Up Date (as defined in the Stalking Horse Agreement). If the Back-Up Bid is the Stalking Horse Bid and the Successful Bidder fails to consummate the purchase of the Assets by the expiration of the Outside Back-Up Date as a result of a breach or failure to perform on the part of such Successful Bidder, and the Debtors provide notice to the Stalking Horse Bidder in writing of such failure before the expiration of the Outside Back-Up Date, as provided for in the Stalking Horse Agreement, then, if the Stalking Horse Bidder is the Back-Up Bidder, the Stalking Horse

Bidder will be deemed to have the new prevailing bid, and the Debtors will be authorized and directed, without further order of the Bankruptcy Court (except, at the election of the Stalking Horse Bidder, to the extent necessary to bring the Sale Order into conformity with the form of the Sale Order required by the Stalking Horse Agreement, without further notice and hearing required), to consummate the Stalking Horse Agreement on the terms set forth therein (as the same may be improved upon by the Stalking Horse Bidder in the Auction).

Stalking Horse Protections

10. The Debtors' selection of Quad/Graphics Marketing, LLC as the Stalking Horse Bidder is approved, and the Stalking Horse Bid shall be deemed a Qualified Bid for all purposes of the Bidding Procedures.

11. The proposed Stalking Horse Protections to be provided to the Stalking Horse Bidder, in the amounts of \$8,000,000 with respect to the Break-Up Fee, and \$2,500,000 with respect to the Expense Reimbursement, as set forth in the Stalking Horse Agreement, are deemed approved by the Court. The Debtors are authorized and directed to provide the Stalking Horse Bidder with the Stalking Horse Protections, and pay any and all such amounts owed to the Stalking Horse Bidder on account of the Stalking Horse Protections, pursuant to the terms of the Stalking Horse Agreement, without further order of the Court. The Break-Up Fee and Expense Reimbursement are each deemed an administrative expense of the Debtors' estates under section 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code.

12. Except for the Stalking Horse Bidder, no other Potential Bidder shall be entitled to any breakup fee, overbid fee, termination fee, expense reimbursement or similar type of payment.

15. The Assumption and Assignment Procedures are approved.

16. The Cure Notice is approved. Within five (5) business days after entry of this Order or as soon thereafter as practicable, the Debtors shall serve the Cure Notice by first class mail individually upon each non-Debtor counterparty to the Contracts and Leases proposed

to be assumed and assigned pursuant to the Stalking Horse Agreement. The Cure Notice shall include, for each counterparty, (i) the title of the Contract and Lease proposed to be assumed and assigned, (ii) the name of the counterparties to such Contracts and Leases, (iii) the amount, if any, determined by the Debtors to be necessary to be paid to cure any existing default under such Contract or Lease in accordance with sections 365(b) and (f)(2) of the Bankruptcy Code (the "Cure Amount"), and (iv) the deadline by which any counterparty to such Contracts and Leases must file an objection to the proposed assumption and assignment of such Contract or Lease, including, without limitation, as to the applicable Cure Amount and the ability of the Stalking Horse Bidder to provide adequate assurance of future performance under the applicable Contract or Lease within the meaning of section 365(b)(1)(C) of the Bankruptcy Code. The Debtors may supplement and modify the Cure Notice at any time, provided that to the extent that the Debtors add a Contract or Lease to the Cure Notice or modify the Cure Amount, the Debtors shall provide the affected party a separate notice and an opportunity to object to such addition or modification.

17. Within five (5) business days after entry of this Order or as soon thereafter as practicable, the Debtors will file under seal an alphabetized list of the counterparties to the Contracts and Leases who received the Cure Notice, and the proposed Cure Amount for each Contract and Lease (the "Cure List"), and serve the Cure List upon (i) counsel to the Stalking Horse Bidder, (ii) the U.S. Trustee, (iii) counsel to the Creditors' Committee, (iv) counsel to the Prepetition Lenders, and (v) counsel to the DIP Agent, and file an appropriate affidavit of service with respect to the same on the docket of these cases.

18. Any objection to the assumption and assignment of any Contract or Lease, including the ability of the Stalking Horse Bidder to provide adequate assurance of future

performance under the applicable Contract or Lease within the meaning of section 365(b)(1)(C) of the Bankruptcy Code, must (i) be in writing, (ii) comply with the Bankruptcy Rules and Local Rules, (iii) set forth the basis for the objection as well as any cure amount that the objector asserts to be due (in all cases with appropriate documentation in support thereof), and (iv) be filed with the Clerk of the Court, United States Bankruptcy Court for the District of Delaware, [_____] Floor, 824 Market Street, Wilmington, Delaware 19801, and served on (i) lead counsel to the Debtors, Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: John J. Klauder, Esq., and (viii) any persons who have filed a request for notice in the above-captioned chapter 11 cases pursuant to Local Rule 2002-1, so as to be **actually received** no later than [_____] , 2012 at 5:00 p.m. (prevailing Eastern Time) (the "**Cure Objection Deadline**").

19. To the extent that any entity does not timely object as set forth above, such entity shall be (i) forever barred and estopped from (a) objecting to the assumption and assignment of the Contracts and Leases, other than objecting to the ability of a Successful Bidder other than the Stalking Horse Bidder to provide adequate assurance of future performance under the Contracts and Leases within the meaning of section 365(b)(1)(C) of the Bankruptcy Code, (b) asserting that any conditions to the assumption and assignment of any Contract or Lease must be satisfied under such Contract or Lease before such Contract or Lease may be assumed and assigned, or that any required consent to any such assignment has not been given or (c) asserting that the Stalking Horse Bidder has failed to provide adequate assurance of future performance as contemplated under section 365(b)(1)(C) of the Bankruptcy Code in respect of any such Contract or Lease, (ii) deemed to have consented to the applicable Cure Amount, if any, and bound to such corresponding Cure Amount, (iii) deemed to have agreed that all defaults under the applicable Contract or Lease arising or continuing prior to the effective date of the assignment have been cured as a result or precondition of the assignment, such that the Successful Bidder or the Debtors shall have no liability or obligation with respect to any default occurring or continuing prior to the assignment, and from and after the date of the assignment of the applicable Contract or Lease shall remain in full force and effect for the benefit of the Successful Bidder and such entity in accordance with its terms, (iv) deemed to have waived any right to terminate the applicable Contract or Lease or designate an early termination date under the applicable Contract or Lease as a result of any default that occurred and/or was continuing prior to the assignment date, and (v) deemed to have agreed that the terms of the Sale Order shall apply to the assumption and assignment of the applicable Contract or Lease.

20. Any request for adequate assurance information regarding the Stalking Horse Bidder (a "Request for Adequate Assurance Regarding Stalking Horse Bidder") must include an email address, postal address and/or facsimile number to which a response to such request will be sent. Upon receiving a Request for Adequate Assurance Regarding Stalking Horse Bidder, the Debtors shall promptly provide such party with any non-confidential information reasonably related to adequate assurance by email, facsimile or overnight delivery, and the Stalking Horse Bidder shall promptly cooperate with the Debtors with respect to the provision of such non-confidential information.

21. If an objection is timely received and such objection cannot otherwise be resolved by the parties, the Court may hear such objection at the Sale Approval Hearing, if the Cure Notice is served at least seven (7) days prior thereto, or any later date set by the Court. The pendency of a dispute relating to the Cure Amount will not prevent or delay the assumption and assignment of any Contract or Lease.

Objection Procedures

22. All other objections to approval of the sale of the Assets to the Successful Bidder, including any objection to the ability of the Successful Bidder, to the extent the Successful Bidder is any entity other than the Stalking Horse Bidder, to provide adequate assurance of future performance under a Contract or Lease within the meaning of section 365(b)(1)(C) of the Bankruptcy Code, shall (i) be in writing, (ii) comply with the Bankruptcy Rules and the Local Rules, (iii) set forth the name of the objector, (iv) state with particularity the legal and factual bases for such objection, and (v) be filed with the Clerk of the Court, United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 3rd Floor, Wilmington, Delaware 19801, together with proof of service thereof, and served on the following parties so as to be **actually received** no later than 5:00 p.m. (prevailing Eastern

24. EXHIBIT 1

Bidding Procedures

EXHIBIT A

BIDDING PROCEDURES

By Order of the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), set forth below are the bidding procedures (the "Bidding Procedures") to be employed in connection with the sale of the Assets (as defined below) of Vertis Holdings, Inc. and certain of its affiliates that are debtors and debtors-in-possession (collectively, the "Debtors"), in the jointly administered cases (the "Cases") under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code") pending in the Bankruptcy Court (Case No. []) Pursuant to the Bidding Procedures, the Debtors shall solicit bids for the purchase of the Assets (as defined below), conduct an auction for the Assets (the "Auction") if the Debtors receive two or more Qualified Bids (as defined below), and thereafter, seek entry of an order (the "Sale Order"), after notice and a hearing (the "Sale Approval Hearing"), authorizing and approving the sale of the Assets to the Successful Bidder (as defined below).

On October 10, 2012, the Debtors filed with the Bankruptcy Court, among other things, the "Motion of Debtors for Entry of (I) an Order (A) Authorizing and Approving Bidding Procedures in Connection with the Sale of Substantially All of the Debtors' Assets, (B) Authorizing and Approving Stalking Horse Protections, (C) Authorizing and Approving Procedures Related to the Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection with the Sale, (D) Scheduling Auction and Sale Approval Hearing, (E) Approving the Form and Manner of the Notice of the Sale Hearing, and (F) Granting Certain Related Relief; and (II) an Order (A) Approving the Sale of Substantially All of the Debtors' Assets, (B) Authorizing the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection with the Sale, and (C) Granting Certain Related Relief" (the "Sale Motion"). On [•], the Bankruptcy Court entered an order approving the Bidding Procedures (the "Bid Procedures Order") and scheduling [•], 2012 at [•] a.m. / p.m. (prevailing Eastern Time) as the date and time that the Sale Approval Hearing will be held.

A. Assets to be Sold

The Debtors seek to sell substantially all of their assets, including, without limitation, all equipment, machinery, inventory, supplies, real property, software, intellectual property, cash, and accounts receivable (such assets, the "Assets").

B. Free of Any and All Claims and Interests

Except as otherwise provided in definitive documentation with respect to any sale of the Assets, all of the Debtors' rights, title and interest in and to the Assets, or any portion thereof, shall be sold pursuant to the Sale Order free and clear of all liens, claims, encumbrances, rights, remedies, restrictions, pledges, interests, liabilities, charges, options and contractual commitments of any kind or nature whatsoever, whether arising before or after the date that the Debtors filed the Cases in the Bankruptcy Court, whether at law or in equity, in accordance with section 363 of the Bankruptcy Code (collectively, the "Claims and Interests"), with such Claims and Interests to attach to the net proceeds of the sale of such Assets except, with respect to the Stalking Horse Bidder, as set forth in the Stalking Horse Agreement (defined below) and the Sale

Order, with respect to a Successful Bidder other than the Stalking Horse Bidder, to the extent otherwise set forth in the applicable Asset Purchase Agreement of such Successful Bidder.

C. Stalking Horse Bid

The Debtors have executed an Asset Purchase Agreement (collectively, with all ancillary documents and agreements, the "Stalking Horse Agreement") with Quad/Graphics Marketing, LLC (the "Stalking Horse Bidder") and Quad/Graphics, Inc. (the "Guarantor"), dated October 10, 2012, which contemplates the sale of substantially all of the Assets to the Stalking Horse Bidder in consideration for \$258,500,000 and the Working Capital Adjustment (as defined and provided for in the Stalking Horse Agreement) and the assumption of certain liabilities (the "Stalking Horse Bid"). The Stalking Horse Bid shall be deemed a Qualified Bid (as defined below) for purposes of these Bidding Procedures. The Debtors have agreed that in the event that the Bankruptcy Court approves the purchase of some or all of the Assets by any party other than the Stalking Horse Bidder, the Debtors shall (i) pay the Stalking Horse Bidder a break-up fee in the amount of \$8,000,000 (the "Break-Up Fee"), and (ii) reimburse the Stalking Horse Bidder for its reasonable out-of-pocket expenses up to an aggregate amount not to exceed \$2,500,000 (the "Reimbursable Expenses," and together with the Break-Up Fee, the "Stalking Horse Protections"), in accordance with the Stalking Horse Agreement and the Bidding Procedures Order.

