## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "**Agreement**") made as of this 12<sup>th</sup> day of September, 2014, by Buffalo Corp., a Missouri corporation ("**Debtor**") in favor of Wells Fargo Bank, National Association ("**Secured Party**").

### W I T N E S S E T H

WHEREAS, Debtor and Secured Party are parties to a certain Loan and Security Agreement of even date herewith (as the same may be amended or otherwise modified from time to time, the "**Loan Agreement**") and other related loan documents of even date herewith (collectively, with the Loan Agreement, and as each may be amended or otherwise modified from time to time, the "**Financing Agreements**"), which Financing Agreements provide, among other things, (i) for Secured Party and Lenders to, from time to time, extend credit to or for the account of Debtor and (ii) for the grant by Debtor to Secured Party of a security interest in certain of Debtor's assets, including, without limitation, its trademarks and trademark applications;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Debtor agrees as follows:

1. Incorporation of Financing Agreements. The Financing Agreements and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Financing Agreements.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Debtor hereby grants to Secured Party and hereby reaffirms its prior grant pursuant to the Financing Agreements of, a continuing security interest in Debtor's entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, the trademarks and applications listed on Schedule A attached hereto and made a part hereof, and renewals, extensions, replacements, enhancements and modifications thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "**Trademarks**"); all rights corresponding to any of the foregoing throughout the world and the goodwill of the Debtor's business connected with the use of and symbolized by the Trademarks.

3. Warranties and Representations. Debtor warrants and represents to Secured Party that, except with respect to Trademarks indicated as abandoned on Schedule A hereto:

(i) no Trademark has been adjudged invalid or unenforceable by a court of competent jurisdiction nor has any such Trademark been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) each Trademark is valid and enforceable;

(iii) Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark, free and clear of any liens, charges and encumbrances, including without limitation licenses, shop rights and covenants by Debtor not to sue third persons;

(iv) Debtor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(v) Debtor has the unqualified right to execute and deliver this Agreement and perform its terms.

4. Restrictions on Future Agreements. Debtor agrees that until the Obligations shall have been satisfied in full and the Financing Agreements shall have been terminated, Debtor shall not, without the prior written consent of Secured Party, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement with respect to any Trademark, and Debtor further agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Secured Party under this Agreement.

5. New Trademarks. Debtor represents and warrants that, based on a diligent investigation by Debtor, the Trademarks listed on Schedule A constitute all of the federally registered or applied for Trademarks now owned by Debtor. If, before the Obligations shall have been satisfied in full or before the Financing Agreements have been terminated, Debtor shall (i) become aware of any existing Trademarks of which Debtor has not previously informed Secured Party, or (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Agreement above shall automatically apply thereto and Debtor shall give to Secured Party prompt written notice thereof. Debtor hereby authorizes Secured Party to modify this Agreement by amending Schedule A to include any such Trademarks.

6. Royalties; Terms. The term of the mortgages granted herein shall extend until the earlier of (i) the expiration of each of the Trademarks, and (ii) the payment in full of the Obligations and the termination of the Financing Agreements. Debtor agrees that upon the occurrence of an Event of Default, the use by Secured Party of all Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or other related charges from Secured Party to Debtor.

7. Product Quality. Debtor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices, and (ii) to provide Secured Party, upon Secured Party's request from time to time, with a certificate of an officer of Debtor certifying Debtor's compliance with the foregoing. Upon the occurrence of an Event of Default, Debtor agrees that Secured Party, or a conservator appointed by Secured Party, shall

have the right to establish such additional product quality controls as Secured Party, or said conservator, in its reasonable judgment, may deem necessary to assure maintenance of the quality of products sold by Debtor under the Trademarks.

8. Release. This Agreement is made for collateral purposes only. Upon payment in full of the Obligations and termination of the Financing Agreements, Secured Party, at Debtor's request, shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the Financing Agreements.

9. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Debtor. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Secured Party in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by Debtor and shall be charged against the Obligations.

10. Duties of Debtor. Debtor shall have the duty (i) to file and prosecute diligently any trademark applications pending as of the date hereof or hereafter until the Obligations shall have been paid in full and the Financing Agreements have been terminated, (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with Debtor's obligations under this Section 10 shall be borne by Debtor.

11. Secured Party's Right to Sue. After an Event of Default, Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Secured Party shall commence any such suit, Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement and Debtor shall promptly, upon demand, reimburse and indemnify Secured Party for all costs and expenses incurred by Secured Party in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between Debtor and Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder or under the Financing Agreements shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements. All of Secured Party's rights and remedies with respect to the Trademarks, whether established hereby or by the Financing Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Debtor hereby authorizes Secured Party upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Secured Party as Secured Party may select, in its sole discretion, as Debtor's true and lawful attorney-in-fact, such power of attorney to be coupled with an interest and to have full power of substitution, with power to (i) endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Secured Party in the use of the Trademarks, or (ii) take any other actions with respect to the Trademarks as Secured Party deems to be in the best interest of Secured Party, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and the Financing Agreements have been terminated. Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Secured Party under the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Secured Party shall have, in addition to all other rights and remedies given it by the terms of this Agreement and the Financing Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

16. Binding Effect; Benefits. This Agreement shall be binding upon Debtor and its respective successors and assigns, and shall inure to the benefit of Secured Party, its successors, nominees and assigns.

17. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

19. Further Assurances. Debtor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Secured Party shall reasonably request from time to time in order to carry out the purpose of this Agreement and agreements set forth herein.

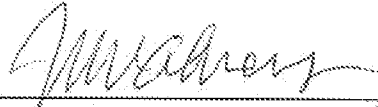

20. Survival of Representations. All representations and warranties of Debtor contained in this Agreement shall survive the execution and delivery of this Agreement and shall be deemed to be remade on the date of each borrowing under the Financing Agreements.
