C. To satisfy the condition described in the preceding paragraph, the Grantor has agreed to grant in favor of the Administrative Agent for the benefit of the Issuing Bank and the ratable benefit of the Lenders a valid perfected security interest in all of its right, title and interest in, to and under the Collateral, including the property listed on attached Schedules A and B, together with any renewals or extensions thereof, and all Proceeds thereof, to secure the payment of the Obligations.

D. The Grantor owns all of the Trademarks and Patents listed on Schedules A and B hereto.

E. 4. Covenants. Grantor covenants and agrees with the Administrative Agent that until the Obligations are fully paid and performed:

(a) Further Documentation. Grantor hereby authorizes the Administrative Agent to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law.

(b) Limitation on Lien on Collateral. Grantor will not create, incur or permit to exist, will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any Lien on or claim to the Collateral, other than the Liens created hereby, and other than as permitted pursuant to the Credit Agreement, and will take all commercially reasonable actions to defend the right, title and interest of the Administrative Agent in and to any of the Collateral against the claims and demands of all persons whomsoever.

(c) Limitations on Dispositions of Collateral. Grantor will not sell, transfer or otherwise dispose of any of the Collateral, or attempt, offer or contract to do so except as permitted in the Credit Agreement.

(d) Notices. Grantor will advise the Administrative Agent promptly, in reasonable detail, at its address set forth in the Credit Agreement, (i) of any Lien (other than Liens created hereby or permitted under the Credit Agreement) on, or claim asserted against, any of the Collateral and (ii) of the occurrence of any other event that could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the Liens created hereunder.

(e) Patents and Trademarks.

(1) Grantor (either itself or through licensees) will, except with respect to any Trademark that the Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines not to do so, (A) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) use reasonable efforts to employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark that is confusingly similar or a colorable imitation of such Trademark unless within thirty (30) days after such use or adoption, the Administrative Agent, for its benefit, shall obtain a perfected security interest in such mark pursuant to this Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(2) Grantor will not, except with respect to any Patent that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determine so to do, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated.

(3) Grantor will promptly notify the Administrative Agent if it knows, or has reason to know, that any application relating to any Patent or any Trademark may become abandoned or dedicated, or of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding the Grantor's ownership of any Patent or Trademark or its right to register the same or to keep and maintain the same.

(4) Whenever the Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, the Grantor shall report such filing to the Administrative Agent within five (5) business days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Administrative Agent, the Grantor shall execute and

deliver any and all reasonably necessary agreements, instruments, documents, and papers as the Administrative Agent may request to evidence the Administrative Agent's security interest in any newly filed Patent or Trademark and the goodwill and general intangibles of the Grantor relating thereto or represented thereby, and each Grantor hereby constitutes the Administrative Agent its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(5) Grantor, except with respect to any Patent or Trademark the Grantor shall reasonably determine is of immaterial economic value to it or it otherwise reasonably determines not to so do, will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each Patent and each registration of Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability when appropriate.

(6) In the event Grantor knows or has reason to know that any Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party, the Grantor shall promptly notify the Administrative Agent after it learns thereof and shall, unless the Grantor shall reasonably determine that such Patent or Trademark is of immaterial economic value to the Grantor, which determination the Grantor shall promptly report to the Administrative Agent, promptly sue for infringement, misappropriation or dilution, or take such other actions as the Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark.

5. The Administrative Agent's Appointment as Attorney-in-Fact.

(a) Powers. Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Grantor and in the name of the Grantor or in its own name, from time to time after the occurrence, and during the continuation of, an Event of Default in the Administrative Agent's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, the Grantor hereby gives the Administrative Agent the power and right, on behalf of the Grantor without notice to or assent by the Grantor, to do the following:

(1) at any time when any Event of Default shall have occurred and is continuing, in the name of the Grantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or

other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(2) to pay or discharge taxes and liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(3) (a) to direct any party liable for any payment under any of the Collateral to make payment of any and all monies due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct, (b) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral, (c) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral, (d) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral, (e) to defend any suit, action or proceeding brought against the Grantor with respect to any Collateral, (f) to settle, compromise or adjust any suit, action or proceeding described in the preceding clause and, in connection therewith, to give such discharges or releases as the Administrative Agent may deem appropriate, (g) to assign any Trademark (along with goodwill of the business to which such Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine, and (h) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and to do, at the Administrative Agent's option and the Grantor's expense, at any time, or from time to time, all acts and things that the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Liens of the Administrative Agent thereon and to effect the intent of this Agreement, all as fully and effectively as the Grantor might do.

Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) Other Powers. Grantor also authorizes the Administrative Agent, at any time and from time to time, to execute, in connection with the sale provided for in

Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) No Duty on the Part of the Administrative Agent. The powers conferred on the Administrative Agent hereunder are solely to protect the interests of the Administrative Agent in the Collateral and shall not impose any duty upon the Administrative Agent to exercise any such powers. The Administrative Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to the Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or failure to comply with mandatory provisions of applicable law.

6. Performance by the Administrative Agent of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and the Administrative Agent, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of the Administrative Agent incurred in connection with such performance or compliance, together with interest thereon at the highest default rate provided in the Note, shall be payable by the Grantor to the Administrative Agent on demand and shall constitute Obligations secured hereby.

7. Proceeds. It is agreed that if an Event of Default shall occur and be continuing (a) all Proceeds received by Grantor consisting of cash, checks and other cash equivalents shall be held by the Grantor in trust for the Administrative Agent, segregated from other funds of the Grantor, and shall, forthwith upon receipt by the Grantor, be turned over to the Administrative Agent in the exact form received by Grantor (duly endorsed by Grantor to the Administrative Agent, if required), and (b) any and all such Proceeds received by the Administrative Agent (whether from Grantor or otherwise) shall promptly be applied by the Administrative Agent against, the Obligations (whether matured or unmatured), such application to be in such order as the Administrative Agent shall elect. Any balance of such Proceeds remaining after the Obligations shall have been paid in full shall be paid over to Grantor or to whomsoever may be lawfully entitled to receive the same.

8. Remedies.

(a) If an Event of Default shall occur and be continuing, the Administrative Agent, may exercise, in addition to all other rights and remedies granted to it in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, the Administrative Agent without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon Grantor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any

part thereof (or, contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any office of the Administrative Agent or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or on future delivery without assumption of any credit risk. The Administrative Agent shall have the right upon any such public sale or sales, and, to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Grantor, which right or equity is hereby waived or released. Grantor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places that the Administrative Agent shall reasonably select, whether at the Grantor's premises or elsewhere. The Administrative Agent shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Administrative Agent hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Administrative Agent may elect, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without limitation, Section 9-608(a)(1) of the UCC, need the Administrative Agent account for the surplus, if any, to the Grantor. To the extent permitted by applicable law, Grantor waives all claims, damages and demands it may acquire against the Administrative Agent arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition. Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent to collect such deficiency.

(b) The Administrative Agent shall not be required to marshal any present or future collateral security (including but not limited to this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may, Grantor hereby agrees that it will not invoke any law relating to the marshalling of collateral or any similar law that might cause delay in or impede the enforcement of the Administrative Agent's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, Grantor hereby irrevocably waives the benefits of all such laws.

9. Limitation on Duties Regarding Preservation of Collateral. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent would deal with similar property for its own

account. Neither the Administrative Agent nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Grantor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein Contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Paragraph Headings. The paragraph headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver; Cumulative Remedies. The Administrative Agent shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Administrative Agent, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Administrative Agent of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy that the Administrative Agent would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

14. Waivers and Amendments; Successors and Assigns. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Grantor and the Administrative Agent, provided that any provision of this Agreement may be waived by the Administrative Agent in a written letter or agreement executed by the Administrative Agent or by telex or facsimile transmission from the Administrative Agent. This Agreement shall be binding upon the successors and assigns of the Grantor and shall inure to the benefit of the Administrative Agent and its successors and assigns.

15. Notices. Any and all notices or other communications permitted or required to be made under this Agreement shall be given to the Grantor and the Administrative Agent at the addresses and in the manner specified in the Credit Agreement.
