RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

WHEREAS, pursuant to a certain Pledge and Security Agreement dated September 26, 2013 ("Security Agreement") by and among Verdesian Life Sciences, LLC; Plant Protectants, LLC; Verdesian Life Sciences U.S., LLC; Rode-Trol, LLC; Northwest Agricultural Products LLC; INTX Microbials LLC (collectively referred to herein as "Grantors", and each a "Grantor") and Bank of Montreal, in its capacity as Administrative Agent (as defined in the Security Agreement) for itself and the other Secured Parties (as defined in the Security Agreement) (Bank of Montreal and its successors and assigns in such capacity shall hereinafter be referred to herein as "Releasor"), Grantors granted to Releasor a continuing security interest in all of Grantors' Intellectual Property (as defined in the Security Agreement and which includes without limitation all Patents, Trademarks, Copyrights, and Licenses (as further defined in the Security Agreement)), wherever located and whether then or thereafter existing, owned or acquired, including without limitation the Intellectual Property identified in Schedule A (Patents), Schedule B (Trademarks), and Schedule C (Copyrights), all attached hereto and incorporated herein by reference;

WHEREAS, pursuant to the Security Agreement, and to facilitate filings with the United States Patent and Trademark Office and the United States Copyright Office with respect to some of the Intellectual Property in which a security interest was granted to Releasor, the Grantors respectively executed a certain (1) Grant of Security Interest – Patents, dated September 26, 2013, originally recorded in the Patent Assignment database of the United States Patent and Trademark Office on September 26, 2013 at Reel/Frame 031298/0864; (2) Grant of Security Interest – Trademarks, dated September 26, 2013, originally recorded in the Trademark Assignment database of the United States Patent and Trademark Office on September 26, 2013 at Reel/Frame 005118/0333; and (3) Grant of Security Interest – Copyrights, dated September 26, 2013, originally recorded in the United States Copyright Office on September 30, 2013 at Document Number V3618D291 (collectively referred to herein as "Grants of Security Interest"), wherein the Grantors granted to Releasor a continuing security interest in all of Grantors' right, title and interest in, to and under certain Collateral (as defined in each respective Grant of Security Interest); and

WHEREAS, Releasor has agreed to release and discharge Grantors from the terms and conditions set forth in the Security Agreement, as such terms and conditions relate to the Intellectual Property, and from the terms and conditions set forth in the Grants of Security Interest, and the parties wish to record with the United States Patent and Trademark Office, the United States Copyright Office, and any other office in which the Security Agreement and/or Grants of Security Interest were recorded, the release of the security interests against the Intellectual Property and Collateral provided in the Security Agreement and the Grants of Security Interest.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Releasor does hereby release and discharge (in each case without recourse and without representation or warranty of any kind or nature, express or implied) the security interest, liens, and all other rights, if any, it may have in the Intellectual Property and Collateral granted to it by Grantors pursuant to the Security Agreement and Grants of Security Interest. For avoidance of doubt, *in addition to* the Intellectual Property specified in Schedules A, B, and C attached hereto, Releasor is hereby releasing and discharging the security interest,

liens, and all other rights, if any, it may have in *all* Intellectual Property and Collateral granted to it by Grantors pursuant to the Security Agreement and Grants of Security Interest. This Release of Security Interest in Intellectual Property shall be recorded in the Trademark Assignment database and the Patent Assignment database of the United States Patent and Trademark Office, with the United States Copyright Office, and with any other office in which the Security Agreement and/or Grants of Security Interest were recorded.

[SIGNATURE APPEARS ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the undersigned has executed this Release of Security Interest in Intellectual Property on behalf of Releasor as of the date first written below.

BANK OF MONTREAL, as Administrative Agent
