TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT is dated as of this 10th day of December, 2012 (the "Assignment"), by and between Senior Industries, Inc., a Delaware corporation (hereinafter "Assignor"), and MacLean Senior Industries, L.L.C., a Delaware limited liability company (hereinafter "Assignee").

WHEREAS, Assignor owns the trademarks and trademark registrations identified on the attached Schedule A (hereinafter the "Marks");

WHEREAS, pursuant to the Contribution and Asset Purchase Agreement dated as of December 10, 2012 by and among Assignor, Assignee and the other parties thereto, Assignor agrees to assign, transfer and convey all of its right, title and interest in and to the Marks; and

WHEREAS, Assignee is desirous of acquiring the Marks and all of Assignor's rights therein, including the goodwill of the business associated therewith, as well as all common-law rights and all federal trademark and service mark registrations and applications identified on Schedule A attached hereto and made a part hereof.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor hereby conveys, transfers and assigns to Assignee all of Assignor's rights, title and interest in and to the Marks, all associated common-law rights, all federal registrations and applications identified on Schedule A, together with the goodwill of the business symbolized thereby.

Assignor further assigns to Assignee all rights to sue for and receive all damages occurring from past infringing uses of the Marks.

Assignor agrees that at any time and from time to time after the date hereof, at the reasonable request of Assignee and without further consideration, Assignor shall execute and deliver such other instruments and take such action as Assignee may reasonably request to transfer, convey and assign to Assignee, and to confirm Assignee's right, title and interest in and to the Marks and to assist Assignee in exercising all rights with respect thereto.

Nothing in this Assignment, express or implied, is intended or shall be construed to confer upon, or give to, any Person, other than the parties to this Assignment, any rights, obligations, claims, liabilities or remedies.

This Assignment shall bind and inure to Assignee and Assignor and their respective successors and assigns.

This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same.

[signature page follows]

IN WITNESS WHEREOF, the Assignor has duly executed this Trademark Assignment as of the date first written above.

SENIOR INDUSTRIES, INC.

By: _____
