NOTICE AND CONFIRMATION OF GRANT OF
SECURITY INTEREST IN TRADEMARKS

NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the "Agreement"), dated as of July 1, 2014 made by Unisource Worldwide, Inc., a Delaware corporation (the "Grantor"), in favor of BANK OF AMERICA, N.A., as administrative agent, (the "Agent") for itself and the several banks and other financial institutions (the "Lenders") which are parties to the ABL Credit Agreement, dated as of July 1, 2014 (as amended, waived, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Veritiv Corporation, xpedx, LLC, xpedx Intermediate, LLC, the Agent and the Lenders.

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the U.S. Borrowers have executed and delivered a U.S. Guarantee and Collateral Agreement, dated as of July 1, 2014, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor granted to the Agent for the benefit of the Secured Parties a security interest in all of its Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrowers pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

SECTION 2. Confirmation of Grant of Security Interest. The Grantor hereby confirms that, subject to existing licenses to use the Trademarks granted by the Grantor in the ordinary course of its business, pursuant to the Security Agreement it granted to the Agent, for the benefit of the Secured Parties, a security interest in all of the Trademarks of the Grantor (including, without limitation, those items listed on Schedule I hereto) and

to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantor, except that no security interest is or will be granted pursuant hereto in any right, title or interest of the Grantor under or in any Trademark Licenses with Persons other than Holding, a Subsidiary of Holding, the Parent Borrower, a Restricted Subsidiary or an Affiliate thereof for so long as, and to the extent that, the granting of such a security interest pursuant hereto would result in a breach, default or termination of such Trademark Licenses (in each case, except to the extent that, pursuant to the Code and any other applicable law, the granting of security interests therein can be made without resulting in a breach, default or termination of such Trademark License).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Security Agreement. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
