ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (this "Assignment") is made and entered into as of October 1, 2014, by and between **FAV PROJECT, INC.**, a Texas corporation ("Assignor"), and **FREEMAN CAPITAL COMPANY**, a Nevada corporation ("Assignee").

WHEREAS, Assignor has agreed, among other things, to sell, transfer, assign, convey and deliver to Assignee, as of the date hereof, the trademarks set forth on Schedule A attached hereto (the "Marks"); and

WHEREAS, Assignee desires to acquire Assignor's entire right, title and interest in and to the Marks.

NOW, THEREFORE, in consideration of mutual covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby irrevocably and unconditionally grants, conveys, transfers, and assigns to Assignee all of Assignor's right, title and interest in and to the Marks and all issuances, extensions and renewals thereof, together with the goodwill of the business symbolized by and associated with the Marks, same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

2. General.

2.1 Entire Agreement; Modification. This Assignment contains the entire agreement and understanding of the parties hereto with respect to its subject matter and supersedes all prior and contemporaneous agreements and understandings, oral and written, among the parties with respect to such subject matter. This Assignment may not be amended except by a written agreement signed by each of the parties to this Assignment.

2.2 Severability. If any provision of this Assignment is held to be invalid or unenforceable for any reason, such provision shall be ineffective to the extent of such invalidity or unenforceability; provided, however, that the remaining provisions will continue in full force and effect without being impaired or invalidated in any way. Any invalid or unenforceable provision shall be replaced by Assignor and Assignee with a valid provision which most closely approximates the intent and economic effect of the invalid or unenforceable provision.

2.3 Headings; Construction. The headings of Articles and Sections in this Assignment are provided for convenience only and will not affect its construction or interpretation. All annexes, exhibits and schedules to this Assignment are incorporated into and constitute an integral part of this Assignment as if fully set forth herein. All references to documents, instruments or agreements will be deemed to refer as well to all addenda, exhibits, schedules or amendments thereto. The language used in this Assignment will be construed, in all cases, according to its fair meaning, and not for or against any party hereto. The parties acknowledge that each party has reviewed this Assignment and that

rules of construction to the effect that any ambiguities are to be resolved against the drafting party will not be available in the interpretation of this Assignment.

2.4 Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the State of Texas, without regard to its principles of conflicts of laws.

2.5 Execution; Counterparts.
