CONFIRMATORY ASSIGNMENT

Whereas, The Cleveland Clinic Foundation, an Ohio non-profit corporation, 9500 Euclid Avenue, Cleveland, Ohio 44195 ("Assignor"), is the owner of record of the trademark CARDIOMPO ("Trademark") and the United States trademark registration therefor, Reg. No. 3.396.778 ("Registration");

Whereas, Assignor, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, did, as of November 3, 2009, sell, assign and transfer to Cleveland HeartLab, LLC, a Delaware limited liability company, 6701 Carnegie Avenue, Suite 500, Cleveland, Ohio 44103, which subsequently converted to a Delaware corporation and changed its name to Cleveland HeartLab, Inc. on September 2, 2011 ("Assignee"), the entire right, title and interest in and to the Trademark together with the goodwill of the business in connection with which the Trademark is used and the Registration; and,

Whereas, both Assignor and Assignee recognize that in order to effect the formal transfer of, and to vest title in the Trademark and the Registration, it is necessary to file in the U.S. Patent and Trademark Office, for purposes of recording, a confirmatory instrument specifically enumerating the Trademark and Registration so assigned.

Now, therefore, to whom it may concern, be it known that for the consideration described above Assignor hereby confirms and certifies that it sold, assigned and transferred and does hereby sell, assign and transfer to Assignee the Trademark and the Registration together with the goodwill of the business in connection with which the Trademark is used as of November 3, 2009.

In witness whereof, Assignor has caused this Confirmatory Assignment to be executed on September 11, 2014 *nunc pro tunc*.
