(b) As collateral security for the prompt payment in full when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, the Grantor hereby pledges and grants to the Administrative Agent, for the benefit of the Secured Creditors, a security interest in and to all of the Grantor's right, title and interest, whether now owned or hereafter acquired, in and to (i) its trademarks (including service marks), trade names, trade dress and the registrations and applications for registration thereof, including the foregoing listed on Schedule A, and the goodwill of the business symbolized by the foregoing; (ii) all renewals of the foregoing; (iii) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (iv) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (v) all rights corresponding to any of the foregoing throughout the world (the "Trademarks"), but excluding any intent-to-use United States trademark applications for which an amendment to alleged use or statement of use has not been filed under 15 U.S.C. §1051(c) or
