RECITALS

WHEREAS, Seller desires to sell, among other things, certain intellectual property associated with Seller's business in accordance with the terms and conditions of the Asset Purchase Agreement between Buyer and Seller;

WHEREAS, Seller owns and desires to assign all of its rights, title and interest in the patents listed in Schedule A hereto, and Buyer desires to purchase the same, (the "Patents");

WHEREAS, Seller owns and desires to assign all of its rights, title and interest, along with the associated goodwill, in the trademarks listed in Schedule B hereto, and Buyer desires to purchase the same, (the "Trademarks");

NOW, THEREFORE, in consideration of ten dollars (\$10.00) and other good and valuable consideration, of which receipt is irrevocably acknowledged Seller and Buyer agree as follows:

Seller, Georgia Foam, Inc., does hereby sell, assign, and transfer to Buyer, Cellofoam North America, Inc., its entire right, title, and interest, and associated goodwill, including the right to sue for past infringement, in and to the Trademarks and the Patents and any and all applications for patent and patents in any and all countries, including all divisions, renewals, continuations, reissues, Convention applications and extensions thereof based in whole or in part on these patents or any applications and all rights of priority resulting from the filing of said U.S.

applications and authorize and request any official whose duty it is to issue patents to issue any patent on said invention or resulting therefrom to Cellofoam North America, Inc, or its successors, assigns, or nominees, and hereby agrees that on request and without further consideration, but at the expense of Georgia Foam, Inc., Seller will provide a corporate representative and to the extent possible the individual inventors to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and generally aid in any litigation action and proper patent protection for these inventions in all countries.
