TRADEMARK

## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 17, 2014, is made by ABELCONN, LLC, a Delaware limited liability company (the “*Grantor*”), in favor of CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH (“*CS*”), as Collateral Agent (in such capacity, together with its successors and permitted assigns, the “*Collateral Agent*”) for the Lenders and the other Secured Parties.

## WITNESSETH:

WHEREAS, the Grantor, CBT TECHNOLOGY, LLC, a Delaware limited liability company (“*CBT*”), SIE (as defined in the Credit Agreement; SIE, together with the Grantor and CBT, collectively, the “*Borrowers*” and each individually, a “*Borrower*”), ACS INTEGRATED SYSTEMS, INC., a Delaware corporation (“*Holdings*”), the other Subsidiaries of Holdings from time to time party thereto (“*Guarantors*”, and, together with Borrowers, the “*Loan Parties*”), the Lenders from time to time party thereto, CS, as administrative agent for the Lenders (in such capacity, together with its successors and assigns in such capacity, the “*Administrative Agent*”) and the Collateral Agent, have entered into a Credit Agreement, dated as of July 17, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”);

WHEREAS, among others, the Grantor is party to a Guaranty and Collateral Agreement dated as of July 17, 2014 in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “*Guaranty and Collateral Agreement*”), pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, the Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Collateral Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of the Grantor, hereby mortgages and pledges to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the “*Trademark Collateral*”):

(a) all of its Trademarks and all Trademark Licenses providing for the grant by or to the Grantor of any right under any Trademark, including those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

Section 3. Guaranty and Collateral Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Guaranty and Collateral Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Guaranty and Collateral Agreement, the Guaranty and Collateral Agreement shall govern.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.** In addition, the provisions of Section 8.6, 8.7, 8.8 and 8.12 of the Guaranty and Collateral Agreement are incorporated herein by reference, *mutatis mutandis*.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
