TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made and entered into on July 24, 2014 by and between Playtex Products, LLC a Delaware limited liability company having offices at 6 Research Drive, Shelton, Connecticut 06484 ("Assignor"), and Eveready Battery Company, Inc., a Delaware corporation having offices at 533 Maryville University Drive St. Louis, Missouri 63141 ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to U.S. Trademark Registration No. 3,772,256 for the trademark DIAPER GENIE II ELITE and U.S. Trademark Registration No. 3,796,239 for the trademark DIAPER GENIE II ELITE & Design, and common law trademark rights in and to said trademarks, for use in connection with diaper pail liners in the form of a plastic film within a cassette which functions as a bag when inserted into a diaper disposal pail; and containers for receiving and disposing of disposable sanitary products, namely, diapers, adult incontinence undergarments, and feminine hygiene products (the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks;

WHEREAS, Assignor and Assignee are related entities; and

WHEREAS, Assignor desires to assign, and Assignee desires to accept, all of Assignor's right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby assigns, transfers and conveys to Assignee its entire right, title, interest in and to the Trademarks together with the accompanying goodwill and that portion of the business represented and symbolized by the Trademarks (including, without limitation, the right to apply to renew the associated registrations, the right to apply for trademark registrations based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registration(s) and/or application(s) for registration for the Trademarks to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written. ML
