TRADEMARK SECURITY AGREEMENT dated as of August 29, 2014 (this "**Agreement**"), among AON ESOLUTIONS, INC., a California corporation ("**Aon**"), each other entity from time to time party hereto (together with Aon, each a "**Grantor**", and collectively, the "**Grantors**"), and Obsidian Agency Services, Inc., as collateral agent (in such capacity, the "**Collateral Agent**").

Reference is made to (a) the Guarantee and Collateral Agreement dated as of August 29, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"), among UK Apple Holdco Limited, a limited liability company incorporated under the laws of England and Wales ("**Holdings**"), US Apple Holdco, LLC, a Delaware limited liability company (the "**Borrower**"), the Grantors, each other entity from time to time party thereto and the Collateral Agent and (b) the Credit Agreement dated as of August 15, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among the Borrower, Holdings, the lenders from time to time party thereto (the "**Lenders**") and Obsidian Agency Services, Inc., as administrative agent and collateral agent.

The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit.

Accordingly, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. **Grant of Security Interest.** As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all of such Grantor's right, title or interest in or to any and all of the following assets and properties (collectively, the "**Trademark Collateral**"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, and other source or business identifiers, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or

any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the “*Trademarks*”); and

(b) all goodwill associated with or symbolized by the Trademarks.

Notwithstanding the foregoing, no security interest is granted in any intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable law; provided that, at such time a verified statement of actual use of any such Trademark is filed with the United States Patent and Trademark Office, such Trademark shall immediately be included in the Trademark Collateral, and any security interest that would otherwise be granted herein shall attach immediately to such Trademark.

SECTION 3. *Security Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Governing Law.* This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

[Remainder of this page intentionally left blank]