D. Bid Deadline

Any entity wanting to submit a competing bid (a "Competing Bid") for all or substantially all of the Assets and participate in the Auction (a "Potential Bidder") must submit a Qualified Bid in writing so as to be actually received on or before [•], 2012 at 5:00 p.m. (prevailing Eastern Time) (the "Bid Deadline"), to each of the following parties: (i) the Debtors, Vertis Holdings, Inc., 250 W. Pratt Street, Baltimore, MD 21201, Attention: Gerald Sokol Jr., Chief Executive Officer, and Jeff Pritchett, Interim Chief Financial Officer, (ii) counsel for the Debtors, Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, NY 10281, Attention: John J. Rapisardi, Geoffrey W. Levin, and Zachary H. Smith, (iii) financial advisor and investment banker to the Debtors, Perella Weinberg Partners, 767 Fifth Avenue, New York, NY 10153, Attention: Joshua Scherer and Nikhil Menon, (iv) restructuring advisor to the Debtors, Alvarez & Marsal, 600 Madison Avenue, 8th Floor, New York, NY 10022, Attention: Andrew Hede and Ralph Schipani, (v) counsel to the Revolving Lenders, Winston & Strawn LLP, 200 Park Avenue, New York, NY 10166, Attention: William D. Brewer, and Winston & Strawn, LLP, 35 W. Wacker Drive, Chicago, IL 60601, Attention: Brian I. Swett, (vi) financial advisor to the Revolving Lenders, CDG Group, LLC, 645 Fifth Avenue, 11th Floor, New York, NY 10022, Attention: Robert Del Genio, (vii) counsel to the Term Lenders, Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, NY 10005, Attention: Gerard Uzzi and Anne Knight, and White & Case LLP, 1155 Avenue of the Americas, New York, NY 10036, Attention: Eric F. Leicht and Justin Wagstaff, and (viii) financial advisor to the Term Lenders, Houlihan Lokey, 10250 Constellation Boulevard., 5th Floor, Los Angeles, CA 90067, Attention: Christopher DiMauro and Todd Hanson. No bids submitted after the Bid Deadline shall be considered by the Debtors.

E. Bid Requirements

For the avoidance of doubt, the Debtors shall consider only Competing Bids for substantially all of the Assets; provided, however, the Debtors reserve the right, in consultation with the Revolving Lenders and the Term Lenders (collectively, the "Prepetition Lenders"), to accept bids for Assets that the Stalking Horse Bidder has explicitly excluded from the sale, as set forth in the Stalking Horse Agreement; provided further, however, the Debtors reserve the right, in consultation with the Prepetition Lenders, to aggregate Competing Bids from unaffiliated Potential Bidders for less than substantially all of the Assets, to create one Qualified Bid for all or substantially all of the Assets.

Only Competing Bids for the Assets that constitute "Qualified Bids" will be considered by the Debtors. Other than the Stalking Horse Bid, a "Qualified Bid," is an offer to purchase all or substantially all of the Assets that:

- specifically identifies the Assets to be purchased and the consideration to be paid for such Assets,
- proposes a purchase price for the Assets that is \$15,500,000 greater than the Stalking Horse Bid, which is the sum of the Stalking Horse Protections plus \$5,000,000,
- includes a copy of the Stalking Horse Agreement (i) executed by a duly authorized representative of the Potential Bidder, (ii) marked to reflect any and all modifications to the Stalking Horse Agreement (including modifications to any relevant exhibits, schedules or other documents), and (iii) which proposes a transaction that is no more burdensome or conditional, and is otherwise on terms and conditions better or more favorable to the Debtors, than the Stalking Horse Agreement,
- identifies the Potential Bidder and the officer(s) or authorized agent(s) who will appear on behalf of such Potential Bidder,
- provides (i) the most current audited and latest unaudited financial statements of the Potential Bidder ("Financials"), or (ii) if the Potential Bidder is an entity formed for the purpose of acquiring the Assets to be purchased, (a) Financials of the equity holder(s) of the Potential Bidder and (b) a written commitment for financing by such equity holder(s) of the Potential Bidder or another bona fide financing source to be responsible for the Potential Bidder's obligations with respect to the sale of the Assets that is satisfactory to the Debtors in their reasonable discretion, or (iii) such other form of financial disclosure as is acceptable to the Debtors, in consultation with the Prepetition Lenders, in each case that demonstrates to the Debtors, in consultation with the Prepetition Lenders, that the Potential Bidder has the financial wherewithal and operational ability to consummate the transaction contemplated by the Competing Bid,

- does not request or entitle the Potential Bidder to any breakup fee, overbid fee, termination fee, expense reimbursement, or similar type of payment,
- provides that such offer is not subject to any due diligence or financing contingency, further board or similar approval, or conditioned on bid protections,
- provides for a good faith deposit (a "Good Faith Deposit") to be submitted to the Debtors on or before the Bid Deadline in an amount equal to not less than 10% percent of the proposed purchase price,
- provides a representation that the Potential Bidder will make all necessary filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 ("HSR Act"), and the Potential Bidder shall be responsible for any HSR Act filing fees,
- identifies any executory contracts ("Contracts") or unexpired leases ("Leases") to be assumed and assigned in connection with the proposed purchase of the Assets and provides evidence of the Potential Bidder's ability to provide adequate assurance of future performance under such Contracts and Leases,
- provides that such offer is irrevocable until two (2) business days after consummation of a transaction involving any other Potential Bidder or the Stalking Horse Bidder for the same Assets,
- includes a copy of a board resolution or similar document demonstrating the authority of the Potential Bidder to submit an offer to purchase the Assets on the terms proposed by such Potential Bidder, and
- contains the form of order approving the proposed transaction that the Potential Bidder would request the Debtors to submit to the Bankruptcy Court.

In order to facilitate the preparation and submission of bids for the Assets, the Debtors have (i) filed with the Bankruptcy Court and made publicly available the Stalking Horse Agreement, certain non-confidential schedules thereto, and form of the Sale Order, as exhibits to the Sale Motion, and (ii) filed with the Bankruptcy Court under seal, certain confidential schedules to the Stalking Horse Agreement (collectively, the "Confidential Schedules"). The Debtors may, in their business judgment, communicate with any Potential Bidder and may request any additional information reasonably required in connection with the evaluation of any such Potential Bidder or bid submitted by such Potential Bidder. The Prepetition Lenders shall be given a reasonable opportunity to review any such information and documentation, financial or otherwise, required of Potential Bidders by the Debtors prior to the Debtors' selection of Qualified Bids.

As soon as practicable after a Potential Bidder submits a Competing Bid, the Debtors, in consultation with the Prepetition Lenders, will determine whether such Competing Bid is a Qualified Bid and will notify such Potential Bidder of such determination. The Debtors may also request that any Qualified Bidder amend its bid to include additional requirements, if in their judgment such additional requirements will better promote the goals of the bidding process.

The Debtors, in their reasonable discretion and in consultation with the Prepetition Lenders, may reject any Competing Bid that is on terms that are more burdensome or conditional than the terms of the Stalking Horse Agreement. The Debtors, in consultation with the Prepetition Lenders, may aggregate separate Competing Bids from unaffiliated Potential Bidders to create one Qualified Bid, provided, however, that all such Potential Bidders shall remain subject to the provisions of section 363(n) of the Bankruptcy Code regarding collusive bidding.

F. Due Diligence

To the extent that any Potential Bidder desires any information or documentation other than the proposed Stalking Horse Agreement (including the non-confidential schedules), Bidding Procedures, Bidding Procedures Order, and form of the Sale Order, in each case as filed with the Bankruptcy Court incident to the Sale Motion, such Potential Bidder will be required to execute a confidentiality agreement in form and substance satisfactory to the Debtors in their business judgment and, in respect of the Confidential Schedules, reasonably acceptable to the Stalking Horse Bidder. Upon execution of such confidentiality agreement, the respective Potential Bidder will also be given access (through a virtual data room, site inspections or otherwise) to various financial data and other relevant and confidential information, until the Bid Deadline. The Debtors will designate a person from Perella Weinberg Partners to coordinate all requests from Potential Bidders for additional information or access. The Debtors may, in their discretion, coordinate due diligence investigations such that multiple Potential Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at management presentations or site inspections. The Debtors shall not be authorized, nor obligated, to furnish access to any such information to any entity that does not execute a confidentiality agreement in form and substance satisfactory to the Debtors in their business judgment and, in respect of the Confidential Schedules, reasonably acceptable to the Stalking Horse Bidder. The Debtors shall not be authorized, nor obligated, to furnish Potential Bidders with access to any information of any kind whatsoever regarding the Assets after the Bid Deadline; provided, however, that the Debtors are authorized to furnish such information to Qualified Bidders after the Bid Deadline.

G. The Auction

If two or more Qualified Bids, including the Stalking Horse Bid, are received on or before the Bid Deadline, the Debtors shall conduct the Auction commencing on [•], 2012 at [•] a.m. / p.m. (prevailing Eastern Time) (the "Auction Date"), at the offices of Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, to determine the highest or otherwise best bid for the Assets (the "Successful Bid"). The Auction may be adjourned or rescheduled by the Debtors, in consultation with the Prepetition Lenders, without further notice by an announcement of the adjourned date at the Auction, for the purpose of facilitating the conduct and better promoting the goals of the Auction; provided, however, that any adjournment or rescheduling of the Auction Date of more than two (2) business days shall require the written consent of the Stalking Horse Bidder.

If the Stalking Horse Bid is the only Qualified Bid submitted by the Bid Deadline, the Debtors shall not hold the Auction, the Stalking Horse Bid shall be designated as the Successful Bid consistent with Section I below, and the Debtors shall file a notice of the foregoing with the Bankruptcy Court promptly after the Bid Deadline.

H. Auction Procedures

Only an entity that has submitted a Qualified Bid (a "Qualified Bidder"), the Prepetition Lenders, any statutory committee of unsecured creditors (the "Creditors' Committee"), and such entities' respective advisors are eligible to participate in the Auction. All participants shall appear in person or through a duly authorized representative appearing in person. From and after the Bid Deadline, and prior to the Auction, the Debtors, in consultation with the Prepetition Lenders, shall select the Qualified Bid that, in their business judgment, reflects the highest or otherwise best value for the Debtors' estates as the starting bid (the "Starting Auction Bid") and advise all participants in the Auction of the terms of the Starting Auction Bid. Qualified Bidders may then submit bids that are better and higher than the Starting Auction Bid in an initial increment amount of \$5,000,000 (provided that if the Stalking Horse Bid is not the Starting Auction Bid, the Stalking Horse Bidder shall be entitled to a credit against the Purchase Price at the Closing equal to the amount of the Stalking Horse Protections in the event the Stalking Horse Bidder is the Successful Bidder (defined below)), and subsequent increments of \$5,000,000 (collectively, the "Overbid Increments"). The Debtors, in consultation with the Prepetition Lenders, shall determine whether any Qualified Bid is the Successful Bid pursuant to the "Determination of Successful Bid" section below.

The Debtors and their professionals shall direct and preside over the Auction. To the extent not inconsistent with these Bidding Procedures, the Debtors may cancel, adjourn, reschedule, continue, re-open or terminate the Auction; provided, however, that any such cancellation, adjournment, rescheduling, continuation, re-opening or termination of the Auction of more than two (2) business days shall require the written consent of the Stalking Horse Bidder. The Debtors, in consultation with the Prepetition Lenders, reserve the right to adopt other and further rules and procedures for the conduct of the Auction that, in their business judgment, will better promote the goals of the Auction, provided that such rules and procedures are not inconsistent with these Bidding Procedures.

I. Determination of Successful Bid

If the Stalking Horse Bid is the only Qualified Bid submitted by the Bid Deadline, the Stalking Horse Bid shall be designated as the Successful Bid, and the Auction shall not be held. If two or more Qualified Bids are submitted by the Bid Deadline and the Auction is held, then, as soon as practicable following the Auction, the Debtors, in consultation with the Prepetition Lenders, shall review each Qualified Bid (as the same may have been improved at the Auction) that has been submitted and determine, in the Debtors' reasonable discretion and in consultation with the Prepetition Lenders, which Qualified Bid shall be deemed to be the Successful Bid. In making such determination, the Debtors, in consultation with the Prepetition Lenders, shall consider any factor that they deem relevant, including, without limitation, the purchase price, whether the Qualified Bid proposes to purchase less than all of the Assets, the payment of any Stalking Horse Protections, any benefit to the Debtors' estates from any proposal to assume liabilities of the Debtors, and those factors affecting the speed and certainty of consummating the sale of the Assets. The determination of the Successful Bid by the Debtors, after consultation with the Prepetition Lenders, shall be announced by the Debtors at the conclusion of the Auction and shall be final.

As soon as practicable following the determination of the Successful Bid, the Debtors shall file a notice with the Bankruptcy Court identifying the Qualified Bidder that submitted the Successful Bid (the "Successful Bidder") and serve such notice by telecopy, electronic mail transmission, or overnight delivery, upon the following entities: (i) the Office of the United States Trustee for the District of Delaware, (ii) counsel to the Prepetition Lenders, (iii) counsel to General Electric Capital Corporation, as administrative agent and collateral agent under the Debtors' postpetition financing facility, (iv) counsel to the Creditors' Committee, (v) all other parties that have filed notices of appearance in the Cases, (vi) all Qualified Bidders; and (vii) all non-Debtor counterparties to the Contracts and Leases proposed to be assumed and assigned under the Successful Bid.

