TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*") is made as of September 12, 2014 (the "*Effective Date*"), by and between Mortgage Builder Software, Inc., a Michigan corporation ("*Assignor*"), and Altisource Solutions S.à r.l., a private limited liability company ("*société à responsabilité limitée*") incorporated under the laws of the Grand Duchy of Luxembourg, having its registered offices at 40, Avenue Monterey, L-2163 Luxembourg, registered at the Luxembourg companies and trade register under number B147.268 ("*Assignee*").

WHEREAS, Assignor, Assignee, Altisource Solutions, Inc., a Delaware corporation, and Keven M. Smith are parties to that certain Purchase and Sale Agreement dated as of July 18, 2014 (the "*Purchase Agreement*"), pursuant to which Assignor has agreed to sell and Assignee has agreed to purchase, among other things, the trademarks identified in Exhibit A hereto;

WHEREAS, Assignor is the owner of the entire right, title, and interest in, to, and under those United States and foreign trademarks listed on Exhibit A and the goodwill associated with all of the foregoing (collectively, the "*Trademarks*"); and

WHEREAS, Assignee, at its request and direction, wishes to acquire and Assignor wishes to assign all of Assignor's right, title, and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration (including the premises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor hereby irrevocably sells, assigns, transfers, and sets over to Assignee all of Assignor's right, title, and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademarks and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

Assignor shall provide Assignee, its successors, assigns, or other legal representatives, cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments,

powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks.

This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Copies (facsimile, photo static or otherwise) of signatures to this Assignment shall be deemed to be originals, and may be relied on to the same extent as the originals.

Except to that extent that federal law preempts state law with respect to the matters covered hereby, this Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of laws thereof.

[THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Trademark Assignment to be duly executed as of the date first above written.
