TRADEMARK

CONFIRMATORY TRADEMARK ASSIGNMENT

This CONFIRMATORY TRADEMARK ASSIGNMENT is dated as of this 22<sup>nd</sup> day of April, 2014 (the "Assignment"), by and between LRG Fastener Corporation (d/b/a Continental-Aero), a New Jersey corporation, having its principal place of business at 530 Bergen Street, Harrison, New Jersey 07029 (hereinafter "Assignor"), and Tramec Continental-Aero, L.L.C., a Delaware limited liability company, having its principal place of business at 30 Davis Street, Iola, Kansas 66749 (hereinafter "Assignee").

WHEREAS, Assignor owns the trademarks and the trademark registrations identified on the attached Schedule A;

WHEREAS, pursuant to the Asset Purchase Agreement dated as of June 1, 2012 by and among Assignor, Assignee and the other parties thereto (the "Purchase Agreement"), Assignor agreed to and did sell, assign, convey and transfer to Assignee all right, title and interest in each such trademark and trademark registration listed on Schedule A, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world (Collectively, the "Marks"), and

WHEREAS, Assignor and Assignee desire to provide this Confirmatory Trademark Assignment in implementation of and confirmation of the rights in and ownership of the Marks so acquired by the Assignee pursuant to the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein and in the Purchase Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, each party hereto agrees as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns the entire worldwide right, title and interest in and to the Marks, the ongoing and existing business of Assignor to which the Marks pertain, the goodwill of the business symbolized by the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights and copyright rights in the Marks worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereinafter due and/or payable, and rights of action both statutory and based upon common law, that Assignor has or might have by reason of any past, present or further infringement of other violation of the Marks prior to, on or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors assigns or other legal representatives.

3. Further Assurances. Assignor agrees that at any time and from time to time after the date hereof, at the reasonable request of Assignee and without further consideration, Assignor shall execute and deliver such other instruments and take such action as Assignee may reasonably request to transfer, convey and assign to Assignee, and to confirm Assignee's right, title and interest in and to the Marks and to assist Assignee in exercising all rights with respect thereto.

4. No Conflicts. Assignor hereby covenants and agrees that it has the full right to convey its entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

5. Miscellaneous. This Assignment may only be amended by written agreement of the parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith. The governing law of this Assignment shall be that of the State of Illinois without regard to its conflicts of law principles.

[signature page follows]

IN WITNESS WHEREOF, the Assignor and Assignee, by their authorized officers having authority to execute this Trademark Assignment, have duly executed this Trademark Assignment as of the dates written below.
