## ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is made as of March 25, 2009 by Geerlings & Wade, Inc., a Massachusetts corporation ("Assignor") to The Winetasting Network, a California corporation ("Assignee").

### RECITAL

WHEREAS, Assignee and Assignor are parties to an Asset Purchase Agreement dated as of March 25, 2009 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee, and Assignee has agreed to buy from Assignor, the Legacy Business Assets, including, without implied limitation, the copyrights, servicemarks, trademarks, tradenames, domain names and web addresses of Assignor listed on Schedule A annexed hereto, together with the associated goodwill of Assignor's Legacy Business. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee, all of such Legacy Business Assets. Capitalized terms used but not defined herein shall have the meanings for such terms that are set forth in the Agreement.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in and to each of Assignor's registered and unregistered copyrights, servicemarks, trademarks, trademark applications, trade names, domain names and web addresses listed on Schedule A annexed hereto, together with the goodwill of Assignor's Legacy Business associated therewith (all of the foregoing being referred to herein as the "IP Rights").

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and in the Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the IP Rights, together with the associated goodwill of Assignor's Legacy Business symbolized by the IP Rights, and all rights to sue for infringement of any IP Right, the same to be held and enjoyed by said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment not been made. Assignor agrees to take all commercially reasonable actions requested by Assignee or reasonably necessary to effectuate the assignment and transfer of the IP Rights, including domain names and web addresses, to Assignee.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same in-

strument, binding upon the parties hereto. A facsimile or pdf signature page shall be deemed an original, unless an original is required by applicable law. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and representatives. Except to the extent that federal law preempts state law with respect to matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of New York without regard to the principles of conflicts of law thereunder

IN WITNESS WHEREOF, Geerlings & Wade, Inc., a Massachusetts corporation, has executed this Assignment of Intellectual Property as of this 25th day of March, 2009.
