FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT

This FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**IP Security Agreement**”) dated October 1, 2014, is made by the persons listed on the signature pages hereof (collectively, the “**Grantors**”) in favor of CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, acting through one or more of its branches or any Affiliate thereof, as collateral agent (in such capacity and any successor in such capacity, the “**Collateral Agent**”) for the Secured Parties (as defined in the First Lien Credit Agreement referred to below). Capitalized terms used in this IP Security Agreement and not otherwise defined herein have the respective meanings assigned thereto in the First Lien Credit Agreement (as defined below).

WHEREAS, the Grantors have entered into that certain First Lien Credit and Guaranty Agreement, dated as of October 1, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**First Lien Credit Agreement**”), with Holdings, U.S. Borrower, the other Domestic Credit Parties party thereto, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as the Administrative Agent, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as the Collateral Agent and the Lenders party thereto from time to time;

WHEREAS, as a condition precedent to the making of Loans by the Lenders and the entry into Hedge Agreements by the Lender Counterparties from time to time, each Grantor has executed and delivered that certain U.S. First Lien Pledge and Security Agreement, dated as of October 1, 2014, by and among the Grantors, the Administrative Agent and the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**First Lien Security Agreement**”); and

WHEREAS, under the terms of the First Lien Security Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Patent and Trademark Office and the United States Copyright Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in such Grantor’s right, title and interest in and to the following (collectively, the “**Additional Collateral**”):

(i) the patents and patent applications set forth in Schedule A hereto (the “**Patents**”);

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications or intent-to-use service mark applications filed pursuant to Section 1(b) of the Lanham Act, to the extent that, the grant of a security interest therein would impair the validity or enforceability of, or render void or voidable or result in the cancellation of

the applicable Grantor's right, title or interest therein or any trademark or service mark issues as a result of such application under applicable federal law), together with the goodwill symbolized thereby (the "**Trademarks**");

(iii) the copyright registrations and applications set forth in Schedule C hereto (the "**Copyrights**");

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing;

(v) any and all claims for damages and injunctive relief for past, present and future infringement of any of the foregoing; and

(vi) all income, royalties and other payments now or hereafter due and payable with respect to any and all of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Additional Collateral by each Grantor under this IP Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Credit Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 4. Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the First Lien Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Additional Collateral are more fully set forth in the First Lien Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signatures pages to follow]

IN WITNESS WHEREOF, each Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
