TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (“*Assignment*”) is entered into as of June 9, 2014, by and between **DISA Global Solutions, Inc.**, a Delaware corporation (“*Assignor*”), and **University MRO, LLC**, a Delaware limited liability company (“*Assignee*”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademark registrations and applications for registration, and all related goodwill, identified and set forth on **Schedule A** attached hereto, (the “*Marks*”); and

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all worldwide right, title and interest in and to the Marks and any and all goodwill associated with the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Assignor and Assignee agree:

1. Assignor hereby irrevocably contributes, transfers, grants, assigns and conveys to Assignee, free and clear of any and all liens and encumbrances, all right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all rights to collect royalties, products and proceeds due or payable in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith.
2. Assignor hereby requests the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Marks and to deliver to Assignee, and to Assignee’s attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
3. Assignor shall provide Assignee, its successors and assigns, or their legal representatives such information and assistance as Assignee may reasonably request (including, without limitation, execution and delivery of any affidavits, declarations, oaths or other documents as may reasonably be required) in connection with: (a) the preparation of any application for registration or any application for renewal any Mark; (b) the prosecution or defense of any infringement or other proceedings that may arise in connection with any of the Marks including, but not limited to, testifying as to any facts relating to the Marks assigned herein and this Assignment; (c) obtaining any additional protection for the Marks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States, foreign countries and multinational authorities; and (d) effectuating and implementing this Assignment, with payment to Assignor by Assignee of all out-of-pocket expenses actually incurred in providing such assistance.
4. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware.

5. This Assignment may be signed in separate counterparts (including by facsimile or portable document format (.pdf)), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
