TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of July 7, 2014 (the "Effective Date"), by and among Steven Grekin ("Assignor"), and Steven K. Grekin, D.O., P.C., a Michigan professional corporation ("Assignee"). Assignor and Assignee are referred to herein individually as "Party" and collectively as "Parties."

WHEREAS, Assignor owns all rights, title and interest in and to the trademarks, service marks, and logos identified on Schedule 1 (the "Marks"); and

WHEREAS, the Parties desire to enter into this Assignment for the purpose of assigning the Marks and all goodwill related to or symbolized by such Marks from Assignor to Assignee and recording such assignment with the United States Patent and Trademark Office and any relevant non-U.S. patent and trademark offices.

NOW, THEREFORE, for one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Parties hereby agrees as follows:

1. Assignor hereby transfers, conveys, assigns, sets over and delivers to Assignee, and Assignee hereby accepts, all rights, title, and interests in and to the Marks, throughout the world, together with the goodwill of the business symbolized by the Marks, including without limitation, any extensions and renewals of the Marks, any and all causes of action and other rights assertable under the Marks, the right to sue third parties for past, present and future infringement of or improper activities regarding the Marks, the right to assume any licenses connected with the Marks, and the right to enjoy all of the monetary benefits obtained as a result of any litigation, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. At any time on or after the Effective Date, Assignor agrees to execute and deliver all such further transfers, assignments, conveyances and assurances and take or cause to be taken such actions as may reasonably be requested by the Assignee to obtain the full benefit of this Assignment. Assignor further covenants that Assignee will, upon request and without further consideration, be provided promptly with all pertinent facts, documents and specimens relating to the Marks and all legal equivalents as may be known or accessible to Assignor. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document necessary to give effect to the assignment of the Marks to Assignee hereunder, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as its agents and attorneys-in-fact with full power of substitution to act for and on its behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

3. If any term, provision, covenant or condition of this Assignment, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Assignment and such term, provision, covenant or condition as applied to other persons, places and circumstances shall remain in full force and effect.

4. This Assignment constitutes the entire agreement of the Parties and supersedes all prior and contemporaneous agreements and understandings (including term sheets), both written and oral, between the Parties, or either of them, with respect to the subject matter hereof. This Assignment may be amended, modified or supplemented only by a written agreement signed by Assignor and Assignee.

5. This Assignment is absolute, exclusive and irrevocable.

6. In the event of any dispute under this Assignment, this Assignment will be construed and enforced in accordance with the laws of the State of Delaware, without regard to its conflict of law principles.

7. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by facsimile, or by .pdf or similar imaging transmission, will constitute effective execution and delivery of this Assignment as to the parties and may be used in lieu of the original Assignment for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar imaging transmission, will be deemed to be their original signatures for any purpose whatsoever.