The presentation of the Successful Bid to the Bankruptcy Court for approval in and of itself shall not constitute the Debtors' acceptance of such bid, and such Successful Bid shall be deemed accepted by the Debtors only when such bid has been approved by the Bankruptcy Court pursuant to the Sale Order.

J. Back-Up Bid

If the Successful Bidder fails to timely consummate the purchase of the Assets, or any part thereof, pursuant to the terms and conditions of any applicable Asset Purchase Agreement, including the Stalking Horse Agreement, then the next highest or otherwise best Qualified Bid (if any) (the "Back-up Bid") may be designated by the Debtors, in consultation with the Prepetition Lenders, as the Successful Bid, and the Debtors shall be authorized, but not required, to consummate the sale of the Assets to the Qualified Bidder that submitted the Back-Up Bid pursuant to the terms of such Back-Up Bid as soon as is commercially reasonable; provided that if the Back-Up Bid is the Stalking Horse Bid, the Stalking Horse Agreement shall be open and irrevocable only until the expiration of the Outside Back-Up Date (as defined in the Stalking Horse Agreement). If the Back-Up Bid is the Stalking Horse Bid and the Successful Bidder fails to consummate the purchase of the Assets by the expiration of the Outside Back-Up Date as a result of a breach or failure to perform on the part of such Successful Bidder, and the Debtors provide notice to the Stalking Horse Bidder in writing of such failure before the expiration of the Outside Back-Up Date, as provided for in the Stalking Horse Agreement, then the Stalking Horse Bidder will be deemed to have the new prevailing bid, and the Debtors will be authorized and directed, without further order of the Bankruptcy Court (except, at the election of the Stalking Horse Bidder, to the extent necessary to bring the Sale Order into conformity with the form of the Sale Order required by the Stalking Horse Agreement, without further notice and hearing required), to consummate the Stalking Horse Agreement on the terms set forth therein (as the same may be improved upon by the Stalking Horse Bidder in the Auction). If the Successful Bidder fails to consummate the purchase of the Assets because of a breach, default or failure to perform on the part of such Successful Bidder, the Debtors reserve the right to seek all available damages from such Successful Bidder only to extent specifically provided for by the terms, conditions and limitations of any applicable Asset Purchase Agreement, including the Stalking Horse Agreement.

K. Reservation of Rights

The Debtors reserve the right to (i) determine in their reasonable discretion and in consultation with the Prepetition Lenders, whether any Qualified Bid is a Successful Bid and (ii) reject, at any time prior to entry of the Sale Order by the Bankruptcy Court, without liability, any bid that the Debtors, in their reasonable discretion and in consultation with the Prepetition Lenders, determine to be (a) inadequate or insufficient, (b) not in conformity with the Bidding Procedures, the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware, or (c) contrary to the best interests of the Debtors and their estates, provided, however, if the Stalking Horse Bid is the only Qualified Bid submitted by the Bid Deadline, the Stalking Horse Bid shall be designated as the Successful Bid.

At or before the Sale Approval Hearing, the Debtors may, in consultation with the Prepetition Lenders, impose such other terms and conditions on the sale of the Assets with respect to all Qualified Bidders (other than the Stalking Horse Bidder if the Stalking Horse Bidder is the Successful Bidder), as the Debtors may determine to be in the best interests of the Debtors and their estates.

L. Disposition of Good Faith Deposits

All Good Faith Deposits shall be held in a separate interest-bearing escrow account for the benefit of the Debtors. As soon as practicable following the consummation of the sale of the Assets, any Good Faith Deposit received from a Qualified Bidder who is not determined to be the Successful Bidder shall be released from escrow and returned to such Qualified Bidder. If the Successful Bidder fails to consummate the purchase of the Assets, or any part thereof, because of a breach, default or failure to perform on the part of such Successful Bidder, the Debtors will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit shall irrevocably become property of the Debtors without affecting or reducing any of the Debtors' other rights or claims against such Successful Bidder. If a Successful Bidder fails to consummate the purchase of the Assets, or any part thereof, because of a breach, default or failure to perform on the part of the Debtors, the Good Faith Deposit deposited by such Successful Bidder shall be returned to such Successful Bidder. If a Successful Bidder consummates the purchase of the Assets, the Good Faith Deposit deposited by such Successful Bidder shall be applied as a credit toward the purchase price for the Assets. Anything in this subsection L or otherwise notwithstanding, all rights and remedies of the Debtors and the Stalking Horse Bidder in respect of the Deposit, as defined and provided for in the Stalking Horse Agreement, shall be governed only by the terms and conditions of the Stalking Horse Agreement.

M. As Is, Where Is

The Assets are being transferred on a "where is" and, as to condition, "as is" basis, free and clear of all Claims and Interests, and the Debtors are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by the Debtors in the Stalking Horse Agreement. Except as otherwise expressly provided in these Bidding Procedures, the Stalking Horse Agreement, or any applicable Asset Purchase Agreement, by submitting a bid, each Potential Bidder that submits a bid shall be deemed to acknowledge and represent that (i) it has conducted to its satisfaction its own independent

investigation and has had an opportunity to conduct any and all reasonable due diligence regarding the Assets prior to making its bid, (ii) it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Assets in making its bid, (iii) none of the Debtors will have or be subject to any liability resulting from the distribution to the Potential Bidder, or the Potential Bidder's use of, any such information, including any confidential memoranda distributed on behalf of the Debtors relating to the Assets or other publications or data room information provided to the Potential Bidder, or any other document or information in any form provided to the Potential Bidder in connection with the sale of the Assets and related transactions, and (iv) it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Assets, or the completeness of any information provided in connection therewith.

N. Sale Approval Hearing

The sale of the Assets and the applicable Asset Purchase Agreement shall be presented for authorization and approval by the Bankruptcy Court at the Sale Approval Hearing, which is scheduled to be held on [•], 2012 at [•] a.m. / p.m. (prevailing Eastern Time) at the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, [] Floor, Courtroom [], Wilmington, Delaware 19801, before the Honorable [], United States Bankruptcy Judge. Unless the Bankruptcy Court orders otherwise, the Sale Approval Hearing shall be an evidentiary hearing on all matters related to the proposed sale, and parties shall be prepared to present their evidence in support of or in opposition to the proposed sale at the Sale Approval Hearing. The Sale Approval Hearing may be adjourned or rescheduled by the Debtors without further notice by an announcement of the adjourned date at the Sale Approval Hearing; provided, however, that any adjournment or rescheduling of the Sale Approval Hearing of more than two (2) business days shall require the written consent of the Stalking Horse Bidder.

O. Jurisdiction

The Bankruptcy Court shall retain exclusive jurisdiction over any matter or dispute relating to the sale of the Assets, the Bidding Procedures, the Stalking Horse Agreement, any applicable Asset Purchase Agreement, and any other matter that in any way relates to the foregoing. All entities that submit a bid for the purchase of the Assets shall be deemed to have consented to the core jurisdiction of, and venue in, the Bankruptcy Court and to have waived any right to a jury trial in connection with any disputes relating to the sale of the Assets, the Bidding Procedures, the Stalking Horse Agreement, any applicable Asset Purchase Agreement, and any other matter that in any way relates to the foregoing.

Compliance with Bidding Procedures Order

D. As demonstrated by (i) the testimony and other evidence proffered or introduced at the Sale Approval Hearing and (ii) the representations of counsel made on the record at the Sale Approval Hearing, the Debtors have thoroughly and fairly marketed the Acquired Assets and conducted the related sale process in good faith and in compliance in all

respects with the Bidding Procedures and the Bidding Procedures Order. All interested persons and entities have been afforded a full, fair and reasonable opportunity to (i) conduct due diligence investigations, (ii) submit bids and to submit higher or otherwise better bids to purchase the Acquired Assets, and (iii) object or be heard with respect to the Motion and the relief granted by this Order. The Bidding Procedures were non-collusive, formulated and implemented in good faith, were substantively and procedurally fair to all parties, and obtained the highest and/or best value for the Acquired Assets for the Debtors and their estates and creditors.

E. The Buyer is the Successful Bidder (as defined in the Bidding Procedures) for the Acquired Assets in accordance with the Bidding Procedures Order and the consideration provided by the Buyer under the Agreement constitutes the highest or otherwise best offer and provides fair and reasonable consideration to the Debtors for the sale of all the Acquired Assets and the assumption of all Assumed Liabilities. The Buyer has complied in all respects with the Bidding Procedures Order and any other applicable order of this Court in negotiating and entering into the Agreement, and the sale and the Agreement likewise comply with the Bidding Procedures Order and any other applicable order of this Court.

Notice

F. As evidenced by the affidavits of service and publication previously filed with the Court, proper, timely, adequate, and sufficient notice of the Motion, the Auction, the Sale Approval Hearing, the sale of the Acquired Assets (the "Sale"), and the assumption and assignment of the Assumed Contracts has been provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, and 9014, all applicable Local Rules, and in compliance with the Bidding Procedures Order. Such notice was good, sufficient, and appropriate under the particular circumstances, and no other or further

notice of the Motion, the Auction, the Sale Approval Hearing, the Sale, the assumption and assignment of the Assumed Contracts, or entry of this Order is required.

G. Actual written notice of the Motion, the Auction, the Sale Approval Hearing, the Sale, and the assumption and assignment of the Assumed Contracts, and a fair and reasonable opportunity to object or otherwise be heard with respect to the Motion, the Sale and the relief granted by this Order has been afforded to all interested parties, including, without limitation, (i) the Office of the United States Trustee for the District of Delaware (the "United States Trustee"), (ii) counsel for the Official Committee of Unsecured Creditors (the "Creditors' Committee"), (iii) all known creditors of the Debtors, (iv) any entity known or reasonably believed to have asserted an interest in or lien, charge, encumbrance or other interest against any of the Acquired Assets, (v) all counterparties to the Assumed Contracts, (vi) any entity that has expressed a *bona fide* interest in acquiring the Acquired Assets in the six (6) months preceding the date of the Motion, (vii) all taxing authorities having jurisdiction over any of the Acquired Assets, including the Internal Revenue Service, (viii) the Securities and Exchange Commission, (ix) the United States Environmental Protection Agency, (x) any applicable state environmental agency, (xi) the United States Department of Justice, (xii) the United States Attorney's office, (xiii) the Attorneys General in any State or Commonwealth where the Acquired Assets are located, and (xiv) all parties that have requested notice pursuant to Bankruptcy Rule 2002.

H. The Debtors published notice of the Sale, the deadline to submit bids for the Acquired Assets, the time and place of the Auction, the time and place of the Sale Approval Hearing, and the time for filing an objection to the Sale or the Motion, in [_____] on [_____] 2012, and in [_____] on [_____] 2012. Such publication notice was good, sufficient, and proper notice to any interested parties whose identities are unknown to the Debtors.

I. The Debtors served notice of the assumption and assignment of the Assumed Contracts on the counterparties to the Assumed Contracts, which notice included (i) the title of each Assumed Contract, (ii) the name of the counterparties to each Assumed Contract, (iii) the amounts, if any, determined by the Debtors to be necessary to be paid upon assumption of the Assumed Contracts (the "Cure Amounts"), and (iv) the deadline by which any counterparty to the Assumed Contracts must object to the assumption and assignment of the Assumed Contracts. The service of such notice was good, sufficient, and appropriate under the particular circumstances and no other or further notice of the assumption and assignment of the Assumed Contracts or the Cure Amounts is required. Each counterparty to the Assumed Contracts has had an opportunity to object to the assumption by the Debtors and the assignment to the Buyer of the Assumed Contracts and to the Cure Amounts set forth in the notice.

J. On [____], 2012, the Debtors served notice of the selection of the Buyer as the Successful Bidder for the Acquired Assets on (i) the United States Trustee, (ii) counsel for the Creditors' Committee, (iii) all known creditors of the Debtors, (iv) any entity known or reasonably believed to have asserted an interest in or lien, charge, or encumbrance against any of the Acquired Assets, (v) all counterparties to the Assumed Contracts, (vi) any entity that has expressed a *bona fide* interest in acquiring the Acquired Assets in the six (6) months preceding the date of the Motion, (vii) all taxing authorities having jurisdiction over any of the Acquired Assets, including the Internal Revenue Service, (viii) the Securities and Exchange Commission, (ix) the United States Environmental Protection Agency, (x) any applicable state environmental agency, (xi) the United States Department of Justice, (xii) the United States Attorney's office, (xiii) the Attorneys General in any State or Commonwealth where the Acquired Assets are located, (xiv) all parties that have requested notice pursuant to Bankruptcy Rule 2002, and (xv) all Qualified Bidders (as defined in the Bidding Procedures).

