United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that (a) pursuant to the Security Agreement dated as of June 4, 2014 (as amended, modified, extended, restated, replaced, or supplemented from time to time, the “Security Agreement”), by and among the Obligors party thereto (each an “Obligor” and collectively, the “Obligors”) and Citizens Bank of Pennsylvania, as Administrative Agent (the “Administrative Agent”) for the secured parties referenced therein (the “Secured Parties”), each of the undersigned Obligors has granted a continuing security interest in and continuing lien upon its right, title and interest in and to the trademark registrations and trademark applications shown on Schedule 1 attached hereto (the “Trademark Collateral”) to the Administrative Agent for the ratable benefit of the Secured Parties and (b) each of the undersigned hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing security interest in its right, title and interest in and to the Trademark Collateral. Capitalized terms used and not defined herein have the meanings specified in the Security Agreement.

The Obligors and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the Trademark Collateral (i) may only be terminated in accordance with the terms of the Security Agreement and (ii) is not to be construed as an assignment of any Trademark Collateral.
