Speer Blvd, Suite 360, Denver, CO 80204 ("Assignee").

Assignor is the listed owner of the following U.S. trademarks and trademark applications at the United States Patent Trademark Office ("USPTO"):

U.S. Trademark Application: DCC DENVER COMIC CON, Application Serial No. 86/127,611, filed November 23, 2013;

U.S. Trademark Application: DENVER COMIC CON, Application Serial No. 86/129,457, filed November 26, 2013;

U.S. Trademark: COMIC BOOK CLASSROOM, Registration No. 4,523,694, filed November 16, 2013; and

U.S. Trademark: DENVER COMIC CON, Registration No. 4,527,316, filed November 23, 2013, (collectively, the "Trademarks").

Assignee desires to own Assignor's entire right, title and interest in the Trademarks.

NOW, THEREFORE, in consideration of the foregoing and for the other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

Assignor hereby irrevocably transfers and assigns to Assignee all of Assignor's worldwide right, title to and interest in the Trademarks, and their related registrations and applications for registration, together with any and all of the goodwill of the business symbolized by and associated with the Trademarks, and all income, royalties, fees, damages, and payments now or hereafter due or payable with respect thereto, and all rights of actions, powers and benefit to the Trademarks, due or accrued, and including the right to sue for and recover in the Assignee's own name and that of its successors and assigns and other legal representatives all remedies of every nature, including without limitation rights to injunctive relief, damages, profits, royalties, costs and attorney fees, arising out of any infringement of the Trademarks, or injury to the related goodwill, occurring prior to or after the date of this Assignment.

Assignor agrees that, upon request and without further compensation, Assignor and Assignor's legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of truthful testimony, that may be necessary or reasonably requested by Assignee for obtaining, sustaining, maintaining, renewing or enforcing the Trademarks, and for perfecting, recording, or maintaining the title of Assignee, and Assignee's successors and assigns, in and to the Trademarks. In the event that Assignee is unable after reasonable attempt to secure Assignor's signature to any document in connection with the foregoing, Assignor hereby appoints Assignee as the Assignor's true and lawful attorney in fact, with full power of substitution in the Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind hereunder with respect thereto. Assignor hereby declares that the foregoing power is limited to the terms of this Assignment, coupled with an interest and as such is irrevocable.

Although Assignor is the listed owner of the Trademarks at the USPTO, Assignee, through acceptance of this Assignment, makes no claim as to the validity of any such claim of ownership by Assignor.

Assignor hereby declares that Assignor owns no other trademarks, words, names, logos, symbols, designs, trade names, brand names, source indicating indicia, trade dress, and service marks whether registered or unregistered, at the USPTO or any other jurisdiction or governing body, nor claims any right to use any other mark, which Assignor is aware is currently or previously used by Assignee.