Highest or Otherwise Best Offer

K. The offer of Buyer, upon the terms and conditions set forth in the Agreement, including the form and total consideration to be realized by the Debtors pursuant to the Agreement; (i) is the highest and/or best offer received by the Debtors; (ii) is fair and reasonable; (iii) is in the best interests of the Debtors' creditors and estates; and (iv) constitutes fair value, fair, full and adequate consideration, reasonably equivalent value and reasonable market value for the Acquired Assets.

Corporate Authority

L. The Debtors have full corporate power and authority to execute and deliver the Agreement and all other documents contemplated thereby, including, without limitation, the Transition Services Agreement, and the Sale has been duly and validly authorized by all necessary corporate action of each of the Debtors, and upon entry of this Order the Debtors shall have full corporate power and authority to consummate the transactions contemplated by the Agreement. Except as otherwise set forth in the Agreement, no further consents or approvals are required for the Debtors to consummate the transactions contemplated by the Agreement.

Good Faith Purchaser

M. The Buyer is purchasing the Acquired Assets in good faith, and is a "good faith purchaser" within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to the full protection of that provision and any other applicable or similar bankruptcy and non-bankruptcy law. The Buyer has at all times acted in good faith and will continue to act in good faith within the meaning of section 363(m) of the Bankruptcy Code in closing the Sale. Neither the Buyer nor any of Buyer's affiliates is an "insider" of any of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code.

Arm's-Length Sale

N. The Agreement was negotiated, proposed, and entered into by the Debtors and the Buyer without collusion, in good faith, and from arm's-length bargaining positions. Neither the Debtors nor the Buyer have engaged in any conduct that would cause or permit the avoidance of the Sale or the Agreement or the imposition of costs or damages under section 363(n) of the Bankruptcy Code.

Business Justification

O. The Debtors have demonstrated good, sufficient and sound business reasons and compelling circumstances to enter into the Agreement, sell the Acquired Assets, and assume and assign the Assumed Contracts under sections 363 and 365 of the Bankruptcy Code, and such actions are appropriate and reasonable exercises of the Debtors' business judgment and in the best interests of the Debtors, their estates and creditors, and all other parties in interest. Such business reasons include, but are not limited to, the facts that (i) there is substantial risk of deterioration of the value of the Acquired Assets if the Sale is not consummated quickly, (ii) the Agreement constitutes the highest and/or best offer for the Acquired Assets, (iii) no other person or entity or group of persons or entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer, and (iv) the Sale pursuant to the terms of the Agreement presents the best opportunity to realize the value of the Debtors and avoid decline and devaluation of the Debtors' businesses. The Debtors' determination that the Agreement constitutes the highest and/or best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

P. The terms and conditions of the Agreement, including the consideration to be realized by the Debtors pursuant to the Agreement, are fair and reasonable, and the transactions contemplated by the Agreement are in the best interests of the Debtors, their estates

and creditors, and all other parties in interest. Approval of the Motion, the Agreement, the Sale, the assumption and assignment of the Assumed Contracts, and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

No Fraudulent Transfer

Q. The consideration provided by the Buyer for the Acquired Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest and/or best offer for the Acquired Assets, (iii) will provide a greater recovery for the Debtors' estates and creditors than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, any other laws of the United States, and the laws of any state, territory, possession, and the District of Columbia.

R. The Buyer is not a mere continuation of the Debtors or their estates, there is no continuity or common identity between the Buyer and any of the Debtors, and there is no continuity of enterprise between the Buyer and any of the Debtors. The Buyer is not holding itself out to the public as a continuation of any of the Debtors. The Buyer is not a successor to any of the Debtors or their estates and the Sale does not amount to a consolidation, merger, or *de facto* merger of the Buyer with or into any of the Debtors. Neither entry into the Agreement nor the Sale of the Acquired Assets to the Buyer is being undertaken for the purpose of escaping liability for any of the Debtors' debts or hindering, delaying, or defrauding the Debtors' present or future creditors under the Bankruptcy Code, any other laws of the United States, or the laws of any state, territory, possession, or District of Columbia.

DIP Payoff Amount

Free and Clear

T. Except as otherwise expressly provided in the Agreement or this Order, the Acquired Assets shall be sold free and clear of all interests, obligations, rights, encumbrances, pledges, liens (including, without limitation, mechanics', materialmen's, and other consensual and non-consensual liens and statutory liens), mortgages, deeds of trust, security interests, claims (including, any "claim" as defined in section 101(5) of the Bankruptcy Code), liabilities, debt obligations, losses, penalties, leases, charges, offsets, contracts, options, rights of first refusal, rights of first offer, rights of first sale, rights of notice, easements, servitudes, proxies, voting trusts or agreements, transfer restrictions under any agreement, conditional sale or other title retention agreements, judgments, hypothecations, demands, licenses, sublicenses, assignments, indentures, loan agreements, instruments, debts, rights of recovery, guaranties, contractual commitments, restrictions, recoupment, labor and employment rights and claims, employee benefit agreements and obligations, collective bargaining agreements and obligations, pension rights and claims, claims based on reimbursement, contribution, indemnity, exoneration, products liability, tortious conduct, property damage, personal injury, alter-ego or taxes, claims based on pension plan contributions and related liabilities, environmental liabilities or obligations (including, without limitation, toxic tort claims), options to purchase, regulatory violations, decrees of any court or foreign or domestic governmental entity, charges of any kind or nature, debts arising in any way in connection with any agreements, acts, or failures to act, reclamation claims, obligation claims and Excluded Liabilities, in each case, of whatever kind, nature, or description in, against or with respect to any of the Acquired Assets, the Debtors, or the Business having arisen, existed, or accrued prior to and through the Closing Date, whether direct or indirect, absolute or contingent, choate or

inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, material or non-material, disputed or undisputed, known or unknown, matured or unmatured, liquidated or unliquidated, arising or imposed by agreement, understanding, law, equity, statute, or otherwise, and whether arising prior to, on or after the Petition Date, including claims or liabilities otherwise arising under doctrines of successor liability, *de facto* merger or substantial continuity or liabilities or obligations arising under any Law or Decree (other than Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities, collectively, "Interests").

U. The Buyer is not a continuation of the Debtors or their respective estates and there is no continuity between Buyer and the Debtors. Buyer is not holding itself out to the public as a continuation of the Debtors or their respective estates and the Sale does not amount to a consolidation, merger or de facto merger of Buyer and the Debtors.

V. The transfer of the Acquired Assets to the Buyer free and clear of all Interests will not result in any undue burden or prejudice to any holders of any Interests as such Interests shall attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors, including any amounts ultimately distributed to the Debtors from the Working Capital Escrow Deposit and Transfer Tax Escrow (each as defined and provided for in the Agreement, collectively, the "Escrowed Funds") but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement, in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets and subject to any claims and defenses the Debtors, their estates, or other parties may possess with respect to such Interests. For the avoidance of doubt, nothing contained in the Agreement, including, without limitation, Section

6(f)(v), regarding the allocation of the Initial Purchase Price, shall prejudice any party's right to submit valuation evidence in support of its claim against the Debtors' estates.

W. The Debtors may sell the Acquired Assets free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. All holders of Interests who did not object or who withdrew their objections to the Sale or the Motion are deemed to have consented to the Sale and the relief requested in the Motion pursuant to section 363(f)(2) of the Bankruptcy Code. All other holders of Interests, including those who maintained and did not withdraw objections to the Sale or the Motion, if any, fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code, including, without limitation, section 363(f)(5) of the Bankruptcy Code because such holders could be compelled in a legal or equitable proceeding to accept a money satisfaction on account of such Interests, and are adequately protected by having their Interests, if any, attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors (including any amounts ultimately distributed to the Debtors from the Escrowed Funds but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement), in which such holders allege Interests, in the same order of priority, with the same validity, force and effect that such holders had prior to the Sale, subject to any claims and defenses the Debtors, their estates, or other parties may possess with respect to such Interests. For the avoidance of doubt, nothing contained in the Agreement, including, without limitation, Section 6(f)(v), regarding the allocation of the Initial Purchase Price, shall prejudice any party's right to submit valuation evidence in support of its claim against the Debtors' estates.

X. The Buyer would not have entered into the Agreement and will not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their

estates, creditors, and other parties in interest, if the Sale and the assumption and assignment of the Assumed Contracts were not free and clear of all Interests, or if the Buyer, its affiliates, or their respective officers, directors or shareholders, or the Acquired Assets, would, or in the future could, be liable for any such Interests, or would have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or equity, or by payment, setoff, or otherwise, directly or indirectly, any Interests, including rights or claims based on any successor or transferee liability.

Y. Not selling the Acquired Assets free and clear of all Interests would adversely impact the Debtors' efforts to maximize the value of their estates, and the Sale of the Acquired Assets other than one free and clear of all Interests would be of substantially less benefit to the Debtors' estates.

Validity of Transfer

Z. The consummation of the Agreement and the Sale is legal, valid, and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b) and 365(f), and all of the applicable requirements of such Sections have been complied with in respect of the transactions contemplated under the Agreement.

AA. The Acquired Assets constitute property of the Debtors' estates and good and indefeasible title to the Acquired Assets is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code, and no other person has any ownership right or ownership interest therein or title thereto.

BB. Pursuant to the terms of the Agreement, the Buyer is not acquiring any of the Excluded Assets.

CC. The transfer of the Acquired Assets to Buyer under the Agreement will be a legal, valid and effective transfer of all of the legal, equitable and beneficial right, title and interest in and to the Acquired Assets free and clear of all Interests. The Debtors may sell their interests in the Acquired Assets free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f) has been satisfied. The transfer of the Acquired Assets to Buyer will vest Buyer with good and marketable title to the Acquired Assets.

Assumed Contracts

DD. The assumption and assignment of the Assumed Contracts (as such Assumed Contracts may be amended, supplemented or otherwise modified prior to assumption and assignment without further order of the Court and with the consent of the Debtors, the contract counterparty and the Buyer) free and clear of Interests pursuant to the terms of this Order is integral to the Agreement and is in the best interests of the Debtors, their estates and creditors, and all other parties in interest, and represents a reasonable exercise of the Debtors' sound and prudent business judgment.

EE. Pursuant to the terms of the Agreement, on or before the Closing Date, the Debtors shall have: (i) cured or provided adequate assurance of cure of, any monetary default existing as of and including the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation, or adequate assurance of compensation, to any party for actual pecuniary loss to such party resulting from a monetary default existing as of and including the Closing Date under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code.

FF. Buyer has demonstrated adequate assurance of its future performance under the Assumed Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. Pursuant to section 365(f) of the Bankruptcy Code, the Assumed Contracts

to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, Buyer notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

Compelling Circumstances for an Immediate Sale

GG. To maximize the value of the Acquired Assets, preserve the viability of the business to which the Acquired Assets relate, and avoid deterioration, erosion of value, and uncertainty with respect to the future operation of the Acquired Assets, it is essential that the Sale of the Acquired Assets occur within the time constraints set forth in the Motion, the Bidding Procedures Order, and the Agreement. Time is of the essence in consummating the Sale. Accordingly, there is cause to waive the stay contemplated by Bankruptcy Rules 6004 and 6006.

HH. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the approval and consummation of the Sale prior to, and outside of, a chapter 11 plan. The Sale pursuant to the Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating chapter 11 plan for the Debtors, and therefore; does not constitute a *sub rosa* plan.

II. Given all of the circumstances of these cases and the adequacy and fair value of the Purchase Price under the Agreement, the Sale of the Acquired Assets to the Buyer constitutes a reasonable and sound exercise of the Debtors' business judgment.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

General Provisions

1. The Motion is granted and approved as provided in this Order. The Motion complies with all provisions of Local Rule 6004-1 other than those previously waived by the Court.

2. All objections and responses, if any, to the Sale or the Motion that have not been withdrawn, waived, or settled, and all reservations of rights included in such objections and responses, are overruled on the merits and denied with prejudice. All persons and entities given notice of the Motion that failed to timely object thereto, including, without limitation, all non-debtor parties to the Assumed Contracts, are deemed to have consented to the relief sought therein.

3. This Court's findings of fact and conclusions of law set forth in the Bidding Procedures Order are incorporated in this Order by reference.

Approval of the Agreement

4. The Agreement and all other ancillary documents, including, without limitation, the Transition Services Agreement, and all of the terms and conditions of the Agreement and such other ancillary documents, including, without limitation, the Transition Services Agreement, are approved in all respects.

5. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors are authorized and directed (a) to take any and all actions necessary or appropriate to execute and deliver, perform under, consummate, implement, and effectuate the Agreement together with any and all instruments and documents, including, without limitation, the Transition Services Agreement, that may be reasonably necessary or desirable to implement and effectuate the terms of the Agreement, this Order, and the Sale, and to take all further actions as may be reasonably requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer, or reducing to possession, the Acquired Assets, free and clear of all Interests, and the Assumed Liabilities, (b) to assume and assign the Assumed Contracts to the Buyer on the Closing Date pursuant to the terms of the Agreement, and (c) to take any and all actions as may be necessary or appropriate to the performance of the Debtors' obligations as

contemplated by the Agreement, without any further corporate action or order of this Court. For the avoidance of doubt, nothing in this Order authorized, or shall be deemed to authorize, the Debtors to use the Escrowed Funds prior to the time (if any) that the Escrowed Funds are disbursed in accordance with the terms of the Agreement, and then only to the extent actually received by the Debtors.

Transfer of the Acquired Assets

6. Except as otherwise expressly provided in the Agreement or this Order, pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, the Debtors are authorized and directed to transfer the Acquired Assets to the Buyer on the Closing Date pursuant to the terms and conditions of the Agreement and this Order free and clear of all Interests, with all such Interests to attach to the net proceeds of the Sale that are ultimately attributable to the Acquired Assets when received by the Debtors (including any amounts ultimately distributed to the Debtors from the Escrowed Funds but only to the extent actually received by the Debtors after disbursement of the Escrowed Funds in accordance with the terms of the Agreement), in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets and subject to any claims and defenses the Debtors, their estates or other parties may possess with respect to such Interests.

7. The transfer of the Acquired Assets to the Buyer will be, as of the Closing Date, a legal, valid, binding and effective transfer of the Acquired Assets, and, except as otherwise expressly provided in the Agreement or this Order, shall vest the Buyer with all right, title, and interest of the Debtors in and to the Acquired Assets free and clear of all Interests accruing, arising, or relating to such Acquired Assets any time prior to and through the Closing Date. Except as otherwise expressly provided in the Agreement or this Order, the Buyer shall not assume or become liable for any Interests relating to the Acquired Assets, provided,

however, that the Buyer shall not be relieved of liability with respect to Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities.

8. To the fullest extent permitted under applicable law, the Buyer shall be authorized, as of the Closing Date, to operate under any license, Permit, registration and governmental authorization or approval of the Debtors with respect to the Acquired Assets or the Business, and all such licenses, Permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date.

9. Except as expressly permitted or otherwise specifically provided by the Agreement or this Order, all persons and entities (including, but not limited to, all debt security holders, equity security holders, affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants and other creditors) and their respective successors and assigns holding Interests in all or any portion of the Acquired Assets arising under or out of, in connection with, or in any way relating to the Debtors, the Acquired Assets, the operation of the Business prior to and including the Closing Date or the transfer of the Acquired Assets to the Buyer, are hereby forever barred, estopped, and permanently enjoined from asserting such Interests against the Buyer, its successors and assigns, and their property, including, without limitation, the Acquired Assets. Following the Closing, no holder of any Interest shall interfere with Buyer's title to or use and enjoyment of the Acquired Assets based on or related to any such Interest, or based on any action the Debtors may take in their Chapter 11 Cases.

10. On the Closing Date, each holder of an Interest is authorized and directed to execute such documents and take all other actions as may be necessary to release such

Interest, if any, as provided for in this Order, as such Interests may have been recorded or may otherwise exist.

11. Upon consummation of the transactions contemplated in the Agreement, the Buyer shall be authorized to file termination statements or lien terminations in any required jurisdiction to remove any record, notice filing, or financing statement recorded to attach, perfect, or otherwise notice any lien or encumbrance that is extinguished or otherwise released pursuant to this Order under section 363 and the related provisions of the Bankruptcy Code.

12. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Acquired Assets to the Buyer in accordance with the terms of the Agreement and this Order.

13. All persons and entities that are in possession of some or all of the Acquired Assets on the Closing Date are directed to surrender possession of such Acquired Assets to the Buyer on the Closing Date.

14. A certified copy of this Order may be filed with any appropriate clerk and/or recorded with any appropriate recorder to act to cancel any of the Interests of record in the Acquired Assets and to resolve any title issues with respect to the Acquired Assets.

15. If any person or entity which has filed statements or other documents or agreements evidencing Interests with respect to all or any portion of the Acquired Assets shall not have delivered to the Debtors prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary or desirable to the Buyer for the purpose of documenting the release of all Interests that the person or entity has or may assert with respect to all or any portion of the Acquired Assets, the Debtors and the Buyer are hereby

authorized to execute and file such statements, instruments, releases, and other documents on behalf of such person or entity with respect to the Acquired Assets.

16. This Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease, and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

17. This Order shall be effective as a determination that, as of the Closing, (i) no Interests (other than Assumed Liabilities) will be capable of being asserted against the Buyer or any of its respective assets (including the Acquired Assets), (ii) the Acquired Assets shall have been transferred to Buyer free and clear of all Interests and (iii) the conveyances described herein have been effected.

Assumption and Assignment of Assumed Contracts

18. Except as otherwise expressly provided in the Agreement or this Order, upon the Closing Date, pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, the Debtors are authorized and directed to (a) assume each of the Assumed Contracts and assign the Assumed Contracts to the Buyer free and clear of all Interests and (b) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign the Assumed Contracts to the Buyer.

19. The Cure Amounts set forth on Exhibit 2 attached to this Order are the sole amounts necessary to be paid upon assumption of the Assumed Contracts under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code and the payment of the applicable Cure Amounts by the Debtors, shall, subject to the terms of the Stalking Horse Agreement, (a) effect a cure of all defaults existing under the Assumed Contracts as of and including the Closing Date and (b) compensate the counterparties to the Assumed Contracts for any actual pecuniary loss resulting from all defaults existing under the Assumed Contracts as of and including the Closing Date. Upon the payment of the Cure Amounts, if any, the Assumed Contracts will remain in full force and effect, and no default shall exist under the Assumed Contracts nor shall there exist any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default. The Cure Amounts shall not be subject to further dispute or audit, including any based on performance prior to the Closing Date, irrespective of whether such Assumed Contract contains an audit clause. After the payment of the Cure Amounts by the Debtors, neither the Debtors nor the Buyer shall have any further liabilities to the counterparties to the Assumed Contracts other than the Buyer's obligations under the Assumed Contracts that accrue and become due and payable on or after the Closing Date.

20. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the counterparty to such Assumed Contract to terminate, recapture, impose any penalty, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to Buyer of the Assumed Contracts have been satisfied.

21. Each Assumed Contract constitutes an executory contract or unexpired lease under section 365 of the Bankruptcy Code and all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of the Assumed Contracts have been satisfied. Upon the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy Code, (a) the Buyer shall be fully and irrevocably vested with all right, title, and interest of the Debtors under the Assumed Contracts, (b) the Buyer shall be deemed to be substituted for the Debtors as a party to the applicable Assumed Contracts, and (c) the Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Assumed Contracts.

22. The Buyer has provided adequate assurance of future performance under the relevant Assumed Contracts within the meaning of sections 365(b)(1)(C), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code.

23. There shall be no rent accelerations, assignment fees, increases, or any other fees charged to the Buyer or the Debtors as a result of the assumption and assignment of the Assumed Contracts. The validity of the assumption and assignment of the Assumed Contracts to the Buyer shall not be affected by any dispute between any of the Debtors or their affiliates and any counterparty to an Assumed Contract regarding the payment of any amount, including any Cure Amount under the Bankruptcy Code. Upon assignment to the Buyer, the Assumed Contracts shall be valid and binding, in full force and effect, and enforceable by the Buyer in accordance with their respective terms.

24. Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, all counterparties to the Assumed Contracts are hereby forever barred and permanently enjoined from (a) raising or asserting against the Debtors or the Buyer any assignment fee, default, acceleration, breach, claim, pecuniary loss, or condition to assignment arising under or related to

the Assumed Contracts existing as of and including the Closing Date or arising by reason of the closing of the Sale, including any breach related to or arising out of change-of-control provisions in such Assumed Contracts, or any purported written or oral modification to the Assumed Contracts and (b) asserting against Buyer (or its property, including the Acquired Assets) any claim, counterclaim, defense, breach, condition or setoff asserted or capable of being asserted against the Debtors existing as of the Closing Date or arising by reason of the Closing.

25. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions, or of the Buyer's rights to enforce every term and condition of the Assumed Contracts.

26. Any party that may have had the right to consent to the assignment of a Assumed Contract is deemed to have consented to such assignment for purposes of section 365(e)(2)(A)(ii) of the Bankruptcy Code and otherwise if such party failed to object to the assumption and assignment of such Assumed Contract.

27. Notwithstanding anything to the contrary in this Order, no Assumed Contracts shall be assumed and assigned to Buyer until the Closing.

No Successor or Transferee Liability

28. Except as otherwise expressly provided in the Agreement or this Order, the Buyer shall not have any liability or other obligation of the Debtors arising under or related to any of the Acquired Assets or the Business except with respect to Liens created by the Buyer, the Permitted Liens, and the Assumed Liabilities. Without limiting the generality of the foregoing, and except as otherwise specifically provided in the Agreement or this Order, the Buyer shall not be liable for any Interests, claims or liabilities against the Debtors or any of its predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, any theory of antitrust, environmental (including,

without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), products liability, successor or transferee liability, labor law, *de facto* merger or substantial continuity, whether known or unknown as of and including the Closing Date, now existing or hereafter arising, whether asserted or unasserted, fixed or contingent, liquidated or unliquidated with respect to the Debtors or any obligations of the Debtors arising prior to and including the Closing Date, including, but not limited to, liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of the Business or any of the Acquired Assets prior to and including the Closing Date. For the avoidance of doubt, except to the extent expressly included in the Assumed Liabilities, the Buyer shall have no liability or obligation under any Multiemployer Plan (as defined in the Agreement), any Employee Benefit Plan (other than any Assumed Benefit Plan but only to the extent expressly provided in the Agreement), the WARN Act (as defined in the Agreement), the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA"), COBRA (as defined in the Agreement), the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964 (as amended), the Age Discrimination and Employment Act of 1967 (as amended), the Federal Rehabilitation Act of 1973 (as amended), the NLRA (or other collective bargaining laws) or any foreign, federal, state or local law or regulation of similar import or otherwise by virtue of Buyer's purchase of the Acquired Assets or assumption of the Assumed Liabilities by Buyer. Further for the avoidance of doubt, (a) Buyer is not assuming, and shall have no liability for, arising under or relating to COBRA with respect to any Employee Benefit Plan and any and all such liability shall be an Excluded Liability and (b) Buyer is not assuming, and shall have no liability for, arising under or relating to any Multiemployer Plan for any liability relating to a "complete withdrawal" or "partial withdrawal" (as respectively defined in Sections 4203 and 4205 of ERISA), or other pension plan (within the meaning of Section 3(2) of

ERISA) that is subject to Title IV of ERISA or Section 412 or 430 of the Code and any and all such Liability shall be an Excluded Liability. The Buyer has given substantial consideration under the Agreement for the benefit of the holders of any Interest. The consideration given by the Buyer shall constitute valid and valuable consideration for the releases of any potential claims of successor liability of the Buyer, which releases shall be deemed to have been given in favor of the Buyer by all holders of Interests.

29. Upon the Closing Date and except as otherwise expressly provided in the Agreement and this Order, all persons and entities are hereby forever prohibited and permanently enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Buyer, its successors and assigns, or the Acquired Assets, with respect to any (a) Interest arising under, out of, in connection with or in any way relating to the Debtors, the Buyer, the Acquired Assets, the Business or the operation of the Acquired Assets or the Business prior to and including the Closing Date or (b) successor or transferee liability, including, without limitation, the following actions: (i) commencing or continuing in any manner any action or other proceeding against the Buyer, its successors or assigns, assets, or properties, (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order against the Buyer, its successors or assigns, assets or properties, (iii) creating, perfecting, or enforcing any Interest against the Buyer, its successors or assigns, assets, or properties, (iv) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Buyer or its successors or assigns, or (v) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect of this Order and such other orders.

Good Faith of Buyer

30. The transactions contemplated by the Agreement are undertaken by the Buyer and the Debtors without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided in this Order to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Assumed Contracts), unless such authorization and consummation of such Sale are duly stayed pending such appeal.

31. Neither the Debtors nor Buyer have engaged in any action or inaction that would cause or permit the Sale to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code. The consideration provided by the Buyer for the Acquired Assets under the Agreement is fair and reasonable and the sale may not be avoided under section 363(n) of the Bankruptcy Code.

