WHEREAS, Millennium Entertainment, LLC, a Delaware limited liability company (the "Borrower"), and the guarantors referred to in the Credit Agreement (as hereinafter defined) (the "Guarantors"; and together with the Borrower, collectively, the "Grantors", and individually, each a "Grantor") now own or hold and/or may hereafter adopt, acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Revolving Credit and Term Loan Agreement, dated as of September 4, 2014 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the "Credit Agreement"), among the Borrower, the lenders referred to therein (the "Lenders"), and SunTrust Bank, as administrative agent (in such capacity, the "Administrative Agent"), the Lenders have agreed to make Loans and extend other financial accommodations to the Borrower;

WHEREAS, pursuant to the terms of that certain Guaranty and Security Agreement dated as of September 4, 2014 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the "Guaranty and Security Agreement"; capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Guaranty and Security Agreement or the Credit Agreement, as the case may be) made by the Grantors in favor of the Administrative Agent, each Grantor has granted to the Administrative Agent (for the benefit of the Secured Parties) a security interest in all of such Grantor's personal and real property, tangible and intangible, whether now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest, wherever located or situated, and whether now existing or hereafter coming into existence, including, without limitation, all right, title and interest of such Grantor in, to and under all Trademark and Trademark Licenses (including, without limitation, those Trademark Licenses listed on Schedule B hereto), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Grantors, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of

infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations and all other obligations respectively owed to any Secured Party by any Grantor or any other Person under any of the Loan Documents; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor does hereby grant to the Administrative Agent (for the benefit of the Secured Parties), as security for the payment and performance of the Obligations and all other obligations respectively owed to any Secured Party by any Grantor or any other Person under any of the Loan Documents, a security interest in all of such Grantor's right, title and interest in and to all of the following items (i) through (iii) or types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, currently existing or hereafter arising, adopted or acquired and whether or not in possession of the Grantors:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark License, including, without limitation, each Trademark License referred to in Schedule B annexed hereto, to the extent such Trademark License does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Grantors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark License, or for injury to the goodwill associated with any Trademark.

Within sixty (60) days after any of the Grantors registers, adopts or otherwise acquires any interest in any Trademark not listed on Schedule A hereto or in any Trademark License (pursuant to which any Grantor is licensed an interest in any Trademark) not listed on Schedule B hereto, the Grantors agree to deliver updated copies of Schedule A and Schedule B to the Administrative Agent, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Grantors, such further instruments or documents (in form and substance reasonably satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Guaranty and Security Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent (for the benefit of the Secured Parties) granted pursuant to the Guaranty and Security Agreement, this Trademark Security Agreement, and the other Loan Documents in the Trademark Collateral or any portion thereof.

Each of the Grantors agrees that if any Person shall do or perform any act(s) which the Administrative Agent reasonably believes constitute(s) an infringement of any

Trademark, or violate or infringe any right of any Grantor, the Administrative Agent or any other Secured Party in any of the foregoing, or if any Person shall do or perform any act(s) which the Administrative Agent reasonably believes constitute(s) an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to the Grantors (or if an Event of Default is at the time continuing, then without notice), the Administrative Agent (on behalf of the Secured Parties) may and shall have the right to take such steps and institute such suits or proceedings as the Administrative Agent may reasonably deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be reasonably advisable or necessary or proper for the full protection of the rights of the parties. The Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of any of the Grantors or in the names of the parties jointly. The Administrative Agent hereby agrees to give the Grantors notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and the Grantors agree to assist the Administrative Agent with any steps taken, or any suits or proceedings instituted by the Administrative Agent pursuant to this paragraph at the Grantors' sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Guaranty and Security Agreement. Each Grantor and the Administrative Agent hereby further acknowledges and affirms that the rights and remedies of the Administrative Agent (for the benefit of the Secured Parties) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Guaranty and Security Agreement, and are subject to the limitations (including certain rights of quiet enjoyment in favor of third party licensees) set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments under the Credit Agreement have terminated and all the Obligations (other than contingent indemnification obligations) have been paid and performed in full, the Administrative Agent (on behalf of the Secured Parties) shall execute and deliver to the applicable Grantors, at the Grantors' request and sole expense without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Administrative Agent (for the benefit of the Secured Parties) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Guaranty and Security Agreement.

So long as no Event of Default (nor a Default under Section 8.1(i) of the Credit Agreement) shall have occurred and be continuing, and subject always to the various provisions of this Trademark Security Agreement, the Guaranty and Security Agreement, the Credit Agreement and the other Loan Documents executed by the Grantors, the Grantors may use, license and exploit the Trademark Collateral in any lawful manner permitted hereunder, under the Guaranty and Security Agreement and the other Loan Documents.

**THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIMS,
CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR**

TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW (WITHOUT GIVING EFFECT TO THE CONFLICT OF LAW PRINCIPLES THEREOF EXCEPT FOR SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) OF THE STATE OF NEW YORK AND THE APPLICABLE FEDERAL LAWS OF THE UNITED STATES.

This Trademark Security Agreement and any modifications or amendments hereto may be executed by one or more of the parties to this Trademark Security Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed counterpart to this Trademark Security Agreement by facsimile transmission or by electronic mail in pdf format shall be as effective as delivery of a manually executed counterpart hereof, and the parties waive any right they may have to object to said treatment.

All notices and other communications provided under this Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 10.1 of the Guaranty and Security Agreement.

Any provision of this Trademark Security Agreement which is held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom, shall in any event be effective unless signed by the Administrative Agent (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and the Grantors. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Guaranty and Security Agreement and the Credit Agreement, as applicable), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by the Grantors (including their respective successors and permitted assigns) without the prior written consent of the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

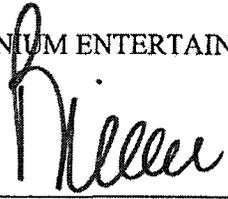

If any conflict or inconsistency exists between this Trademark Security Agreement and the Guaranty and Security Agreement, the Guaranty and Security Agreement shall govern.
