WHEREAS, pursuant to the terms and conditions of that certain Trademark Security Agreement by and between Grantor and Grantee dated July 26, 2013 (the “Trademark Security Agreement”), Grantor granted to Grantee a continuing security interest in and to all of Grantor’s right, title and interest in and to all of the trademarks, and registrations of and applications to register the foregoing, and all of the trade names and assumed names owned by Grantor and other collateral referenced therein, including, without limitation, the United States trademark registrations set forth on Schedule A attached hereto, in each case, together with: (i) the goodwill associated therewith; (ii) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and (iii) and any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, or arising from, any of the foregoing (collectively, the “Trademarks”);
