RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST ("Release") is made and effective as of July 25, 2014 and granted by Comerica Bank ("Bank"), in favor of Visualase, Inc. ("Grantor").

WHEREAS, Grantor entered into a Loan and Security Agreement dated as of September 11, 2013 ("Loan Agreement") with Bank, and in connection with the Loan Agreement, Grantor executed and delivered to Bank the Intellectual Property Security Agreement, dated as of September 11, 2013 ("IP Security Agreement" and, together with the Loan Agreement, the "Security Agreements") under which Grantor pledged and granted to Bank a security interest in and to certain collateral;

WHEREAS, the IP Security Agreement was recorded at the United States Patent and Trademark Office;

WHEREAS Grantor has no outstanding obligations to Bank under the terms of the Security Agreements, and

WHEREAS, Grantor has requested that Bank enter into this Release in order to accomplish and evidence the release and reassignment of any and all right, title and interest Bank may have in the IP Collateral (as defined below) pursuant to the Security Agreements.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Bank hereby states as follows:

- Definition. The term "IP Collateral", as used herein, shall mean all of Banks's right, title and interest of every kind and nature as of the date hereof granted pursuant to the Security Agreements, including, without limitation, in the Collateral, Intellectual Property Collateral, Copyrights, Trademarks and Patents, as such terms are defined in the Security Agreements, the patents and patent applications listed in Schedule 1 hereto, and the trademark registrations and applications set forth in Schedule 2 (collectively, the "IP Collateral").
- Release of Security Interest. Bank assigns, terminates, releases and discharges its security interest in and to the IP Collateral, and all other right, title, and interest in and to the IP Collateral and reassigns to Grantor any and all such right, title and interest that it may have in the IP Collateral without warranty or recourse.
- Further Assurances. Bank agrees to execute, acknowledge, procure and deliver to Grantor any and all further documents or instruments and do any and all further acts which Grantor (or its respective agent, designee or assignee) reasonably requests in order to confirm, effectuate or record this Release and Grantor's (or its) right, title and interest in and to the IP Collateral.

IN WITNESS WHEREOF, Bank has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
