INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement, as the same may be amended, restated, supplemented, replaced or otherwise modified from time to time (this "Agreement"), is entered into as of May 16, 2014 by and between Sepaton, Inc., a Delaware corporation with a business address at 400 Nickerson Road, Marlborough, MA 01753 (the "Debtor"), and Comerica Bank, having an address of 39200 Six Mile Road, M/C 7578, Livonia, MI 48152 (the "Secured Party").

RECITALS

Debtor and Secured Party have entered into and executed a certain Loan and Security Agreement dated as of November 30, 2010, as amended by (i) a certain First Amendment to Loan and Security Agreement dated as of April 30, 2012, (ii) a certain Second Amendment to Loan and Security Agreement dated as of April 29, 2013, and (iii) a certain Third Amendment to Loan and Security Agreement dated as of even date herewith (as further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"). The Credit Agreement evidences a revolving line of credit in the maximum principal amount of \$2,500,000.00 (the "RLOC") and a term loan in the maximum principal amount of \$4,000,000.00 (the "Term Loan", and together with the RLOC, the "Loans").

The Debtor and Secured Party have agreed that the Debtor shall grant to the Secured Party a security interest in all of the intellectual property owned by the Debtor and have entered into this Agreement to reflect such security interest in favor of the Secured Party. In recognition of the Debtor's agreement to grant the Secured Party a security interest in all of the Debtor's intellectual property, the Debtor acknowledges and authorizes the Secured Party to amend Exhibit A to the Credit Agreement and to file any corresponding Uniform Commercial Code financing statements to confirm that the Debtor has granted Secured Party a security interest in all of the Debtor's intellectual property.

All terms above have the meanings given to them in the Massachusetts Uniform Commercial Code, as amended or supplemented from time to time.

3. PROTECTION OF INTELLECTUAL PROPERTY BY DEBTOR: Except as set forth below in this Section 3, the Debtor shall undertake the following with respect to the Patents, the Patent Licenses, the Trademarks, the Trademark Licenses, the Copyrights and the Copyright Licenses (collectively, the "Intellectual Property"):

(a) Pay all renewal fees and other fees and costs associated with maintaining the Intellectual Property and with the processing of the Intellectual Property and take all other reasonable and necessary steps to maintain each registration of the Intellectual Property.

(b) Take all actions reasonably necessary to prevent any of the Intellectual Property from becoming forfeited, abandoned, dedicated to the public, invalidated or impaired in any way.

(c) At the Debtor's sole cost, expense and risk, pursue the prompt, diligent processing of each application for registration which is the subject of the security interest created herein and not abandon or delay any such efforts.

(d) At the Debtor's sole cost, expense and risk, take any and all action which the Debtor reasonably deems appropriate under the circumstances to protect the Intellectual Property from infringement, misappropriation or dilution, including, without limitation, the prosecution and defense of infringement actions.

In addition, and notwithstanding the foregoing, so long as no Event of Default has occurred, and no Material Adverse Effect would result therefrom, the Debtor shall not have an obligation to use or to maintain any Intellectual Property (i) that in the Debtor's reasonable business judgment, the Debtor deems no longer necessary for the conduct of its business, (ii) that relates solely to any product, that has been discontinued, abandoned or terminated or (iii) that has been replaced with Intellectual Property substantially similar to the Intellectual Property that may be abandoned or otherwise become invalid, so long as the failure to use or maintain such Intellectual Property shall not have a Material Adverse Effect on the validity of such replacement Intellectual Property and so long as such replacement Intellectual Property is subject to the lien created by this Agreement.

4. DEBTOR'S REPRESENTATIONS AND WARRANTIES: The Debtor represents

and warrants that:

(a) Exhibit A is a true, correct and complete list of all Patents and Patent Licenses owned by the Debtor as of the date hereof.

(b) Exhibit B is a true, correct and complete list of all Trademarks and Trademark Licenses owned by the Debtor as of the date hereof.

