The Assignor hereby authorizes and requests that all national governments and authorities that have issued the Marks to issue, record and memorialize this Assignment with regard to all of the Marks. Assignor agrees, upon reasonable request, without further payment or compensation by Assignee or its successors or assigns: to provide all further reasonable cooperation, including taking such further action and executing such additional documents, which Assignee, its successors and assigns reasonably determines is necessary to record and fully effect the transfer of trademark rights made herein.
