## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (the "Assignment") is effective September 25, 2014, by and between Telequip Corporation, a New Hampshire corporation, (the "Assignor") and MEI, Inc., a corporation existing under the laws of the State of Delaware (the "Assignee") doing business as "Crane Payment Innovations"; collectively, the Assignor and the Assignee are referred to as the "Parties."

### WITNESSETH:

The Assignor is the owner of the entire right, title and interest in and to certain trademarks (whether registered or unregistered) together with all trademark registrations and/or applications listed on Schedule 1 annexed hereto and any and all trade dress and domain names associated therewith (collectively referred to as the "Trademarks"), and the Assignee is desirous of acquiring all right, title, and interest in and to the Trademarks.

NOW, THEREFORE, the Assignor does hereby sell, contribute, assign, transfer, and set over to Assignee Assignor's entire right, title, and interest in and to the Trademarks, together with the goodwill of Assignor's business in connection with which the Trademarks are used, all income, royalties, damages, and payments hereafter due and payable to the Assignor with respect to the Trademarks, including without limitation unpaid damages and payments for past, present, and future infringements of any Trademark, and the full right to sue for past, present or future infringement of any of such Trademarks and rights, these rights to be held and enjoyed by the Assignee, its successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this assignment not been made. And for the consideration aforesaid, Assignor agrees that it will, upon request, and at Assignee's sole expense and at no expense to Assignor, execute all documents necessary or desirable to properly vest full right, title and interest in and to all Trademarks throughout the world in the name of the Assignee or which, in the sole judgment of the Assignee, may be necessary to obtain, maintain, issue or enforce said Trademarks.

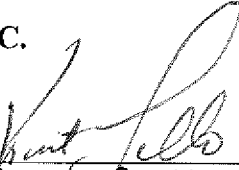

*[Remainder of page intentionally left blank;  
signature page follows.]*

IN WITNESS WHEREOF, Assignor has caused this Trademark Assignment to be executed and delivered, and Assignee accepts this Assignment executed and delivered, as of September 25 2014.
