## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of June 6, 2014, made by each of the Persons listed on the signature pages hereto (collectively, the "Grantors"), in favor of HSBC Bank USA, National Association (the "Secured Party").

### W I T N E S S E T H:

WHEREAS, pursuant to the Security Agreement, dated as of the date hereof (the "Security Agreement"; capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement), among the grantors party thereto and the Secured Party, the Grantors are required to execute and deliver this Agreement.

Accordingly, the Grantors and the Secured Party agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Secured Party a continuing security interest in all of such Grantor's right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor and wherever located or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Collateral"):

(a) each Trademark, including, without limitation, each registered and applied for United States Trademark and all goodwill associated with or symbolized by each Trademark listed on Schedule A hereto; and

(b) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by such Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by such Grantor (including, without limitation, any United States Trademark identified in Schedule A hereto).

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this Agreement secures the payment and performance of all Obligations of such Grantor now or hereafter existing under the Credit Agreement.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks at the United States Patent and Trademark Office record this Agreement.

SECTION 4. Grants, Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Secured Party with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterpartys, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or other electronic method

for transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

SECTION 6. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS CHOICE OF LAW PRINCIPLES WHICH WOULD RESULT IN APPLICATION OF THE LAW OF ANOTHER JURISDICTION.

SECTION 7. Severability. In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

[Remainder of the page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has duly executed this Agreement as of the day and year first above written.
