TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 25th day of September, 2014, by and among EEYE INC., a Delaware corporation (the "Grantor") and FIFTH STREET MANAGEMENT LLC, a Delaware limited liability company, as Administrative Agent for the Lenders under the Credit Agreement (in such capacity, together with its successors and assigns in such capacity, "Agent").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement, dated as of September 25, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among the Grantor, Beacon Acquisition Corp., a Delaware corporation ("Parent"), Beacon Merger Sub, Inc., a Delaware corporation (which shall merge with and into BT Software Holding Group, Inc., a Delaware corporation, immediately following the Acquisition, with BT Software Holding Group, Inc. as the surviving entity) ("Holdings" and together with the Grantor, the "Borrowers"), the other Subsidiaries of Parent from time to time party thereto, the lenders party thereto (such lenders, together with their respective successors and assigns, are referred to hereinafter each individually as a "Lender" and collectively as the "Lenders"), and Agent, the Lenders have agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof;

WHEREAS, the Lenders are willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that the Grantor and certain of Grantor's affiliates shall have executed and delivered to Agent, for the benefit of the Lenders, that certain Pledge and Security Agreement, dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to Agent, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby unconditionally grants and pledges to Agent, for the benefit of the Lenders, to secure the Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of the Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I;

(b) all renewals or extensions of the foregoing;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any (i) claim by the Grantor against third parties for past, present or future infringement, dilution or other violation of any Trademark or any Trademark License, including right to receive any damages and to sue in the name of the Grantor, (ii) injury to the goodwill associated with any Trademark of the Grantor, or (iii) right by the Grantor to receive license fees, royalties, and other compensation under past, present or future any Trademark License;

provided however that the foregoing shall exclude all property described in Section 2.1(b) of the Security Agreement.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantor to Agent, the Lenders, or either of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding under the Bankruptcy Code involving the Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor shall give prompt notice in writing to Agent with respect to any such new trademark registration or application with respect thereto. Without limiting the Grantor's obligations under this Section, the Grantor hereby authorizes Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of

transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. **CONSTRUCTION.** Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person’s successors and assigns. The rules of construction contained in Section 9.25 of the Credit Agreement are hereby incorporated herein *mutatis mutandis*.

8. **CONTROLLING LAW.** This Trademark Security Agreement is to be governed and construed in accordance with the laws of the State of New York, without regard to the conflict of laws principles thereof.
