TRADEMARK COLLATERAL AGREEMENT

This 12th day of September, 2014, Teays River Investments, LLC, a Delaware limited liability company, Grapeman Farms, LP, a Delaware limited partnership, Remington Seeds, LLC, a Delaware limited liability company, and Aurora Organic Dairy Corp., a Delaware corporation, (each, a "*Debtor*", and together, "*Debtors*") with each Debtor's principal place of business and mailing address set forth on Schedule A hereto, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, grant to Bank of Montreal ("*BMO*"), with its mailing address at 115 South LaSalle Street, Chicago, Illinois, acting as administrative agent hereunder for the Secured Creditors as defined in the Security Agreement referred to below, and its successors and assigns (BMO acting as such administrative agent and any successor(s) or assign(s) to BMO acting in such capacity being hereinafter referred to as the "*Agent*"), for the benefit of the Secured Creditors a continuing security interest in, the following property:

(i) All of Debtors' right, title and interest (including common law rights and all state and federal registrations) in and to each trademark, trademark registration, and trademark application listed on Schedule B hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtors against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration, or trademark application listed on Schedule B hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Secured Obligations of Debtors as set out in that certain Security Agreement bearing even date herewith between Debtors and Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any application by any Debtor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted pursuant to the Lanham Act (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as such Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-To-Use Application as collateral security for the Secured Obligations. When a Statement of Use is filed and accepted by the Trademark Office in accordance with the Lanham Act, then that application shall cease to be partly exempted from this Agreement.

The Agent and Debtors hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

This Trademark Collateral Agreement and the rights and duties of the parties hereto, shall be construed and determined in accordance with the internal laws of the State of New York.