Related Relief

32. Upon the Closing Date, the Debtors are authorized and directed to pay, or cause to be paid, to the DIP Agent and the DIP Lenders the DIP Payoff Amount by wire transfer of immediately available funds to the bank account designated by the DIP Agent in full and final satisfaction of the Debtors' obligations under the DIP Documents (other than those obligations which by their terms survive termination thereof). For the avoidance of doubt, the Escrowed Funds shall not be available to pay off the DIP Payoff Amount, or for any other use by the Debtors, prior to the time (if any) that the Escrowed Funds, are disbursed in accordance with the terms of the Agreement, and then only to the extent actually received by the Debtors.

33. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in (a) these Chapter 11 Cases, (b) any subsequent chapter 7 case into which any such Chapter 11 Case may be converted, or (c) any related proceeding subsequent to

entry of this Order, shall conflict with or derogate from the provisions of the Agreement or the terms of this Order.

34. Notwithstanding the possible applicability of Bankruptcy Rules 6004, 6006, 7062, 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry. The Debtors are not subject to any stay in the implementation, enforcement, or realization of the relief granted in this Order, and may, subject to the terms and conditions of the Agreement, and in their discretion and without further delay, close the transactions contemplated under the Agreement and take any action and perform any act authorized under this Order.

35. Buyer shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies under the Agreement or any other sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence, provided however that this Court shall retain exclusive jurisdiction over any and all disputes with respect thereto.

36. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale.

37. Except as otherwise expressly provided in the Agreement, there are no brokers involved in consummating the Sale and no brokers' commissions are due. Buyer is not and will not become obligated to pay any fee or commission or like payment to any broker, finder or financial advisor as a result of the consummation of the transaction contemplated by the Agreement based upon any arrangement made by or on behalf of the Debtors.

38. To the extent permitted by Bankruptcy Code section 525, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets

sold, transferred, assigned or conveyed to Buyer on account of the filing or pendency of these Chapter 11 Cases or the consummation of the Sale.

39. The Buyer shall have no obligation to proceed with Closing unless and until all conditions precedent to its obligations to do so, as set forth in the Agreement, have been met, satisfied or waived in accordance with the terms of the Agreement.

40. The failure specifically to include any particular provision of the Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Agreement be authorized and approved in its entirety.

41. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof, without further order of this Court; provided, that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates; provided, further, that in no event shall such modification, amendment, or supplement (except with respect to modifications, amendments or supplements to the Agreement that are required or expressly permitted pursuant to the terms and conditions thereof) be adverse to the lenders under the Term Loan or the ABL unless consented to by the respective administrative agent.

42. The terms and provisions of the Agreement and this Order shall be binding in all respects upon the Debtors, their respective affiliates, estates and creditors, all holders of equity interests in any of the Debtors, all holders of any Interest, all counterparties to any Assumed Contract, all interested parties in the Chapter 11 Cases and their respective successors and assigns, the Buyer and its successors and assigns, and any trustees, if any, subsequently appointed in any of the Debtors' Chapter 11 Cases or upon a conversion to chapter 7 under the Bankruptcy Code of any of the Debtors' cases. This Order and the Agreement shall inure to the

benefit of the Debtors, their estates and creditors, the Buyer, and their respective successors and assigns.

43. in each case, as provided in this Escrow Agreement, which Escrow Property shall be available, subject to the terms and conditions of this Escrow Agreement, to pay amounts determined to be due and owing to Parent or Buyer upon the Closing or termination of the Asset Purchase Agreement or upon the final determination of the Closing Working Capital; and

NOW, THEREFORE, in consideration of the premises set forth above and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. **Appointment of the Escrow Agent; Receipt of Escrow Property.** The Parties hereby appoint and designate the Escrow Agent as the escrow agent for the purposes set forth herein, and the Escrow Agent hereby accepts such appointment and agrees to hold the Escrow Property (including any dividends, interest, gains, and other distributions earned on such amounts as provided in Section 2(b) of this Escrow Agreement) and administer the same in accordance with the terms and conditions set forth herein. Buyer shall deliver the Escrow Property to the Escrow Agent in immediately available funds as follows:

(a) Buyer or Guarantor, on behalf of Buyer, shall deposit with the Escrow Agent the Deposit on the date hereof; and

(b) Buyer or Guarantor, on behalf of Buyer, shall deposit with the Escrow Agent the Working Capital Escrow Amount and Transfer Tax Escrow Amount on the Closing Date.

2. **Establishment of Escrow Accounts; Investments.**

(a) Establishment of Escrow Accounts. Upon delivery of the Escrow Property, receipt of which, in each case, shall be acknowledged in writing by the Escrow Agent to Parent and Buyer, the Escrow Agent agrees to hold the Escrow Property (including any dividends, interest, gains, and other distributions earned on such amounts as provided in Section 2(b) of this Escrow Agreement) in the following manner:

(i) the full amount of the Deposit (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b) of this Escrow Agreement) shall be held in the Deposit Escrow Account as a segregated account which shall be designated as the "Quad Deposit Account";

(ii) the full amount of the Working Capital Escrow Amount (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b) of this Escrow Agreement) shall be held in the Working Capital Escrow Account as a segregated account which shall be designated as the "Quad Working Capital Escrow Account"; and

(iii) the full amount of the Transfer Tax Escrow Amount (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b) of this Escrow Agreement), shall be held in the Transfer Tax Escrow Account as a segregated account which shall be designated as the "Quad Transfer Tax Escrow Account".

(b) Investments. The Escrow Agent shall hold the Escrow Property and shall invest and reinvest the Escrow Property and proceeds thereof (the "Fund") in a JPMorgan Money Market Deposit Account ("MMDA") or a successor or similar investment offered by the Escrow Agent. MMDAs have rates of compensation that may vary from time to time based upon market conditions. The Parties recognize and agree that instructions to make any other investment (an "Alternative Investment"), must be in writing and executed by an Authorized Representative (as defined in Section 4 below), and shall specify the type and identity of the investments to be purchased and/or sold. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any Alternative Investment directed hereunder including without limitation charging any applicable agency fee in connection with each transaction. The Escrow Agent will not supervise, recommend or advise regarding the investment of the Fund or the purchase, sale, retention or other disposition of any investment described herein, and the Escrow Agent shall have no liability for any loss in an investment made pursuant to the terms of this Escrow Agreement. Market values, exchange rates and other valuation information (including without limitation, market value, current value or notional value) of any Alternative Investment furnished in any report or statement may be obtained from third party sources and is furnished for the exclusive use of the Parties. The Escrow Agent has no responsibility whatsoever to determine the market or other value of any Alternative Investment and makes no representation or warranty, express or implied, as to the accuracy of any such valuations or that any values necessarily reflect the proceeds that may be received on the sale of an Alternative Investment. The Escrow Agent shall have no liability for any loss sustained as a result of any investment made pursuant to the terms of this Escrow Agreement or as a result of any liquidation of any investment prior to its maturity or for the failure of an Authorized Representative of the Parties to give the Escrow Agent instructions to invest or reinvest the Escrow Property. The Escrow Agent shall have the right to liquidate any investments held in order to make required payments under this Escrow Agreement.

(c) Income Tax Allocation and Reporting.

(i) The Parties agree that, for tax reporting purposes, all interest and other income from investment of the Fund (the "Escrow Income") shall, as of the end of each calendar year and to the extent required by the Internal Revenue Service, be reported on IRS Form 1099 or 1042S (or other appropriate form) as having been earned by Buyer, whether or not such Escrow Income was disbursed during such calendar year. Buyer shall have

the right to withdraw 40% of the Escrow Income, to the extent required to pay any tax resulting from any such Escrow Income being earned by Buyer. Upon written demand by Buyer (with notice to Parent), the Escrow Agent shall promptly disburse to Buyer an amount of the Escrow Property equal to 40% of the Escrow Income. The balance of the Escrow Income shall be held and distributed in accordance with the terms of this Escrow Agreement. The Escrow Agent shall withhold any taxes it deems appropriate in the absence of proper tax documentation or as required by law, and shall remit such taxes to the appropriate authorities. Buyer hereby represents and warrants to the Escrow Agent that (i) there is no sale or transfer of an United States Real Property Interest as defined under IRC Section 897(c) in the underlying transaction giving rise to this Agreement; and (ii) such underlying transaction does not constitute an installment sale requiring any tax reporting or withholding of imputed interest or original issue discount to the IRS or other taxing authority.

(ii) Prior to the date hereof, the Parties shall provide the Escrow Agent with certified tax identification numbers by furnishing appropriate forms W-9 or W-8 and such other forms and documents that the Escrow Agent may request. The Parties understand that if such tax reporting documentation is not provided and certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, to withhold a portion of any interest or other income earned on the investment of the Fund.

3. Disbursements.

(a) Disbursement of the Deposit. The Escrow Agent shall release funds from the Deposit Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b)) to Parent or Buyer, as applicable, as provided in, and only upon, the joint written instructions of Buyer and Parent. Parent and Buyer shall provide such joint written instructions to the Escrow Agent upon the closing of the transactions contemplated by, or any termination of, the Asset Purchase Agreement, to the extent required pursuant to Section 2(d)(iii) of the Asset Purchase Agreement; provided, that in the event that a Party becomes entitled to receive any funds from the Deposit Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts) pursuant to Section 2(d)(iii) of the Asset Purchase Agreement, neither Buyer nor Parent shall withhold, delay or condition their consent for such disposition, and shall promptly provide the joint written instructions required pursuant to this Escrow Agreement.

(b) Disbursement of the Working Capital Escrow Amount. The Escrow Agent shall release funds from the Working Capital Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b)) to Parent or Buyer, as applicable, as provided in, and only upon, the joint written instructions of Buyer and Parent. Parent and Buyer shall provide such joint written instructions to the Escrow Agent upon the determination of any Purchase Price Adjustment, to the extent required pursuant to Section 2(e) of the Asset Purchase Agreement; provided, that in the event that a Party becomes entitled to receive any funds from the Working Capital Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b)) pursuant to Section 2(e) of the Asset Purchase Agreement, neither Parent nor Buyer shall withhold, delay or condition their consent for such disposition, and shall promptly provide the joint written instructions required pursuant to this Escrow Agreement.

(c) Disbursement of the Transfer Tax Escrow Amount. The Escrow Agent shall release funds from the Transfer Tax Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b)) to Parent or Buyer, as applicable, as provided in, and only upon, the joint written instructions of Buyer and Parent. Parent and Buyer shall provide such joint written instructions to the Escrow Agent upon the determination of any Transfer Tax liability, and following the final determination of the Closing Working Capital, to the extent required pursuant to Sections 2(e) and 6(f)(i) of the Asset Purchase Agreement; provided, that in the event that a Party becomes entitled to receive any funds from the Transfer Tax Escrow Account (including any dividends, interest, gains and other distributions earned on such amounts as provided in Section 2(b)) pursuant to Sections 2(e) and 6(f)(i) of the Asset Purchase Agreement, neither Parent nor Buyer shall withhold, delay or condition their consent for such disposition, and shall promptly provide the joint written instructions required pursuant to this Escrow Agreement.

4. Instructions to the Escrow Agent.

(a) Any instructions setting forth, claiming, containing, objecting to, or in any way related to the transfer or distribution of the Fund, must be in writing or set forth in a Portable Document Format ("PDF"), executed by the appropriate Party or Parties as evidenced by the signatures of the person or persons signing this Escrow Agreement or one of their designated persons as set forth in Schedule 1 (each an "Authorized Representative"), and delivered to the Escrow Agent only by confirmed facsimile or attached to an email on a Business Day only at the fax number or email address set forth in Section 10 below. No instruction for or related to the transfer or distribution of the Fund shall be deemed delivered and effective unless the Escrow Agent actually shall have received it on a Business Day by facsimile or as a PDF attached to an email only at the fax number or email address set forth in Section 10 and as evidenced by a confirmed transmittal to the Party's or Parties' transmitting fax number or email address and the Escrow Agent has been able to satisfy any applicable security procedures as may be required hereunder. The Escrow Agent shall not be liable to any Party or other person for refraining from acting upon any instruction for or related to the transfer or distribution of the Fund if delivered to any other fax number or email address, including but not limited to a valid email address of any employee of the Escrow Agent other than if such omission or action is based upon the gross negligence or willful misconduct of Escrow Agent. The Parties acknowledge that there are certain security, corruption, transmission error and access availability risks associated with using open networks such as the Internet and the Parties hereby expressly assume such risks.

(b) In the event any funds transfer instructions are set forth in a permitted instruction from a Party or the Parties in accordance with Section 4(a), the Escrow Agent is authorized to seek confirmation of such funds transfer instructions by a single telephone call-back to one of the Authorized Representatives, and the Escrow Agent may rely upon the confirmation of anyone purporting to be that Authorized Representative. The persons and telephone numbers designated for call-backs may be changed only in a writing executed by Authorized Representatives of the applicable Party and actually received by the Escrow Agent via facsimile or as a PDF attached to an email. Except as set forth in Section 4(a) above, no funds will be disbursed until an Authorized Representative is able to confirm such instructions by telephone callback. The Escrow Agent and the beneficiary's bank in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by the Parties and confirmed by an Authorized Representative.

