## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (the "Agreement") made as of this 29th day of July, 2014 by Auto Meter Products, Inc., an Illinois corporation (the "Borrower"), AMEI Holdings, Inc., a Delaware corporation ("Holdings"), Cobb Tuning Products, LLC, a Utah limited liability company ("Cobb") and together with the Borrower and Holdings, the "Grantors" and each a "Grantor"), in favor of Bank of Montreal, a Canadian chartered bank by and through its Chicago branch, in its capacity as agent (the "Agent") for the Lenders (as defined herein).

### W I T N E S S E T H

WHEREAS, Grantors, together with each Person joined thereto as a guarantor from time to time, have entered into that certain Credit Agreement dated as of the date hereof (as the same has been and may hereafter be amended, modified, restated or replaced from time to time, the "Credit Agreement") with Agent and the various lenders from time to time party thereto (the "Lenders" and each a "Lender"), providing for the extensions of credit to be made to Borrower by Lenders; and

WHEREAS, as security for the Obligations, Hedging Liability and Funds Transfer and Deposit Account Liability under the Credit Agreement (the "Secured Obligations"), pursuant to a Security Agreement dated as of the date hereof (the "Security Agreement") each Grantor has granted to Agent, for its benefit and the benefit of the Lenders, a security interest in substantially all of the assets of such Grantor including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired trademarks, copyrights and patents, together with the goodwill of the business symbolized by such Grantor's trademarks, copyrights and patents and all products and proceeds thereof.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated in their entirety by this reference. All terms capitalized but not otherwise defined herein shall have the same meanings ascribed to them in the Credit Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Secured Obligations, each Grantor hereby grants to Agent, for the benefit of itself and the Lenders, and hereby reaffirms its grant under the Security Agreement of a continuing security interest in such Grantor's entire right, title and interest in and to the following whether now owned or existing or hereafter created, acquired or arising:

(i) each trademark, trademark application, copyright, copyright application, patent and patent application listed on Schedule 1 annexed hereto (such trademarks and trademark applications, the "Trademarks", such copyrights and copyright applications, the "Copyrights" and such patents and patent applications, the "Patents"), together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by such Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, Copyright or Patent, or (b) injury to the goodwill associated with any Trademark.

3. Covenants. Except as otherwise permitted under the Credit Agreement or the other Loan Documents, no Grantor shall sell, license, grant any option, assign or further encumber its rights and interest in the Trademarks, Copyrights or Patents without prior written consent of Agent.

4. Representations and Warranties. Each Grantor hereby represents and warrants that the Trademarks, Patents and Copyrights listed on Schedule 1 attached hereto constitute all trademarks and trademark applications registered with the United States Patent and Trademark Office (other than any "intent to use" trademark applications for which a statement of use has not been filed (but only until such statement is filed)), copyrights and copyright applications registered with the United States Copyright Office, and patents and patent applications registered with the United States Patent and Trademark Office, owned or registered to such Grantor under the laws of the United States of America as of the date of this Agreement.

5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery by facsimile or electronic transmission shall bind the parties hereto.

6. Governing Law. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of Illinois, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[Signatures to appear on following page]

IN WITNESS WHEREOF, each Grantor has duly executed this Agreement as of the date first written above.

## POWER OF ATTORNEY

**Dated: July 29, 2014**

The undersigned (the "Grantors"), hereby authorize BANK OF MONTREAL, a Canadian chartered bank acting by and through its Chicago office, its successors and assigns, and any officer or agent thereof (collectively, "Agent"), as agent for Lenders (as defined below) under that certain Credit Agreement among Grantors, each other person joined thereto as a guarantor from time to time, Agent, and the various lenders from time to time party thereto (the "Lenders" and each a "Lender"), dated as of the date hereof (as the same has been and may hereafter be amended, modified, restated or replaced from time to time, the "Credit Agreement"), following the occurrence and during the continuance of an Event of Default (as defined in the Credit Agreement) as the true and lawful attorney-in-fact of the Grantors, with the power to endorse the name of any Grantor on all applications, assignments, documents, papers and instruments necessary for Agent to enforce and effectuate its rights under that certain Intellectual Property Security Agreement among the Grantors and Agent dated as of the date hereof (as it may hereafter be supplemented, restated, superseded, amended or replaced, the "Intellectual Property Security Agreement"), including, without limitation, to execute on behalf of the Grantors a supplement to the Intellectual Property Security Agreement, to use the Trademarks, Copyrights and Patents or to grant or issue any exclusive or non-exclusive license under the Trademarks, Copyrights or Patents to anyone else, or to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Copyrights or Patents to anyone else, in each case subject to the terms of the Intellectual Property Security Agreement. Nothing herein contained shall obligate Agent to use or exercise any rights granted herein.

This Power of Attorney is given and any action taken pursuant hereto is intended to be so given or taken pursuant to and subject to the provisions of the Credit Agreement and the other Loan Documents.

Grantors hereby unconditionally ratify all that such attorney shall lawfully do or cause to be done following the occurrence and during the continuance of an Event of Default by virtue hereof and in accordance with the terms of the Intellectual Property Security Agreement, the Credit Agreement and the Loan Documents.

This Power of Attorney shall be irrevocable for the term of the Intellectual Property Security Agreement.

IN WITNESS WHEREOF, Grantors have executed this Power of Attorney as of the date stated above.
