RMB HOLDINGS LIMITED

a South African company

of 3rd Floor, 2 Merchant Place, Corner Fredman Drive & Rivonia Road, Sandton, 2196, Gauteng Province, Republic of South Africa

("the Licensee")

WHEREAS:-

- a) The Licensor is the owner of the trade marks ("the said trade marks"), more fully identified in the attached Schedule marked "A".
- b) The Licensor has historically granted to the Licensee the non-exclusive, royalty-free right to use the registered trade marks, from their date of filing, in respect of the services required by the Licensee to run its business conforming to certain requirements and standards.
- c) The Licensor and Licensee have prepared a license agreement for purposes of confirming the Licensee's right to use the trade marks and for recording the relationship in the register.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:-

-1-

The Licensor possesses the rights in the trademarks and nothing herein confers or shall confer upon the Licensee any proprietary right, title or interest in and to any of the trademarks or any trade name, brand name, sign, symbol, emblem, device, slogan, copyright matter, design or the like, which may from time to time include or be used in association with the trademarks by or at the direction of the Licensor upon or in relation to any of the services during the term of this Agreement or any time thereafter. The Licensee shall not at any time, directly or indirectly, challenge any of the rights of the Licensor to the trademarks or the validity and distinctiveness thereof.

-2-

Use of the trademarks by the Licensee shall be in strict accordance with the provisions of this Agreement and with the provisions of the Trade Marks Act and the Rules made thereunder and shall inure solely to the benefit of the Licensor along with the goodwill and any other resultant rights. The Licensee acknowledges that the trademarks are the exclusive property of the Licensor and that it will not assert any claim to ownership of the trademarks or to the reputation thereof and goodwill therein by virtue of its use of the trademarks or otherwise.

-3-

The Licensee may not assign, sub licence or otherwise transfer any or all of its rights or obligations under this Agreement without the Licensor's prior written authority.

-4-

The Licensee acknowledges that it uses its current name, corporate title, trading name, brand name, title or other designation that is similar to some of the trademarks with the prior consent of the Licensor. Further, after the signature of this Agreement, the Licensee shall not adopt or use any name, corporate title, trading name, brand name, title or other designation that is confusingly similar to any of the trademarks without the prior written consent of the Licensor.

-5-

The Licensor, whenever deemed necessary by it, shall make or procure the making of appropriate applications to the Registrar of Trade Marks to register the Licensee as the registered Licensee of the trade marks in its territory for the duration of this agreement on such terms as agreed between the parties. The Licensee shall provide all assistance that may be required and, upon such registration being completed, shall be a registered Licensee of the trade marks with all of the rights and subject to all the obligations provided by law (but subject to the provisions of this agreement) with respect to registered Licensees of trade marks.

-6-

The permitted use of the trade marks shall be in relation to services which are rendered in strict accordance with the standards, directions and information prescribed, laid down, given, supplied or approved by or on behalf of the Licensor from time to time.

During the continuance of this agreement, the Licensor shall have the right, by itself or through its duly authorised representatives, to enter upon the premises in which the services are rendered, to ensure that such services conform in all respects with the standards desired by the Licensor.

-8-

Pursuant to the foregoing, the Licensee shall advise the Licensor of any infringement of the trade marks of which it obtains knowledge, and the Licensor shall, in its sole discretion, decide whether or not to institute proceedings against the infringing party.

-10-

The Licensee undertakes and binds itself not only for the duration of this agreement, but at all times thereafter never in any way to put in issue or to challenge the validity of the trade marks or the Licensor's sole and exclusive right thereto, and shall not at any time by way of use of by seeking registration or otherwise endeavour to establish title to the trade marks.

-11-

This agreement shall remain in force without fixed limit of period subject to such rights as either party under common law may have to terminate it, and provided that:-

- (a) In the event that the Licensee is guilty of any breach of the terms of this agreement, or the conditions or restrictions subject to which it, as contemplated by this agreement, is registered as a "Registered Licensee" of the trade marks, such breach not being remedied by the Licensee within of month of notice, in writing, thereof given by the Licensor, then the Licensor may forthwith terminate this agreement;
- (b) In the event that the Licensee should go into liquidation, except for the purpose of re-organisation or re-construction, the Licensor may forthwith terminate this agreement;
- (c) Either of the parties hereto may, at any time, and without reason given, terminate this agreement on three months' written notice, to the other party.

-12-