(c) As used in this Section 4, "Business Day" shall mean any day other than a Saturday, Sunday or any other day on which the Escrow Agent located at the notice address set forth below is authorized or required by law or executive order to remain closed. The Parties acknowledge that the security procedures set forth in this Section 4 are commercially reasonable.

5. **Termination.** Upon the disbursement of all of the Fund, this Escrow Agreement shall terminate and be of no further force and effect except that the provisions of Section 9 and Section 12 hereof shall survive termination.

6. **The Escrow Agent.** The Escrow Agent shall have only those duties as are specifically and expressly provided herein, which shall be deemed purely ministerial in nature, and no other duties shall be implied. The Escrow Agent has no knowledge of, nor any requirement to comply with, the terms and conditions of any other agreement between the Parties, nor shall the Escrow Agent be required to determine if any Party has complied with any other agreement. Notwithstanding the terms of any other agreement between the Parties, the terms and conditions of this Escrow Agreement shall control the actions of the Escrow Agent. The Escrow Agent may conclusively rely upon any written notice, document, instruction or request delivered by the Parties believed by it to be genuine and to have been signed by an Authorized Representative(s), as applicable, without inquiry and without requiring substantiating evidence of any kind and the Escrow Agent shall be under no duty to inquire into or investigate the validity, accuracy or content of any such document, notice, instruction or request. The Escrow Agent shall not be liable for any action taken or omitted to be taken by it in good faith except to the extent that the Escrow Agent's gross negligence or willful misconduct was the cause of any loss to either Party. The Escrow Agent may execute any of its powers and perform any of its duties hereunder directly or through affiliates or agents. In the event the Escrow Agent receives instructions, claims or demands from any Party hereto which conflict with the provisions of this Escrow Agreement, or if the Escrow Agent receives conflicting instructions from the Parties, the Escrow Agent shall be entitled to refrain from taking any action until it shall be given a joint written direction executed by Authorized Representatives of the Parties which eliminates such conflict or a final court order that

eliminates such conflict. Escrow Agent shall have no duty to solicit any payments which may be due it or the Fund, nor shall the Escrow Agent have any duty or obligation to confirm or verify the accuracy or correctness of any amounts deposited with it hereunder. Notwithstanding anything in this Escrow Agreement to the contrary, in no event shall the Escrow Agent be liable for special, incidental, punitive, indirect or consequential damages of any kind whatsoever (including but not limited to lost profits), even if Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

7. **Resignation; Succession.** The Escrow Agent may resign and be discharged from its duties or obligations hereunder by giving thirty (30) days advance notice in writing of such resignation to the Parties. The Escrow Agent's sole responsibility after such thirty (30) day notice period expires shall be to hold the Fund (without any obligation to reinvest the Fund) and to deliver the balance of the Fund to a designated substitute escrow agent, if any, appointed by the Parties, or such other person designated by the Parties, or in accordance with the directions of a final court order, at which time of delivery, the Escrow Agent's obligations hereunder shall cease and terminate. If prior to the effective resignation date, the Parties have failed to appoint a successor escrow agent, or to instruct the Escrow Agent to deliver the Fund to another person as provided above, at any time on or after the effective resignation date, Escrow Agent either (a) may interplead the Fund with a court of competent jurisdiction; or (b) appoint a successor escrow agent of its own choice. Any appointment of a successor escrow agent shall be binding upon the Parties and no appointed successor escrow agent shall be deemed to be an agent of Escrow Agent. Escrow Agent shall deliver the Fund to any appointed successor escrow agent, at which time Escrow Agent's obligations under this Escrow Agreement shall cease and terminate. Any entity into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any entity to which all or substantially all the escrow business may be transferred, shall be the escrow agent under this Escrow Agreement without further act.

8. **Compensation.** Each of the Parties shall be liable for one-half of all payments due and owing to the Escrow Agent, upon execution of this Escrow Agreement and from time to time thereafter, for reasonable compensation for the services to be rendered hereunder, which unless otherwise agreed in writing, shall be as described in Schedule 2. The payment of any such compensation shall in no event be taken out of the Fund.

9. **Indemnification and Reimbursement.** The Parties agree jointly and severally, to indemnify defend and hold harmless the Escrow Agent and its directors, agents and officers (the "Indemnitees") from and against any and all losses, damages, claims, liabilities, penalties, judgments, settlements, litigation, investigations, costs or expenses (including, without limitation, the reasonable fees and expenses of outside counsel) (collectively "Losses"), arising out of or in connection with (a) the Escrow Agent's performance of this Escrow Agreement, except to the extent that such Losses are caused by the gross negligence, willful misconduct, or bad faith of such Indemnitee; and (b) the Escrow Agent following any reasonable joint written instructions or directions from the Authorized Representatives of the Parties received in accordance with this Escrow Agreement. The obligations set forth in this Section 9 shall survive the resignation, replacement or removal of the Escrow Agent or the termination of this Escrow Agreement.

10. **Notices.** All communications hereunder shall be in writing or set forth in a PDF attached to an email, and all instructions from a Party or the Parties to the Escrow Agent shall be executed by an Authorized Representative, and shall be delivered in accordance with the terms of this Escrow Agreement by facsimile, email or overnight courier only to the appropriate fax number, email address, or notice address set forth for each party as follows:

11. **Compliance with Court Orders.** In the event that any of the Fund shall be attached, garnished, levied upon, or otherwise be subject to any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, the Escrow Agent is hereby expressly authorized in its sole discretion to obey and comply with all such orders so entered or issued, which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction, and in the event that the Escrow Agent obeys or complies with any such order it shall not be liable to any of the Parties hereto or to any other person by reason of such compliance notwithstanding such order be subsequently reversed, modified, annulled, set aside or vacated.

12. **Miscellaneous.** The provisions of this Escrow Agreement may be waived, altered, amended or supplemented only by a writing signed by the Escrow Agent and the Parties. Neither this Escrow Agreement nor

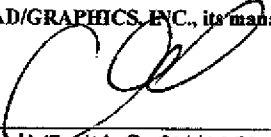

any right or interest hereunder may be assigned by any Party without the prior consent of the Escrow Agent and the other Parties. This Escrow Agreement shall be governed by and construed under the laws of the State of New York (without regard to any conflict of laws provision that would require the application of the law of any other jurisdiction other than the principles set forth in Section 5-1401 of the General Obligations Law of the State of New York, which shall apply). For so long as Parent is subject to the jurisdiction of the Bankruptcy Court, the Parties and the Escrow Agent each irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with this Escrow Agreement or the transactions contemplated hereby or thereby, and consent to the exclusive jurisdiction of, the Bankruptcy Court. After Parent is no longer subject to the jurisdiction of the Bankruptcy Court or if the Bankruptcy Court is unwilling or unable to hear any matter arising under or in connection with this Escrow Agreement or the transactions contemplated hereby or thereby, such matter shall be brought in the courts in the Court of Chancery for the State of Delaware in and for New Castle County (the "Chancery Court"), and in the event that the Chancery Court does not have subject matter jurisdiction as to a matter arising out of or relating to this Escrow Agreement, in any state or federal court of the State of Delaware located in New Castle County. Each Party and the Escrow Agent agrees that any action instituted by it arising out of or relating to this Escrow Agreement will be instituted exclusively in one of the above specified courts. Each Party and the Escrow Agent waives any defense of inconvenient forum to the maintenance of any dispute or action so brought, consents to service of process by mail and waives any objection to venue in any such court. Each Party and the Escrow Agent agrees that a final judgment in any dispute or action so brought will be conclusive and may be enforced by dispute or action on the judgment or in any other manner provided at law (common, statutory or other) or in equity. To the extent that in any jurisdiction either Party may now or hereafter be entitled to claim for itself or its assets, immunity from suit, execution, attachment (before or after judgment) or other legal process, such Party shall not claim, and hereby irrevocably waives, such immunity. The Escrow Agent and each Party hereby waives any right to a trial by jury with respect to any lawsuit or judicial proceeding arising or relating to this Escrow Agreement. No party to this Escrow Agreement is liable to any other party for losses due to, or if it is unable to perform its obligations under the terms of this Escrow Agreement because of, acts of God, fire, war, terrorism, floods, strikes, electrical outages, equipment or transmission failure, or other causes reasonably beyond its control (each, a "Force Majeure Event"), This Escrow Agreement and any joint instructions from the Parties, may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument or instruction, as applicable. All signatures of the parties to this Escrow Agreement may be transmitted by facsimile, and such facsimile will, for all purposes, be deemed to be the original signature of such party whose signature it reproduces, and will be binding upon such party. If any provision of this Escrow Agreement is determined to be prohibited or unenforceable by reason of any applicable law of a jurisdiction, then such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions thereof, and any such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction. The Parties represent, warrant and covenant that each document, notice, instruction or request provided by such Party to Escrow Agent shall comply with applicable laws and regulations. Except as expressly provided in Section 9 above, nothing in this Escrow Agreement, whether express or implied, shall be construed to give to any person or entity other than the Escrow Agent and the Parties any legal or equitable right, remedy, interest or claim under or in respect of the Fund or this Escrow Agreement.

SCHEDULE 2

J.P.Morgan

Schedule of Fees and Disclosures for the Escrow Agent Services

Based upon our current understanding of your proposed transaction, our fee proposal is as follows:

Account Acceptance Fee\$2,500.00

Encompassing review, negotiation and execution of governing documentation, opening of the account, and completion of all due diligence documentation. Payable upon closing.

Annual Administration Fee **WAIVED**

The Administration Fee covers our usual and customary ministerial duties, including record keeping, distributions, document compliance and such other duties and responsibilities expressly set forth in the governing documents for each transaction. Payable upon closing and annually in advance thereafter, without pro-ration for partial years.

Extraordinary Services and Out-of-Pocket Expenses

Any additional services beyond our standard services as specified above, and all reasonable out-of-pocket expenses including attorney's or accountant's fees and expenses will be considered extraordinary services for which related costs, transaction charges, and additional fees will be billed at the Bank's then standard rate. Disbursements, receipts, investments or tax reporting exceeding 25 items per year may be treated as extraordinary services thereby incurring additional charges. The Escrow Agent may impose, charge, pass-through and modify fees and/or charges for any account established and services provided by the Escrow Agent, including but not limited to, transaction, maintenance, balance-deficiency, and service fees, agency or trade execution fees, and other charges, including those levied by any governmental authority.

Disclosure & Assumptions: Please note that the fees quoted are based on a review of the transaction documents provided and an internal due diligence review. JPMorgan reserves the right to revise, modify, change and supplement the fees quoted herein if the assumptions underlying the activity in the account, level of balances, market volatility or conditions or other factors change from those used to set our fees. Payment of the invoice is due upon receipt. The escrow deposit shall be continuously invested in a JPMorgan Chase Bank money market deposit account ("MMDA") or a JPMorgan Chase Bank Cash Compensation account. MMDA and Cash Compensation Accounts have rates of compensation that may vary from time to time based upon market conditions. The Annual Administration Fee would include a supplemental charge up to 25 basis points on the escrow deposit amount if another investment option were to be chosen.

The Parties acknowledge and agree that the Parties are permitted by U.S. law to make up to six (6) pre-authorized withdrawals or telephonic transfers from an MMDA per calendar month or statement cycle or similar period. If the MMDA can be accessed by checks, drafts, bills of exchange, notes and other financial instruments ("Items"), then no more than three (3) of these six (6) transfers may be made by an Item. The Escrow Agent is required by U.S. law to reserve the right to require at least seven (7) days notice prior to a withdrawal from a money market deposit account.

Compliance

Patriot Act Disclosure. Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") requires the Escrow Agent to implement reasonable procedures to verify the identity of any person that opens a new account with it. Accordingly, you acknowledge that Section 326 of the USA PATRIOT Act and the Escrow Agent's identity verification procedures require the Escrow Agent to obtain information which may be used to confirm your identity including without limitation name, address and organizational documents ("identifying information"). You agree to provide

Sellers and Buyer are sometimes herein referred to collectively as the "Parties" and individually as a "Party".

WHEREAS, the Parties entered into that certain Asset Purchase Agreement dated as of October 10, 2012 (as amended, the "Asset Purchase Agreement"); and

WHEREAS, in order to give effect to the transactions contemplated by the Asset Purchase Agreement, the Parties desire that Sellers sell, transfer, convey and deliver to Buyer and Buyer purchase, acquire and accept from Sellers the Acquired Assets.

