TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made and entered into on July 24, 2014 by and between Playtex Products, LLC a Delaware limited liability company having offices at 6 Research Drive, Shelton, Connecticut 06484 ("Assignor"), and Eveready Battery Company, Inc., a Delaware corporation having offices at 533 Maryville University Drive, St. Louis, Missouri 63141 ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to U.S. Trademark Registration No. 3,683,753 for the trademark SPORT LEVEL PROTECTION AND COMFORT, and common law trademark rights in and to said trademark, for use in connection with tampons, tampon applicators (the "Trademark"), together with the goodwill of the business connected with and symbolized by the Trademark;

WHEREAS, Assignor and Assignee are related entities; and

WHEREAS, Assignor desires to assign, and Assignee desires to accept, all of Assignor's right, title and interest in and to the Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby assigns, transfers and conveys to Assignee its entire right, title, interest in and to the Trademark together with the accompanying goodwill and that portion of the business represented and symbolized by the Trademark (including, without limitation, the right to apply to renew the associated registration, the right to apply for trademark registrations based in whole or in part upon the Trademark, and any priority right that may arise from the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registration(s) and/or application(s) for registration for the Trademark to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademark.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written. *ML*
