INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this “**Assignment**”), effective as of September 22, 2014, is entered into by and between Harris Publications Inc., a New York corporation (“**Assignor**”) and Townsquare Next, LLC, a Delaware limited liability company (“**Assignee**”) pursuant to Section 6.2.4 of the Asset Purchase Agreement of even date herewith between Assignor and Assignee (the “**Asset Purchase Agreement**”).

All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the parties as hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto hereby agree as follows:

1. Assignment. Assignor hereby assigns and transfers exclusively to Assignee all rights, title and interest of Assignor throughout the world in perpetuity, including all statutory and common law rights, in and to the Transferred IP (as defined in the Asset Purchase Agreement), together with all goodwill symbolized thereby and/or associated therewith, and the right to sue or make claims for any past, present or future infringement, misappropriation or unauthorized use thereof and the right to all income, royalties, damages and other payments that are now or may hereafter become due or payable with respect thereto, including, without limitation, damages for any past, present or future infringement, misappropriation or unauthorized use of the Transferred IP; all of such rights, title and interest to be held and enjoyed by Assignee and its successors and assigns to the same extent that such would have been held and enjoyed by Assignor had this Assignment not been made. For the avoidance of doubt, the Transferred IP specifically includes, but is not limited to, the trademarks, copyrights, and domain names identified in Exhibit A hereto, which trademarks, copyrights, and domain names shall be deemed to constitute part of Owned IP (as defined in the Asset Purchase Agreement).

2. Further Assurance. Assignor agrees to execute, deliver and file (or cause to be executed, delivered and filed) such further documentation and take such further action as may be reasonably requested by Assignee in order to fully effectuate the above assignment of rights with respect to the Transferred IP.

3. Entire Agreement. This Assignment, together with the Asset Purchase Agreement, constitute the entire agreement of the parties hereto and supersede all prior agreements and understandings, written and oral, between them with respect to the subject matter hereof.

4. Governing Law. This Assignment shall be construed in accordance with and governed by the federal laws of the United States (where applicable) and the laws of the State of Delaware (without giving effect to the conflict of laws provisions thereof).

5. Counterparts. This Assignment may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart. The parties hereto confirm that any facsimile or PDF copy of another party’s executed counterpart of this Assignment (or its signature page thereof) will be deemed to be an executed original thereof.

IN WITNESS WHEREOF, the undersigned, intending to be legally bound hereby, have each duly executed this Assignment as of the date first above written.
