supplemented or otherwise modified, renewed or restated from time to time, the “Original Trademark Security Agreement”) and are executing this Fourth Amended and Restated Trademark Security Agreement (the “Amended and Restated Trademark Security Agreement”) to amend and restate the Original Trademark Security Agreement; and

WHEREAS, the Administrative Agent and the Pledgors by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgors do hereby grant to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders), as security for the Obligations, a continuing security interest in all of the Pledgors’ right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the “Trademark Collateral”), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in the possession of the Pledgors:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Pledgors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to deliver a fully executed Trademark Security Agreement Supplement to the Administrative Agent at the end of any quarter in which such Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of such Pledgor, such further instruments or documents (in form and substance satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, upon the request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Credit Agreement and this Amended and Restated Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) granted pursuant to the Credit Agreement, this Amended and Restated Trademark Security Agreement, and the other Fundamental Documents (as defined in the Credit Agreement) in the Trademark Collateral or any portion thereof.

Each Pledgor agrees that if any person, firm, corporation or other entity shall do or perform any act(s) that the Administrative Agent believes constitute an infringement of any

Trademark, or violate or infringe any right of a Pledgor, the Administrative Agent, the Issuing Bank or the Lenders, or if any person, firm, corporation or other entity shall do or perform any act(s) that the Administrative Agent reasonably believes constitute an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to such Pledgor (or if an Event of Default (as defined in the Credit Agreement) is at the time continuing, then without notice), the Administrative Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Administrative Agent may deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable, necessary or proper for the full protection of the rights of the parties. The Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of the applicable Pledgor or in the names of the parties jointly. The Administrative Agent hereby agrees to give the applicable Pledgor notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and such Pledgor agrees to assist the Administrative Agent with any steps taken, or any suits or proceedings instituted by, the Administrative Agent pursuant to this paragraph at Pledgor's sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) pursuant to the Credit Agreement. Each of the Pledgors and the Administrative Agent does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Amended and Restated Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments (as defined in the Credit Agreement) under the Credit Agreement have terminated, all Obligations have been indefeasibly fully paid and performed and all Letters of Credit (as defined in the Credit Agreement) have expired or been terminated or canceled, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders) shall execute and deliver to the Pledgors, at the Pledgors' expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) in the Trademark Collateral, subject to any disposition thereof that may have been made by the Administrative Agent pursuant to the terms hereof or of the Credit Agreement.

Subject to the terms and conditions of the Credit Agreement, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders) agrees that there will be no assignment of the Trademark Collateral, other than the security interest described herein, unless and until there shall occur and be continuing an Event of Default and the Administrative Agent gives written notice to the Pledgors of its intention to enforce its rights against any of the Trademark Collateral.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, each of the Pledgors may use, license and exploit the Trademark Collateral

in any lawful manner permitted under the Credit Agreement and the other Fundamental Documents.

**THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.**

This Amended and Restated Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Amended and Restated Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Amended and Restated Trademark Security Agreement. This Amended and Restated Trademark Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Amended and Restated Trademark Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Amended and Restated Trademark Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Amended and Restated Trademark Security Agreement, and the parties hereby waive any right they may have to object to said treatment.

All notices and other communications provided under this Amended and Restated Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 13.1 of the Credit Agreement.

Any provision of this Amended and Restated Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Amended and Restated Trademark Security Agreement, and no consent to any departure therefrom shall in any event be effective unless signed by the Administrative Agent (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and the Pledgors. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Amended and Restated Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Amended and Restated Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by the Pledgors (including their respective successors and permitted assigns) without the prior written consent of

the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

The parties hereto hereby acknowledge and agree that (a) this Amended and Restated Trademark Security Agreement constitutes an amendment and restatement of each of the Original Trademark Security Agreement that is being entered into in connection with an amendment and restatement of the Credit Agreement on or about the date hereof, (b) the amendment and restatement of the Credit Agreement does not constitute a novation or termination of the underlying obligations secured by the Original Trademark Security Agreement or this Amended and Restated Trademark Security Agreement, and (c) all security interests previously created and/or perfected by or under the Original Trademark Security Agreement are in all respects continuing, including with respect to the timing of filing with the USPTO and [the relevant Secretary of State], notwithstanding the amendment and restatement of the Credit Agreement and the execution of this Amended and Restated Trademark Security Agreement.

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement. In the event of a conflict between this Amended and Restated Trademark Security Agreement and the Credit Agreement, the provisions of the Credit Agreement will govern.

IN WITNESS WHEREOF, the Pledgors have caused this Amended and Restated Trademark Security Agreement to be duly executed as of \_\_\_\_\_, 2013.
