- A. Assignor, as sellers, and Capital Resource Partners V, L.P. ("CRP"), as purchaser, have entered into that certain Asset Purchase Agreement dated as of March 7, 2013 (the "Purchase Agreement"), providing, among other things, subject to the terms and conditions set forth therein, for the sale, transfer, assignment, conveyance and delivery by Assignor to Assignee (as CRP's designee under the Purchase Agreement) of all right, title and interest in and to the Assets (as defined in the Purchase Agreement). On or about March 7, 2013, the United States Bankruptcy Court for the Central District of California, San Fernando Valley Division, entered that certain Order (1) Approving Sale of the Debtors' Pre-Clinical Business Assets Free and Clear of All Liens, Encumbrances, Claims and Interests; (2) Approving Debtors' Assumption and Assignment of Certain Executory Contracts and Determining Cure Amounts; (3) Waiving the 14-Day Stay Periods Set Forth in Bankruptcy Rules 6004(h) and 6006(d); and (4) Granting Related Relief (the "Sale Order"), by which Sale Order the Bankruptcy Court approved the Purchase Agreement and authorized Assignor to consummate the transactions contemplated therein and herein.
- B. Each of Assignor's rights, title and interests in each of the trademarks, trademark applications and registrations listed in Exhibit A, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world (collectively, the "Marks") are Assets (as defined in the Purchase Agreement).
- C. The Parties desire to execute and deliver this Assignment for the purpose of effecting the sale, transfer, assignment, conveyance and delivery to Assignee of all of the Assignor's right, title and interest in and to the Marks pursuant to the Purchase Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor and Assignee, the Parties agree as follows:

1. Assignment. Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns, the entire worldwide right, title and interest in and to the Marks, the ongoing and existing business of Assignor to which the Marks pertain, the goodwill of the business symbolized by the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights and copyright rights in the Marks worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Marks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Further Assurances. Assignor will promptly communicate to the Assignee, its successors, legal representatives and assigns, any facts known to it respecting the Marks, and generally undertake reasonable efforts to aid Assignee or its successors, legal representatives and assigns, to obtain and enforce proper protection for the Marks in all countries and to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives. The cost of recording and registering ownership rights in the Marks shall be borne solely by Assignee, its successors and assigns.

4. Miscellaneous. This Assignment may only be amended by written agreement of the Parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the Parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith. The governing law of this Assignment shall be that of the State of California, without regard to its conflicts of law principles.
