DECLARATION IN SUPPORT OF CORRECTIVE ASSIGNMENT

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

Sir:

I, Patrick A. Quinlan, declare and state that:

1. I am an attorney admitted to practice in the States of New York and Massachusetts and before the U.S. Patent and Trademark Office.
2. I represent the owner of the above-captioned mark.
3. In preparing to file an assignment of the above-captioned mark from the original registrant Webster Engineering & Manufacturing Co., LLC to new owner Webster Combustion Technology LLC, I noticed that on June 24, 2014, Daniel E. Kattman recorded trademark assignment that incorrectly listed the above-captioned mark. The assignment was recorded at reel 5308, frame 0809.
4. The assignment recorded by Mr. Kattman lists the above-captioned mark (along with many other marks) but the assignment involves parties different from the true owner of the mark.
5. I contacted Mr. Kattman on July 28, 2014 to request that he correct the error. Mr. Kattman confirmed that the above-captioned mark was erroneously included in the assignment and stated that he would correct the error.
6. Since July 28, 2014, I have attempted to contact Mr. Kattman several times, but with no success.

7. Because Mr. Kattman has not corrected the error and has not kept in contact, I am hereby filing a Corrective Assignment to correct the chain of ownership according to TMEP section 503.06(c). The Corrective Assignment lists the original registrant Webster Engineering & Manufacturing Co., LLC as the owner of the mark. Upon correction of ownership, I will then record the assignment to new owner Webster Combustion Technology LLC to show the entire true chain of ownership.
8. All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
