## RELEASE OF SECURITY INTERESTS AGREEMENT

This Release of Security Interests Agreement ("Agreement") is entered into and dated effective as of June 19, 2014, by and between Nuventix, Inc., a Delaware corporation ("Debtor"), and CenterPoint Venture Fund III (Q), L.P., acting as collateral agent for itself and the other Secured Parties (as defined in the Security Agreements referenced below) ("Collateral Agent").

### INTRODUCTION

A. Debtor and Collateral Agent are parties to an Intellectual Property Security Agreement dated as of October 2, 2013 (as such has been amended from time to time, the "Intellectual Property Security Agreement") and a Security Agreement, dated as of October 2, 2013 (as such has been amended from time to time, the "Security Agreement") and, together with the Intellectual Property Security Agreement, the "Security Agreements").

B. Pursuant to the Security Agreements, Debtor granted Collateral Agent, acting on behalf of itself and the other Secured Parties, security interests in Debtor's patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, mask works, other Intellectual Property Collateral (as such term is defined in the Intellectual Property Security Agreement), and other Collateral (as such term is defined in the Security Agreement), including but not limited to the patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, and mask works listed on the attached Exhibit A.

C. Debtor, Collateral Agent and certain other persons are party to a letter agreement, dated on or about the date hereof (the "Payoff Letter"), concerning, among other things, the termination of all obligations of debt under certain Bridge Notes (as defined in the Payoff Letter) and the termination of all liens and security interests of Collateral Agent and the Bridge Note Holders (as defined in the Payoff Letter) under the Security Agreements.

D. The parties desire to confirm the release of all security interests in favor of Collateral Agent, acting on behalf of itself and the other Secured Parties, granted pursuant to the Security Agreements.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

### AGREEMENT

1. Release of Security Interests. Collateral Agent, acting on behalf of itself and the other Secured Parties, hereby releases, discharges, terminates and relinquishes, without recourse of any kind, to Debtor, its successors and assigns, all security interests, charges and encumbrances granted by Debtor in favor of Collateral Agent, acting on behalf of itself and the other Secured Parties, pursuant to the Security Agreements, including, but not limited to, those relating to Debtor's patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, mask works, other Intellectual Property Collateral, and other Collateral.

2. Further Cooperation. Collateral Agent, acting on behalf of itself and the other Secured Parties, shall, upon reasonable request of Debtor, execute and deliver to Debtor, or register, or arrange to have registered by its agent, all such other assurances, and further terminations and

releases necessary to carry out the terms of this Agreement, including those under the Uniform Commercial Code or the laws of the United States related to patents, trademarks, copyrights, mask works, registrations or discharges of security interests in respect of intellectual property. Debtor agrees to pay for the preparation, execution, delivery, filing and recording of this Agreement in the appropriate jurisdictions and of all such other terminations, releases, agreements, discharges, other instruments and collateral.
