## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (as amended or otherwise modified from time to time, "Agreement"), dated May 23, 2014, is made by Small Bone Innovations, Inc., a Delaware corporation located at 1380 S. Pennsylvania Avenue, Morrisville, PA 19067 ("Grantor") in favor of Hayfin Services LLP, an English limited liability partnership, located at One Eagle Place, London, SW1Y 6AF, United Kingdom, as Administrative Agent for certain lenders (in such capacity, together with any permitted successors and assigns, "Secured Party"). Capitalized terms used in this Agreement and not defined herein have the meanings set forth for such terms in the Security Agreement (as hereinafter defined).

WHEREAS, Grantor is the applicant or registrant for the trademarks and service marks listed on the annexed Schedule 1A hereto, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, Grantor has entered into an Amended and Restated Security Agreement, dated as of the date hereof, among Grantor and the other grantors signatory thereto, and Secured Party (as amended or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, as collateral security for all of the Obligations, Grantor has hypothecated and granted to Secured Party, for the benefit of the Administrative Agent and the Lenders (as such terms are defined in the Security Agreement) a continuing security interest in the Trademarks, together with, among other things, the goodwill of the business symbolized by and associated with the Trademarks and the applications and registrations thereof, and all proceeds thereof (collectively, the "Collateral");

NOW, THEREFORE, in consideration of the premises and agreements made herein and in the Security Agreement, the Parties agree as follows:

As collateral security for all of the Obligations, Grantor hereby grants to the Secured Party, for the benefit of the Administrative Agent and the Lenders, a continuing security interest in the Collateral, and Secured Party hereby accepts such security interest from Grantor. The security interest in the Collateral granted hereby is in addition to, and not in limitation of, the security interest granted by the Grantor in the Collateral pursuant to the Security Agreement.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

In the event of an irreconcilable conflict between this Agreement and the Security Agreement, the Security Agreement shall govern.

This Agreement shall be governed by, and construed in accordance with, the law of the state of New York applicable to contracts made and to be performed in the state of New York, except as required by mandatory provisions of law and except to the extent that the perfection and the effect of perfection or non-perfection of the security interest created hereby, or

remedies hereunder, in respect of any particular Collateral are governed by the law of a jurisdiction other than the State of New York.

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its officer thereunto duly authorized as of the date above first written.