NOW, THEREFORE, in consideration of the covenants and agreements contained herein and in the Asset Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Parties agree as follows:

1. Sale and Transfer of Acquired Assets. Each Seller hereby sells, transfers, conveys and delivers to Buyer and Buyer's successors and assigns and Buyer hereby purchases, acquires and accepts all of such Seller's right, title and interest in and to the Acquired Assets, free and clear of any and all Liens (other than Liens created by Buyer and the Permitted Liens), Liabilities and other claims and interests. For the avoidance of doubt, Sellers are not selling, transferring, conveying or delivering to Buyer any of the Excluded Assets.

2. Non-Assignable Assets. Nothing in this Bill of Sale shall be construed as an attempt or agreement to transfer or assign any Acquired Asset which is not approved by an order of the Bankruptcy Court pursuant to sections 105, 363 and 365 of the Bankruptcy Code.

3. Further Assurances. Sellers and Buyer shall execute and deliver, or cause to be executed and delivered, from time to time hereafter, upon request and without further consideration, all such further documents and instruments and shall do and perform all such acts as may be reasonably requested to give full effect to Section 1 of this Bill of Sale.

4. Effectiveness. This Bill of Sale shall be effective as of the Closing.

5. Terms of the Agreement. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Asset Purchase Agreement. This Bill of Sale has been executed and delivered in accordance with and is subject to all of the terms and conditions of the Asset Purchase Agreement. Notwithstanding any other provision of this Bill of Sale to the contrary, nothing contained in this Bill of Sale shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions set forth in the Asset Purchase Agreement nor shall this Bill of Sale reduce, expand or enlarge any remedies under the Asset Purchase Agreement including, without limitation, any representations

6. Governing Law; Jurisdiction. This Bill of Sale shall in all aspects be governed by and construed in accordance with the laws of the State of New York, without giving effect to the principles of conflicts of law thereof. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the Parties irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with this Bill of Sale or the transactions contemplated hereby, and consent to the exclusive jurisdiction of, the Bankruptcy Court. After Sellers are no longer subject to the jurisdiction of the Bankruptcy Court or if the Bankruptcy Court is unwilling or unable to hear any matter arising under or in connection with this Bill of Sale or the transactions contemplated hereby, such matter shall be brought in the courts in the Court of Chancery for the State of Delaware in and for New Castle County (the "Chancery Court"), and in the event that the Chancery Court does not have subject matter jurisdiction as to a matter arising out of or relating to this Bill of Sale, in any state or federal court of the State of Delaware located in New Castle County. Each of the Parties agrees that any action instituted by it arising out of or relating to this Bill of Sale will be instituted exclusively in one of the above specified courts. Each Party waives any defense of inconvenient forum to the maintenance of any dispute or action so brought, consents to service of process by mail and waives any objection to venue in any such court. Each Party agrees that a final judgment in any dispute or action so brought will be conclusive and may be enforced by dispute or action on the judgment or in any other manner provided at law (common, statutory or other) or in equity.

7. Consent to Service of Process. Each Party hereby consents to process being served by any Party in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 10(g) of the Asset Purchase Agreement.

No Party may assign this Bill of Sale or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

9. Counterparts. This Bill of Sale may be executed in one (1) or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. This Bill of Sale or any counterpart may be executed and delivered by facsimile or email with scan attachment copies or pdf, each of which shall be deemed an original.

Accounting Policies and Procedures

I. Accounts Receivable

- A. Reserves: The allowance for doubtful accounts is to be calculated in accordance with GAAP by considering a number of factors, including the length of time Accounts Receivable are past due, previous loss history, the customer's current and projected ability to pay its obligation, any ongoing litigation or disputes with the customer, and the condition of the general economy and industry as a whole. A bad debt reserve is maintained which consists of a specific reserve and a general reserve. In addition there are reserves for potential Bankruptcy preference items or other exposures.

In order to determine the appropriate specific reserve the following steps are performed: A list, referred to as the Watch List Accounts, is created of all larger high risk accounts. These accounts are then analyzed to identify if there is a probability of a collection issue. If an account is determined to be potentially uncollectible, it is immediately specifically reserved for if it is deemed to be an immediate risk. Otherwise, a reserve for the high risk accounts is set at 10% of the Watch List Accounts, but excluding risk accounts rated as 1.. The specific reserves are established based on the probability of collectability and potential recovery.

If a customer goes bankrupt, ceases operations the account is then fully reserved for unless there is specific knowledge that some collection will be possible. Specific reserves are also maintained for customer disputes or other legal issues.

The general reserve for unspecified doubtful accounts is a judgmental reserve which takes into account 1) the overall aging of receivables not covered by specific reserves, 2) the seasonality impact on Accounts Receivable, and 3) the risk profile of customers, and 4) the overall economy.

- B. Valuation: Accounts Receivable are presented in the balance sheet at net realizable value. Net realizable value equals the gross receivable less an allowance for doubtful accounts.

II. Inventory

A. Definitions:

"First In, First Out" and "FIFO" mean a valuation method in which the assets produced or acquired first are sold, used or disposed of first.

"Full Physical Inventory" means the process by which a business physically counts its entire inventory. A physical inventory will be taken as of the Closing Date.

- B. General: Goods and materials received from vendors or produced in house as well as work in process and finished goods are inventoried and included in the balance sheet as an asset.
- C. Exclusion for Valuation Purposes: For valuation purposes, Inventory excludes any material that is not of a quality currently usable.
- D. Valuation: Inventory should be valued on the balance sheet using the FIFO method or specific roll identification method. The specific roll identification for paper values individual rolls at cost. Work in Process and Finished Goods should be valued using a fully loaded cost in accordance with GAAP. There should not be any profit recorded on Work in Process or Finished Goods. Paper inventory should have an Excess & Obsolete ("E&O") reserve.

Paper reserves for excess and obsolete inventory should be established based on the aging of inventory per the table below:

Aging of Paper Inventory	Reserve Requirement
0 to 12 months	0%
greater than 12 months	75%

In the event that ink, plates, blankets and other inventoried items are deemed excess or obsolete, they should be written down to net realizable value

III. Media Related Payables

- A. Valuation: Media Related Payables are valued at the actual amount owed.

IV. Accrued Expenses

- A. Definition: Accrued Expenses represent liabilities for expenses which have been incurred as of the Closing Date and are probable and can be reasonably estimated. However, Accrued Expenses as of the closing date should exclude any accrued expenses identified in clauses (d) through (l) in the definition of Current Liabilities as described in Section 1 of the Agreement.

Environmental Matters

1. North Brunswick, NJ (Webcraft, LLC)

Webcraft is performing environmental investigatory activities at its North Brunswick, New Jersey location. These activities, which were originally being conducted under the direction of the NJDEP, are being conducted in compliance with ISRA.

Based on two consecutive rounds of sampling, the NJDEP agreed to terminate one of two pre-existing groundwater Classification Exception Areas (“CEA”) that had been established at the property.

As part of the ISRA compliance activities associated with the 2007 sale of the property, Webcraft established a remediation trust fund, with the NJDEP being the beneficiary, in the amount of \$123,805.

In Building 1, EWMA conducted borings through the floor in January 2009 to determine the extent of free product oil, and it appears from those borings that the oil is localized. EWMA is conducting product recovery activities. Previous groundwater sampling has revealed low levels of chlorinated solvents dissolved in groundwater. Monitoring wells, installed around the building, confirmed that the extent of the contamination has been horizontally and vertically delineated. Also, as a result of a NJDEP site inspection in November 2009, EWMA investigated leakage from an above ground hydraulic oil tank in the building, a floor trench, certain areas outside that are or were used for storage, and potential vapor intrusion issues.

Borings and monitoring wells were installed outside the Building & Grounds building, to assess the extent of the dissolved chlorinated solvent in the groundwater there. EWMA recommended continued sampling of the wells in order to monitor the groundwater. Also, as a result of the NJDEP site inspection, EWMA investigated potential vapor intrusion issues in the building and sealed the floor drains and sump, which has eliminated vapor intrusion. An investigation of potential off-site vapor intrusion has been required by the NJDEP. Sampling at one nearby residential property has revealed no vapor intrusion condition.

Pursuant to the SRRA, as of May 7, 2012 the NJDEP no longer oversees the investigatory and remedial activities being performed at the property, and this case was transitioned to a LSRP that was retained by Webcraft. Long term remediation strategy will be determined by the LSRP with input from 1980 US HWY 1, LLC, which is the site owner.

2. Chalfont, PA North Penn Area 5 (near Webcraft, LLC's Chalfont, PA facility)

An environmental investigation of the soil and groundwater on Webcraft's facility indicated that contaminants were generally not detected at the Webcraft facility or, when present, were found in insignificant trace concentrations. Based upon their findings, EPA verbally advised Webcraft that any liability on Webcraft's part for remediation would be unlikely. No documents have been received from the EPA since January 25, 1999 when Webcraft received the analytical data for EPA's sampling activity at the Chalfont facility.

Section 3(m)(v):

Vertis did contribute to the GCIU Supplemental Retirement and Disability Fund, a multiemployer defined benefit pension plan. Vertis withdrew from the GCIU plan in 2005 and was assessed \$401,000 of withdrawal liability, which was paid in full by Vertis.

With respect to Sections 3(m)(ix), (xii) and (xiii) the following disclosure is provided notwithstanding the fact that, as of the Agreement Date, the referenced Employee Benefit Plans are not Assumed Benefit Plans:

Section 3(m)(ix):

The following four plans subject to Title IV merged effective December 31, 2010 to become the Vertis Consolidated Pension Plan: the Webcraft Retirement Income Plan and the Webcraft Service Related Pension Plan (“Webcraft Plans”), and the ACG Pension Plan for Salaried and Southwest Hourly Employees and the ACG Pension Plan for Hourly Employees (“ACG Plans”). Prior to the merger, employees of Seller participated in the two Webcraft Plans.

The 2010 minimum funding contributions due September 15, 2011 were determined separately for each of the two Webcraft Plans and for each of the two ACG Plans. The 2010 minimum funding contributions were made for the Webcraft Plans, but not for the ACG Plans. The 2010 unpaid minimum funding contribution for the ACG Plans totaled \$1,492,636. As a result, the Vertis Consolidated Pension Plan had unpaid minimum funding contributions and an accumulated funding deficiency equal to \$1,492,636.

On September 15, 2011, Vertis filed Form 5330’s for the funding deficiencies for the ACG Plans. Vertis made the required contribution payment and all required excise tax payments. However, a lien against certain of the Seller and/or their affiliates in the amount of the unpaid contributions to the ACG Plans was provided for by Code Section 403(k), which remained until the end of the plan year (December 31, 2011).

Section 3(m)(xii):

On August 17, 2012, Vertis, Inc. and the Vertis Health and Welfare Plan were served with a 220 page Complaint by Pomona Valley Hospital, alleging primarily underpayment of charges for services rendered by the Hospital to participants in the Plan. Vertis and the Plan were among several dozen defendants, all of whom were the subject of similar allegations.

Section 3(m)(xiii):

Historically, Vertis has occasionally promised continued Medical and Prescription Drug Plan health insurance coverage (and other employee benefits) to various employees as part of termination packages.

Section 3(m)(xiv):

Consummation of the transactions contemplated by the Agreement could result in severance payments to certain Covered Employees under the severance guidelines of the Parent or collective bargaining agreements between Parent (or its affiliates) and a labor union representing certain Covered Employees.

In the event the consummation of the transactions contemplated by the Agreement result in a “partial termination” of the Vertis 401(k) Plan, each participant affected by such partial termination would be entitled to full vesting of their account in such plan.

Schedule 3(m)(vi)

B. Other Matters

1. A secret ballot election was held on August 31, 2011 at the company's Monroe, NJ facility, as a result of a petition filed by Local -1 Amalgamated Lithographers of America, AFL-CIO. The results of the election were not conclusive, and various objections and challenges related to the election were referred to a hearing before an Administrative Law Judge. On December 22, 2011, the Administrative Law Judge issued his decision, ruling in the company's favor on all issues. At the Administrative Law Judge's direction, the case has been remanded to the NLRB's Regional Director, and the company and union are awaiting the NLRB's final resolution.
2. A second secret ballot election was held on August 22, 2012 at the company's Monroe, NJ facility, as a result of another petition filed by Local -1 Amalgamated Lithographers of America, AFL-CIO. The company won the election (56 against the union, 31 in favor), and the union filed no objections.
3. Starting in 2009, Joseph Grippando claimed an entitlement to benefits under the Vertis SERP in the total amount of \$285,000. Mr. Grippando's claim was further asserted by one law firm in February 2009, and by another law firm in May 2010. The Vertis Retirement Committee denied Mr. Grippando's claim for benefits, and

subsequently denied his appeal, which was communicated to Mr. Grippando's second attorney on July 7, 2010.

Extensive correspondence ensued between the second attorney and counsel for Vertis. On May 19, 2011, Vertis offered Mr. Grippando approximately \$10,000 to settle the matter. No response has ever been received to the settlement offer, nor has there been any further communication with Mr. Grippando's attorney.
