Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent pursuant to or in connection with this Agreement, the terms of any Collateral Document, and the exercise of any right or remedy by the Administrative Agent hereunder and thereunder are subject to the provisions of the Intercreditor Agreement dated as of August 19, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among General Electric Capital Corporation, as the First Lien Agent, and U.S. Bank National Association, as the Second Lien Agent. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement or any Collateral Document, the terms of the Intercreditor Agreement shall control.

SECOND LIEN TRADEMARK SECURITY AGREEMENT

THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT, dated as of August 19, 2014, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of U.S. Bank National Association (“U.S. Bank”), as administrative agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the Purchasers (as defined in the Note Purchase Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Note Purchase Agreement of even date herewith (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Note Purchase Agreement”), among OPE DTI Merger Sub Inc., a Delaware corporation (prior to the Closing Date Acquisition referred to as the “Issuer”; upon and after giving effect to the Closing Date Acquisition, DTI Holdco, Inc., a Delaware corporation, as the “Issuer”), OPE DTI Intermediate Sub Inc. a Delaware corporation, the other Credit Parties, the Purchaser from time to time party thereto, U.S. Bank as the Administrative Agent for the Purchasers, the Purchasers have severally agreed to purchase Notes and the Issuer has agreed to Issue Notes upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor (other than the Issuer) has agreed, pursuant to the Second Lien Guaranty and Security Agreement of even date herewith in favor of the Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Guaranty and Security Agreement”), to guarantee the Obligations (as defined in the Note Purchase Agreement) of the Issuer; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Purchasers and the Administrative Agent to enter into the Note Purchase Agreement and to induce the Purchasers to purchase Notes from the Issuer thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages and pledges to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
