TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of May 23, 2014 ("Effective Date") by and between Summit Partners LP, a Delaware Limited Partnership ("Assignor"), with its principle office at 222 Berkeley Street, Boston, MA 02116, and Continuum Managed Services, LLC, a Delaware limited liability company, with its principal office at 100 Summer Street, Suite 1401, Boston, MA 02110 ("Assignee").

WHEREAS, the Assignor is the owner of the trademarks set forth on Schedule A attached hereto, including the applications and registrations therefore, together with the goodwill of the business associated therewith (collectively, the "Marks"); and

WHEREAS, the Assignor wishes to sell and assign, and the Assignee wishes to purchase and assume the Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest of Assignor in and to the Marks, together with all goodwill of the business associated therewith, for the United States (federal and state), including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States (federal or state) or may be secured in the future in any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries or U.S. states, to record Assignee as the assignee and owner of the Marks.

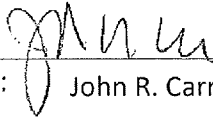

Assignor shall, at Assignee's expense, take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation), reasonably requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, including, without limitation, with respect to the following: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Marks and this Assignment; (3) obtaining any additional trademark protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now

or hereafter in effect in the United States or in any foreign country; and (4) in the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world, in each case in clauses (1)-(4), solely at Assignee's expense and to the extent reasonably requested by Assignee to more fully and effectively effectuate the purposes of this Assignment .