(c) Exhibit C is a true, correct and complete list of all Copyrights and Copyright Licenses owned by the Debtor as of the date hereof (Exhibit C is blank because no issued, pending or unregistered copyrights have been identified by Debtor).

(d) Except as set forth in Exhibits A, B and C, none of the Intellectual Property is the subject of any licensing or franchise agreement pursuant to which the Debtor is the licensor or franchisor.

(d) All IP Collateral owned by the Debtor is, and shall remain, free and clear of all liens, encumbrances, or security interests in favor of any Person, other than liens in favor of the Secured Party and such other liens, claims and encumbrances as may be permitted by the Credit Agreement or by the Secured Party in its sole and absolute discretion from time to time in writing.

(e) The Debtor owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. As of the date hereof, no material claim has been asserted and is pending by any Person challenging or questioning the use by the Debtor of any of its Intellectual Property or the validity or effectiveness of any of its Intellectual Property, nor does the Debtor know of any valid basis for any such claim. To the knowledge of the Debtor, the use by the Debtor of the Intellectual Property does not infringe the rights of any Person. No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of, or the Debtor's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect on the business or the property of the Debtor.

(f) The Debtor shall give the Secured Party written notice (with reasonable detail) within ten (10) days following the occurrence of any of the following: (i) the Debtor's obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any newly registered Intellectual Property (other than the Debtor's right to sell products containing the trademarks of others in the ordinary course of the Debtor's business), (ii) the Debtor's becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor (other than the Debtor's right to sell products containing the trademarks of others in the ordinary course of Debtor's business), (iii) the Debtor's entering into any new Licenses, (iv) the Debtor's knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the PTO, or any court or tribunal) regarding Debtor's ownership of, or the validity of, any material

Intellectual Property or the Debtor's right to register the same or to own and maintain the same.

5. AGREEMENT APPLIES TO FUTURE INTELLECTUAL PROPERTY:

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in subsections (i), (ii) and (iii) of Section 4(f), above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement.

(b) Upon the reasonable request of the Secured Party, the Debtor shall execute and deliver and have recorded, any and all agreements, instruments, documents and papers as the Secured Party may request to evidence the Secured Party's security interest in any Patent or Trademark and the goodwill and General Intangibles of the Debtor relating thereto or represented thereby (including, without limitation, filings with the PTO or any similar office), and the Debtor hereby constitutes the Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; provided, however, the Secured Party's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

6. DEBTOR'S RIGHTS TO ENFORCE INTELLECTUAL PROPERTY: Prior to the Secured Party's giving of notice to the Debtor following the occurrence of an Event of Default, the Debtor shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by the Debtor to protect the Intellectual Property against encroachment by third parties, provided, however:

(a) The Debtor first provides the Secured Party with written notice of the Debtor's intention to so sue for enforcement of any Intellectual Property.

(b) Any money damages awarded or received by the Debtor on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) After the occurrence of any Event of Default, the Secured Party, by notice to the Debtor, may terminate or limit Debtor's rights under this Section 6.

7. SECURED PARTY'S ACTIONS TO PROTECT INTELLECTUAL PROPERTY:
In the event of:

(a) The Debtor's failure, within five (5) days of written notice from the Secured Party, to cure any failure by the Debtor to observe or perform any of the Debtor's covenants, agreements or other obligations hereunder; and/or

(b) The occurrence any other Event of Default,

The Secured Party, acting in its own name or in that of the Debtor, may (but shall not be required to) act in the Debtor's place and stead and/or in the Secured Party's own right in

connection therewith.

8. RIGHTS UPON DEFAULT:

(a) After the occurrence of an Event of Default, the Secured Party may exercise all rights and remedies of a secured party upon default under the Uniform Commercial Code as adopted in the Commonwealth of Massachusetts with respect to the IP Collateral, in addition to which the Secured Party may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property. Any person may conclusively rely upon an affidavit of an officer of the Secured Party that an Event of Default has occurred and that Secured Party is authorized to exercise such rights and remedies.

