## ASSIGNMENT

THIS TRADEMARK AND INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment") is entered into as of July 30, 2014 (the "Effective Date") by and between OptumInsight, Inc., a Delaware corporation ("Assignor"), and Aperture Credentialing, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of the trademarks listed on Exhibit "A" hereto (the "Marks") and such Marks having achieved registration (the "Registrations") as more fully described on Exhibit "A" hereto;

WHEREAS, Assignee desires to acquire Assignor's entire right, title, and interest in and to the Marks and the Registrations and to any related common law rights and domain names;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers, and conveys to Assignee Assignor's entire right, title, and interest in and to the Marks and the Registrations, together with the goodwill of the business symbolized by the Marks, together with any common law rights and any related domain names, and together with all of Assignor's right to sue and recover for past, present and future infringements of the Marks, the same to have and to hold by Assignee as fully and entirely as the same would have been held by Assignor had this assignment not been made (all of the above being referred to collectively as the "Assigned Rights").

Assignor agrees that it shall deliver any further instruments or documents, and take all such further reasonable action, as Assignee may request, including procuring assurance and cooperation from Assignor's officers, employees, estate and/or heirs, as the case may be, and providing all necessary authentication information related to any related domain names, including user names and passwords, in order to transfer to and vest in Assignee all right, title, and interest in and to the Marks and the Registrations. Assignor hereby irrevocably appoints Assignee as its power-of-attorney, effective as of the date hereof, with full right of substitution for the purpose of executing such documents and taking such other actions, as may be necessary to effectuate this Agreement in whole or in part. This power of attorney shall be for the benefit of Assignee, its licensees, affiliates, successors, and assigns, and is coupled with an interest.

[Signature on Following Page]

IN WITNESS WHEREOF, Assignor has duly executed this Assignment as of the date first above written.
