TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is effective as of the 25th day of August 2014, (the "Effective Date"), by and between iSwifter Inc., a Delaware corporation (hereinafter "Assignor"), having its place of business at 1901 So. Bascom Ave. #1180, Campbell, CA 95008 and Google Inc., a Delaware corporation ("Assignee"), having its place of business at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

WHEREAS, Assignor has adopted, used, and/or intends to use, and is the owner of the trademarks set forth in Schedule A attached hereto and incorporated herewith, and all other rights appurtenant, including, but not limited to, common law rights, title and interest, trade name rights and the right to recover for past infringement, in the United States of America and all other countries and jurisdictions of the world, in and to said trademarks and any applications and registrations thereof, including any intent-to-use applications (hereinafter collectively referred to as the "Trademarks");

WHEREAS, Assignor had a bona fide intent to use the Trademarks in U.S. commerce at the time of filing of the applications with the U.S. Patent and Trademark Office and has maintained a bona fide intent to use the Trademarks since that time for the corresponding goods and services and has not abandoned the same;

WHEREAS, Assignee as the successor to the business of the Assignor to which the Trademarks pertain, is desirous of acquiring all rights, title and interest in and to the Trademarks worldwide together with the goodwill associated therewith; and

WHEREAS, Assignor is willing to assign to Assignee all rights, title and interest as Assignor may possess in and to the Trademarks worldwide together with the goodwill associated therewith;

NOW THEREFORE, for good and adequate consideration, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereby agree as follows:

1. Assignor does hereby assign, transfer and convey to Assignee as the successor to the business of Assignor all right, title and interest as Assignor may possess in and to the Trademarks worldwide, together with (i) the goodwill associated with said Trademarks, (ii) all registrations and applications throughout the world (including intent-to-use applications) for the Trademarks, and (iii) all causes of action (either in law or in equity) accrued, accruing, and to accrue under and by virtue hereof, including the right to sue and recover for past infringement, and to receive all damages, payments and costs and fees associated therewith.
2. Upon request by Assignee, Assignor will assist Assignee as reasonably necessary to secure, perfect, maintain or evidence the rights hereby transferred, including, without limitation, the execution of any other assignments or documents that may be necessary to evidence Assignee's ownership of the Trademarks in the US Patent and Trademark Office and the trademark offices of any foreign country or jurisdiction. In the event Assignee is unable for any reason, after reasonable effort, to secure the signature of

Assignor on any document needed in connection with the actions specified herein, Assignor hereby appoints Assignee's in-house trademark counsel as Assignor's attorney-in-fact to execute all documents on behalf of Assignor and its employees for this limited purpose.

3. Following the assignment of the Trademarks on the date hereof, Assignor shall not use the Trademarks, or any variation thereon, with any product or service in any country or jurisdiction worldwide.
4. This Agreement shall be governed by the laws of the State of California.