(b) Notwithstanding Section 8(a) above, if 1) the sole Event of Default that has occurred is a payment default under Section 8.1 of the Credit Agreement, 2) the Debtor is otherwise in full compliance with the terms of the Loan Documents and remains in compliance, and 3) no other Payment Default has occurred during the prior 12 month period prior to the occurrence of the Payment Default, then the Secured Party agrees: 1) that it will not sell, license, assign, transfer, or otherwise dispose of the Intellectual Property until a date at least twenty (20) days from the date of the Debtor's Payment Default (the "IP Sale Forbearance"). The Secured Party's agreement to the IP Sale Forbearance before selling, licensing, assigning, transferring, or otherwise disposing of the Intellectual Property shall be strictly limited to its terms and shall not be construed as a waiver of the Payment Default (even if the amount that triggered the Payment Default is paid to the Secured Party during the IP Sale Forbearance) or of any other Event of Default. Nor shall the Secured Party's agreement to the IP Sale Forbearance be construed as a waiver of any other rights and remedies of the Secured Party under the Loan Documents. Nor shall the Secured Party's agreement to the IP Sale Forbearance be construed as an extension or amendment of the Obligations. The Secured Party expressly reserves the right during the period of the IP Sale Forbearance to exercise any and all of its rights or remedies under this Agreement, the Credit Agreement, the Loan Documents and applicable law, including without limitation, the Secured Party's right to notice and schedule the disposition of the Debtor's Intellectual Property. The IP Sale Forbearance will immediately terminate without notice to the Debtor if the Debtor fails to comply with the Loan Documents and if such termination of the IP Sale Forbearance occurs the Secured Party may immediately dispose of the Debtor's Intellectual Property.

9. SECURED PARTY AS ATTORNEY IN FACT:

(a) The Debtor hereby irrevocably constitutes and designates the Secured Party as and for the Debtor's attorney in fact, effective following the occurrence of an Event of Default: (i) to supplement and amend from time to time Exhibits A, B and C of this Agreement to include any new or additional Intellectual Property of the Debtor, (ii) to exercise any of the rights and powers referenced herein, and (iii) to execute all such instruments, documents, and papers as the Secured Party reasonably determines to be appropriate in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property.

(b) The within grant of a power of attorney, being coupled with an interest, shall be

irrevocable until this Agreement is terminated by a duly authorized officer of the Secured Party.

(c) The Secured Party shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 9(a), but if the Secured Party elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to the Debtor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding the Secured Party has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been grossly negligent or in actual bad faith or constituted willful misconduct.

10. SECURED PARTY'S RIGHTS:

(a) Any use by the Secured Party of the Intellectual Property, as authorized hereunder in connection with the exercise of the Secured Party's rights and remedies under this Agreement and under the Credit Agreement shall be coextensive with the Secured Party's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

(b) None of this Agreement, the Credit Agreement, or any act, omission, or circumstance taken or arising hereunder may be construed as directly or indirectly conveying to the Secured Party any present right, title or interest in and to the Intellectual Property, which right, title and interest is effective only following the occurrence of any Event of Default.

11. **INTENT:** This Agreement is being executed and delivered by the Debtor for the purpose of registering and confirming the grant of the security interest of the Secured Party in the IP Collateral with the PTO and with the US Copyright Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of the security interest granted to the Secured Party under the Credit Agreement. The Secured Party shall have the same rights, remedies, powers, privileges and discretions with respect to the security interests created in the IP Collateral as in all other Collateral. In the event of a conflict between this Agreement and the Credit Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Credit Agreement with respect to all other Collateral.

12. **CHOICE OF LAW:** It is intended that this Agreement take effect as a sealed instrument and that all rights and obligations hereunder, including matters of construction, validity, and performance, shall be governed by the laws of The Commonwealth of Massachusetts.

13. **AUTHORIZATION FOR FILING FINANCING STATEMENTS:** The Debtor authorizes the Secured Party to prepare and file at any time any financing statements, continuation statements, and amendments thereto, with respect to the Collateral and with respect to the IP Collateral.
